Chattanooga-Hamilton County Regional Planning Agency
Proposed Liquor Store Site Review: 3208 Amnicola Hwy (Tax Map 127K-B-025) –Snapdragon
Ventures, LLC
6/4/2026

Based on Chapter V, Sec. 5-109(b) of Chattanooga City Code:

- (b) The planning staff of the Chattanooga-Hamilton County Regional Planning Commission shall conduct an analysis of the proposed liquor store site which will include, but shall not be limited to, the following:
- (1) A land use survey of the surrounding development;
 - (2) Off-street parking and loading facilities;
 - (3) Proposed points of access and ease of ingress and egress;
 - (4) The lot, yard and open space requirements; and
 - (5) Whether a traffic hazard will be created.

Based on Chapter V, Sec. 5-109(c) of the Chattanooga City Code:

- (c) The Executive Director shall submit the findings of the staff of the Chattanooga-Hamilton County Regional Planning Commission to the City Council for consideration and action. This report is to include, but is not limited to, the following areas of concern:
- (1) The probable effect on the property adjacent to the site under consideration.
 - (2) The consistency of the proposal with the intent and purpose of this article to promote the public health, safety, morals and general welfare.
 - (3) Additional requirements which are needed in order to make the development more compatible with the surrounding land use.

The following are the RPA's key findings for this site:

1. The proposed site for the liquor store is located at 3208 Amnicola Hwy. The building is a commercial building.

The site proposed for the use is pictured below:

2. The probable effect on the property adjacent to the site under consideration.

- RPA response:
 - a. The applicant is leasing property located at 3208 Amnicola Hwy. Adjacent land uses include the following:
 - North: Parking Lot
 - South: Government (Police Station)
 - East: Government (Police Station)
 - West: Restaurant
 - b. Off-street parking and loading facilities: The site contains an on-site parking lot. The parking spaces are not lined, and there does not appear to be designated ADA parking. The building is approximately 2,250 sq. ft. in size and requires 5 parking spaces. The applicant will be required to line the parking lot and provide ADA compliant parking spaces.
 - c. Proposed points of access and ease of ingress and egress: The site has a parking lot with two curb cuts off Amnicola Hwy.
 - d. The lot, yard and open space requirements: There is no minimum lot size for commercial uses in the I-H Industrial Heavy Zone.
 - e. The Land Development Office has no concerns or comments.
 - f. Based on Sec. 5-108 Location and signs for liquor stores, distance requirements for parks, places of worship, schools, day care centers and other liquor stores apply to properties zoned C-2 Convenience Commercial:
 - Sec. 5-108. - Location and signs for liquor stores.

(a) **No lot proposed for a liquor store site may be located within two hundred (200) feet from the nearest property line of a site which is used for the**

purpose of a recreational park (ornamental parks are not to be considered in this requirement), place of worship, school (an academic learning center whether public or private, from the level of nursery through twelfth grade), day care center or other liquor store. Measurement shall be made from the nearest property line of the applicant's premises to the nearest property line of the above mentioned uses. Measurements for leased premises shall be measured from the property line of the applicant to the nearest property line of the above mentioned uses measured on a straight line basis. For purposes of this subsection, the applicants' property line on leased premises shall be construed to be the nearest point of a leasehold line.

(b) The distance prohibition set forth in Subsection (a) shall not apply to a retail license or permit for the sale of wine and/or high alcohol content beer as defined by T.C.A. § 57-3-101 within the area zoned C-MU1, C-MU2 or within the area zoned pursuant to the Downtown Form-Based Code (City Code Chapter 38, Article XVI).

- The proposed liquor store property is zoned I-H Industrial Heavy Zone; therefore, the distance prohibition applies. An RPA field review indicates there are no school, recreational park, or other liquor store within 200' of the site.

3. The consistency of the proposal with the intent and purpose of this article to promote the public health, safety, morals and general welfare.

- RPA response:

- a. The site is zoned I-H Industrial Heavy Zone (see zoning map below) with no zoning conditions. Liquor stores are listed as a use permitted as Special Exceptions by the City Council.

4. An additional requirement which is needed in order to make the development more compatible with the surrounding land use:

- The applicant will be required to line the parking lot and provide ADA compliant parking spaces.
