North River Civic Center Concert Series Presents: ***A Musical Mix***

Join us for an inspiring evening of music, community, and celebration of Chattanooga's rising stars.

Hixson, TN — September 12, 2025 — The Chattanooga Community Development's North River Civic Center, in partnership with the Tennessee Arts Commission, is proud to host **A Musical Mix** on **Friday, September 19th, from 7:00 p.m. to 8:00 p.m.** at the **North River Civic Center, 1009 Executive Drive, Suite 102, Hixson, TN 37343.**

This free community concert will showcase the incredible talent of the Center for Creative Arts vocal department as students present an evening of jazz, blues, and popular music.

These gifted young performers will also travel to New York City in November to perform at the world-renowned Lincoln Center. This concert is a wonderful opportunity for the Chattanooga community to experience their artistry right here at home.

"We are thrilled to provide a stage for these students to share their talents," said Linda Rugina, North River Civic Center Manager. "This performance not only highlights their hard work and dedication but also gives the community a chance to support them before their big debut at Lincoln Center."

For more information, please contact the North River Civic Center at **423-870-8924.**
