CLASSIFICATION SUMMARY:

Incumbents in this classification are responsible for serving as project manager for large or complex solicitation processes and existing contracts. Duties include: consulting with departments regarding procurement strategies, specification development, and response evaluation; preparing letters for the Council; facilitating pre-bid conferences; preparing letters to extend contracts; drafting solicitation documents; negotiating contracts; acting as primary internal department support; acting as primary vendor contract contact; and serving as a contact for the City's procurement software, including training and troubleshooting. Work requires limited supervision and the use of independent judgment and discretion.

SERIES LEVEL:

The Buyer is a stand-alone position.

ESSENTIAL FUNCTIONS:

(The following duties ARE NOT intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of the primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional, position-specific duties.)

Serves as project manager on assigned contractual categories, which includes: serving as the primary point of contact on contractual matters; assuming a leadership role for strategic vendor sourcing, contract scope, and contract management; reinforcing service delivery to the customer; identifying the most favorable sourcing and contracting alternatives; managing contracts and relationships; assisting in work planning and purchase consolidation, contract terms and conditions development, specification development, solicitation preparation, scope and statement of work development, and contract negotiations and finalization; organizing and maintaining related information; procuring applicable items; assuring procurement procedure integrity and/or, performing other related activities.

Determines correct procurement methods and conducts formal solicitation processes, which includes: collating formal bid data and information; evaluating requests for bids in conformance with applicable laws, procedures, and requirements; approving price increases; updating contracts; analyzing proposals for conformance to specifications, prices, terms, and possible cost savings; conducting negotiations; placing newspaper and website advertisement; preparing and issuing solicitation packages; facilitating pre-bid conferences; leading public bid openings and/or closed proposal openings; evaluating bid and proposal responses; forwarding information to applicable departments; structure and facilitate group evaluation; compile and maintain

evaluation templates; coordinate and execute contract amendments and/or change orders; maintaining bids and contracts information; compiling vendor contact lists; updating vendor information and accounting data in applicable databases; hosting bid openings for public reading; and/or performing other related activities.

Trains internal department and/or Purchasing Division staff on the use of procurement software, procedure implementation, procurement strategy, and contract administration.

Serves as a liaison between internal departments and vendors.

Generates procurement requisitions and contracts.

Maintains applicable records and databases on bids, leases, contracts, procurement sources, and/or other related information.

Facilitates procurement of complex and/or large scale contract categories.

Assist in research, development and implementation of procedure for complex procurement methods.

Conducts follow-ups on orders to ensure receipt of items ordered in a timely manner and to resolve problems; integrates performance data into contract administration.

Educates and assists the internal department to develop specifications.

Reviews and verifies appropriate approvals for specified commodities.

Assist Directors with facilitation of Request for Qualifications and construction.

Prepares a variety of reports related to progress, cost savings, vendor performance, contract administration, and/or other related procurement items.

Facilitates or attends a variety of meetings with staff, suppliers, contractors, vendors, and/or other interested parties.

Must meet regular attendance requirements.

Must be able to maintain good interpersonal relationships with staff, co-workers, managers and citizens.

Must accomplish the essential functions of the job, with or without reasonable accommodations, in a timely manner.

Performs other duties as assigned.
