Historical Debt Ratios

The CABR 2009 is divided into five major sections: Introduction, Guidelines, Financial Overview, Personnel Administration, and the Appendix.

Section A: Introduction - gives a profile of Chattanooga with selected useful service, demographic, economic, and statistical information, a message from the City Finance Officer, an organizational chart, and profiles of City officials.

Section B: Guidelines - informs you of guidelines and rules adhered to by the Finance department of the City of Chattanooga, as well as budget policies, model, procedures, a calendar, and the budget ordinance.

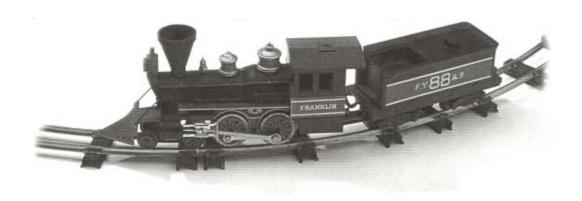

Section C: Financial

Overview - summarizes the overall financial condition of the City of Chattanooga, where we have been, where we are, and where we are going. This is followed by discussions of programs such as General Government, Supported Agencies, Finance & Administration, Police, Fire, Public Works, Parks & Recreation, Human Services, Personnel, Neighborhood Services, Executive Branch, Education, Arts & Culture, Debt Service and Capital Outlay.

Section D: Personnel

Administration - gives an overview of the benefits provided by the City of Chattanooga, position changes, its personnel detail, and pay plan tables.

Section E: Appendix - includes a glossary and an index.

July 15, 2008

To the Honorable Mayor, Members of the City Council, and Citizens of Chattanooga

I am pleased to present the FY2009 budget for the City of Chattanooga. The City's long term budget strategy continues to commit to economic development, clean, safe neighborhoods, responsive government, and effective delivery of quality services.

Change, Creativity, and Compassion

These elements have inspired the continued commitments which move Chattanooga to a model for performance accountability in the region and beyond.

A Vision for Chattanooga...

In 1978 local officials began efforts to free a portion of the 7,000 acres Volunteer Army Ammunition Plant site for industrial development. City and County paid \$7.5 million for a 940 acres site in 2000. After decades of land negotiations, cleanup and site work, the former VAAP has been selected by Volkswagen Group of America for its \$1 billion North American automobile assembly plant. This investment is expected to generate 2,000 jobs for the assembly plant and up to 14,000 total jobs including support industries. By 2011, Volkswagen, expects to produce 150,000 cars annually with an annual payroll of more than \$100 million and a total economic benefit projected at more that \$600 million per year. Volkswagen's announcement on July 15th, the Mayor stated, "Volkswagen and Chattanooga have a lot in common," Both are serious about environmental sustainability and 21st Century manufacturing." Chattanooga has worked long and hard to make this a great community. A measure of it's success is reflected in the President of Volkswagen remark concerning why Chattanooga was selected as the site for it's \$1 billion investment, "It was based on..something inside our guts and hearts" that Chattanooga's values are compatible with those at Volkswagen, he said.

During the past three years, this administration has made great strides in accomplishing the goals outlined in the Mayor's initiatives. As our city continues to move forward with its many initiatives, focusing on productivity and efficiency, we will continue to commit to economic development, job growth, transforming Chattanooga into a renaissance city. If you would like to see our scorecard on performance, using the Mayor's Seven Step Strategy, please find on our website at www.chattanooga.gov.

- · Finish what we've started
- Fill in the economic gaps
- Enhance links and gateways
- Nourish the neighborhoods
- Keep growing the green
- Attack fear with technology
- Focus on teaching

Chattanooga's Challenges

Department administrators and employees continue to find innovative ways to work smarter in the face of increasing costs and limited resources, continuing to provide quality services to Chattanooga's citizens. Challenges we are facing include:

■Funding for new pay plan

•Competitive Pay for Employees ~ To ensure that the City attracts and maintains a professional and competent workforce, the City Council commissioned an independent consultant to develop a pay plan that encompasses a total compensation package. To that end, in January, 2008, the City moved toward a pay plan that includes open pay base ranges, pay-for-performance, and bonuses.

■Maintenance of affordable medical benefits program

- •Employee Benefit Costs ~ Medical insurance premium is expected to increase by 6% this year following a 20% increase in FY08. This 6% is compared to 12% medical inflation. The City has been able to minimize the increase costs due to the implementation of a wellness initiative which include onsite clinics, fitness program and for the first time in FY09 a pharmacy program that enhances the prescription drug benefit for employees while greatly reducing costs for the City.
- •Retiree Benefits ~The cost of retiree benefits continues to be one of the fastest growing concerns. While contributions to the Fire & Police pension plan decreased by a tenth of a percent for FY09, this amount is expected to increase significantly in coming years dues to current market conditions resulting in declining investment returns. A review of the DROP plan was recently completed which should minimize future increase, however.
- •Other Post-Employment Benefits (OPEB) ~ The Governmental Accounting Standards Board recently issued statement No. 45 which sets forth standards for reporting post retirement benefits other than pensions (OPEB). Based on an actuarial evaluation the City's unfunded actuarial liability for OPEB is

\$151,200,000 on a prefunding basis and \$228,500,000 on a pay-as-you-go basis. The City established a Post Retirement Investment Trust during FY07 and contributed \$2,000,000 from excess operations revenues in each of the 2007 and 2008 fiscal years. A task force is currently evaluating options to minimize this cost.

■Skyrocketing cost of fuel

•Energy Costs ~ Uncertainty regarding energy costs and the fiscal impact to heat and cool buildings and to fuel vehicles has become an increasing concern. This year we factored in over twelve percent (12%) increase in water rates and nine percent (9%) in cost of diesel fuel.

■Choosing operational costs to offset the unavoidable increases

Departments and agencies submitted requests which exceeded estimated revenues. As we moved thru the process several choices had to be made on items we needed to trim in order to maintain quality services and still be able to work within our revenue stream without raising taxes. Below are choices we made to offset increases in operations without sacrificing quality services to the citizens:

4% reduction in purchased services 6% reduction in material & supplies 38% reduction in renewal & replacement funding 50% reduction in funding for liability insurance 7% reduction in travel

Budget Highlights

The City's undesignated General Fund budget has grown by roughly 15% over the past five years while funding more than \$33.7 million pay as you go capital. There has also been a significant effort to maintain the reduction in force implemented in 2002. For the seventh consecutive year tax increases and layoffs have been avoided by a combination of more effective management and economic growth. This budget provides the resources for continued investment in the long term fiscal health of this community.

The City's chattanoogaRESULTS initiative and vacancy control program that has been in effect since February 2002 greatly increases accountability by allowing the Mayor, the City Finance Officer and other senior City officials to regularly monitor both spending and departmental performance. The result has been a review process that defines the way that all of City government does business throughout the fiscal year. The City has published three annual

performance reports to the citizens of Chattanooga. The first report lays out departmental performance and results from our citizen survey results taken thru 311. The second report gives residents a track record on how the City is responding to their needs, it also provides administrators and managers with quantifiable performance measures, and tells how citizens feel about their priorities being addressed. The third report is full of performance results. It was designed to highlight the highpoints in a easy to read quick reference 4-page guide. You can find all reports on www.chattanooga.gov

Major Highlights of the Fiscal Year 2009 Budget:

Taxes - No tax increase for the seventh consecutive year. The current tax rate of \$2.202 is 31 cents less than the 2005 rate of \$2.516. See page 101.

Personnel - The fiscal year 2009 budget includes a net increase of three (3) positions over the prior year. This increase is attributable to the Interceptor Sewer, an Enterprise Fund.

Pay Study - This year the City implemented a total compensation package including an open range pay plan, pay-for performance, and bonuses. An independent consultant, Segal Company, performed the study that addressed employee and management concerns regarding our current pay and benefit practices. The study provides the framework to evaluate both the type and level of employees' work; to review all jobs so that there will be equal pay for comparable work across the organization; to develop a new pay structure to reward current employees; to facilitate hiring and retention of employees; to develop a performance management tool; and to recommend a total compensation approach to pay and benefits. It is estimated the package cost is about \$4.3 million.

We believe the recommendations from this study provides the vehicle to ensure that the City's compensation programs provide competitive pay to attract and maintain professional and diverse workforce and remain capable of sustaining our needs both now and into the future. As with any pay plan, it's effectiveness, to a large degree is dependent upon the availability of funds for proper implementation

Public Safety - The City continues to focus on Citizens safety. During this budget year a plan was implemented creating a unified dispatch program to answer 911 calls from Hamilton County and surrounding municipalities. In addition to this program we've extended use of security cameras in parks and other key public spaces to enhance the safety of our citizens.

Increased citizen participation in the recycling program was achieved thru creation of additional drop off centers and improved awareness through public eduction.

Animal Shelter - In 2004, Chattanooga was challenged to raise the standard of care given to unwanted and abandoned animals in the City. As a result the new McKamey Animal Care and Adoption Center was opened on July 1, 2008. The need for this transfer and enhanced Animal Services Program in partnership with Animal Care Trust was demonstrated in the first month of operation whereby 783 animals were accepted with 184 adopted.

Projected revenues for all appropriated funds total \$315,845,565, an increase of 2.8% from the previous year. This does not include fund balance, bond proceeds, and transfers in, which are considered other financing sources. In FY09 three items attribute to the major increase in revenues, they are Fines, forfeitures and penalties (FF&P) - 14.51%. Charges for Services - 13.05%, and Licenses and Permits - 5.49%. FF&P, up \$0.4M due to an increase in City Court and parking fines; Charges for services, up \$6.9M largely due to a 6% rate increases in the Interceptor Sewer rates 6%; and Licenses & permits up \$0.2M due to better reflect actual collections. These increases are offset by a 53.2% reduction in interest earnings due to declining market conditions and a 10% reduction in miscellaneous income primarily attributable to a one time sale of property (Morrison Springs Apartments) at \$1.4 million. Other financing sources are down by 35.15% in FY09 primarily due to inclusion of \$12 million in capital funding from reserves during the prior year and \$10 million less bond proceeds for FY09.

| Total Expenditures & Other Uses | \$364.203.646 | \$ 381.827.479 | (17.623.833) | -4.62% |

Appropriations are \$364,203,646, a 4.62% decrease from the FY08 Budget, excluding transfers out, which are considered other financing uses. Although increases are projected in all funds except Capital and Internal Services, most are attributable to the new compensation plan for city employees, rising fuel, utility, and debt services. The 25% decrease in Capital Funding is primarily due to smaller capital allocations due to need to limit City's long term debt obligations. The .79% reduction in internal service fund is due to reduction in amount appropriated for the City's liability insurance program. The reductions in capital and internal service funds led to a 46% reduction in transfers out.

General Fund. The City's Undesignated General Fund accounts for all applicable resources related to the general operations of city government that are not accounted for elsewhere. The total appropriation for FY09 budget is \$170,070,000 including transfers of \$17,505,667, a 4.72% decrease from FY08 budget. Although appropriations for salaries and fringe benefits increased by 3.39%, primarily due to implementation to a new compensation package, these increases were more than offset by a reduction of \$12 million in general fund capital. Appropriations for operations and transfers out decreased by 2.44% and 36.76% respectively. The \$16 million in transfers out due to transfer of over \$12 million from general fund reserves for capital in FY08. There is no capital included in the FY09 budget at this time.

Special Revenue Funds. The City's Special Revenue Funds are set by City resolution to account for funds that are restricted as to use. Reported funds for FY09 include State Street Aid, Human Services, Narcotics, Economic Development, Community Development and Hotel/Motel Tax as per the budget ordinance. The 2009 budget for the Special Revenue Funds totals \$39,434,815 including transfers of \$1,463,441. The Economic Development fund accounts for the 1/2% of the City's share of the countywide local option sales tax These funds are earmarked to pay long term lease rental payments to the Chattanooga Downtown Redevelopment Corporation and other economic development initiatives.

The Community Development Fund is used to account for Community Development Block Grants and other projects funded by the Federal Housing and Urban Development Programs.

Debt Service Fund. The City is authorized to finance capital improvements through various financing instruments, including but not limited to general obligation bonds, revenue bonds, loan agreements and capital leases. The City Council may authorize the issuance of tax-supported bonds by a simple majority vote, with notification of the action published in local newspapers. Unless 10 percent of the qualified voters protest the issuance by petition within 20 days of notification, the bonds may be issued as proposed. Both principal and interest on general obligation bonds are payable from ad valorem taxes which may be levied by the City Council subject to a legal debt limit of 10 percent of assessed valuation of property. Revenue bonds could be issued for various enterprise operations.

At year-end there was \$843,655,405 in debt outstanding for the primary government and its component units.

This debt includes the following:

General Obligation Bonds

| General Obligation Debt | \$ 105,221,925 | 25.3% |
|--------------------------------|---------------------|--------|
| Enterprise Funds Debt | 139,334,764 | 33.5% |

During FY09, the City anticipates approving debt not to exceed \$10.0 million to fund the FY08/09 Capital Budget.

Capital Project Funds. These funds are used to account for the financial resources used for the acquisition or construction of major capital projects. The Proposed Capital Budget for the 2009 fiscal year is \$33,636,249, of which \$32,561,249 will be applied to General Government projects, and \$1,075,000 will be used by the Enterprise Funds. This is a \$10,999,805 or 24.6% decrease from last year's approved amount of \$44,636,054. The reduction is due to a decision to use less pay as you go capital. We anticipate using \$7.5M from the Interceptor Sewer fund balance for sewer system related projects.

Enterprise Funds. The City maintains five enterprise operations as part of the primary government. These funds are used to account for operations of entities that are financed and operated in a manner similar to a private business. Combined Enterprise Funds net assets at June 30, 2008 were \$527.9 million with a change in net assets of \$14.4 million. A brief discussion of the major operations follows:

The Electric Power Board is not presented because it is a separate administrative agency of the government, having exclusive control and management of the Electric Distribution System. It is the sole distributor of electric power within the boundaries of the City and County (600 square miles). It accounts for 89.9% of total Enterprise Fund operating revenues

and reported a net operating income of \$13.5 million for the year ended June 30, 2008.

The Interceptor Sewer System of the City provides sewer services to customers on a self-supporting basis utilizing a rate structure designed to produce revenues sufficient to provide for debt service, operating expenses and adequate working capital. The strong commercial, industrial and residential growth in the City, along with increased federal mandates, have necessitated ongoing expansion of the Interceptor Sewer System. To illustrate, property, plant and equipment of the system in 1976 totaled \$68.8 million compared to \$305.2 million in 2008. Their total assets account for almost 81.7 percent of total Enterprise Fund assets, excluding the Electric Power Board. The 2009 approved budget including Debt Service and Capital is \$43,757,028. Approved operations is \$26,598,791.

The Solid Waste/Sanitation Fund was established in accordance with state mandate. This fund accounts for the operations of the City's landfill. The FY 2009 budget is \$7,264,382. Landfill fees are charged to commercial customers for use of the landfill, while the cost of the City landfill needs are funded by the General Fund. The City has entered into a long term agreement to transfer solid waste from a centrally located privately operated transfer station to the City Landfill. The City has received a permit from the state for the construction of new disposal cells which will facilitate the deposit of approximately 100,000 tons of solid waste for thirty years.

The Water Quality Management Fund accounts for the operations of the City's water quality management program as mandated by the Environmental Protection Agency and the state. The program is designed to produce revenues sufficient to provide for debt service, operating expenses and adequate working capital. Since the inception of this program in 1994, the investment in property, plant, and equipment has grown to \$46.5 million. The 2009 budget is \$6,192,675. There will be no appropriation from capital projects in FY09.

The Housing Management Fund accounts for the operations of two apartment complexes the City has acquired from the U.S. Department of Housing and Urban Development. Morrison Springs Apartments, which was sold in July of 2007, offers affordable housing outside of the inner city. Dogwood Manor, which provides low-income housing within the inner city

for the elderly, reported rental revenue of \$730,000 for the year ended June 30, 2008.

Internal Service Funds. The City now maintains three Internal Service Funds, in FY08 the third fund was added to account for the cost of the newly implemented self insured medical benefits program. Effective July 1, 2007, the City discontinued its medical insurance contract and began a self insured program for this coverage. Internal Service Funds provide goods or services for a fee to other governmental units, departments, and agencies. The three established reporting funds are the Municipal Fleet Services Fund, Liability Insurance Fund, and the Medical Services Fund. The Fleet Services Funds 2009 budget is \$15,723,263. The City of Chattanooga is self insured for judgements and claims. The Liability Insurance Fund was established to fund and pay for all judgments and costs or liability claims against the City. The 2009 budget for the Liability Insurance Fund is \$400,000. The 2009 Medical Fund budget is \$26,922,192.

The Pension Trust Funds account for resources held in trust for defined benefit pension plans to provide disability and retirement benefits for City employees/retirees. These funds are accounted for in the same manner as business enterprises providing similar services. Following is a brief discussion about the employee pension system.

Retirement Plans. The City maintains three single-employer defined benefit pension plans which cover all employees. Each of these systems is maintained separately: one system (General Pension Plan) covers general City employees; a second plan covers employees of the Electric Power Board; and the third covers Firefighters and Police Officers. Each plan has its own consulting actuary. The following schedule shows the unfunded actuarial accrued liability for each fund at June 30, 2007.

City management and the Pension Boards closely observe the future costs of both benefit improvements and changes in retirement trends of employees. Recommendations of actuaries are carefully considered and appropriate measures are taken to ensure that the pension plans are actuarially sound.

General Pension Plan. The City provides a pension plan for permanent general city employees. All permanent employees hired after February 1, 1979 must join the plan as a condition of employment. Employee contributions are 2% of total earnings. The

Not Pancion

City Finance Officer is authorized to match all salaries of all participants in the General Pension Plan, at an actuarially computed contribution rate of 6.31% for FY2009.

Fire and Police Insurance and Pension Fund. The City Finance Officer is authorized to match the total salaries of all participants in the Fire & Police Pension Fund with a contribution from the General Fund in FY 2009 not to exceed 23.13%. Each employee who is a participant in this Plan contributes 8% of total salary annually.

Electric Power Board Pension Plan. The Electric Power Board's plan is a single-employer defined benefit pension plan. The plan administrator is appointed by the EPB. Contribution requirements of Plan members and the EPB are established and can be amended by the EPB. Plan members are not required to contribute to the plan. EPB's contributions are calculated based on an actuarially determined rate, which is currently 9.42% of annual covered payroll. Effective August 1, 1984, the Board implemented a 401(k) plan, which permits employees to invest up to 13% of salary in a tax-deferred savings plan. The employee contribution rate changed from 3.5% to 4% of the employee's salary effective May 1, 2006.

Per Capita Budget

The chart below represents per capita expenditures by department over the past four years. The population figures used in calculations are shown in the chart:

Financial Assessment

Chattanooga continues to enjoy a position of fiscal strength. The City is in the best fiscal condition it has been in over 30 years and our outlook is improving. Through strong fiscal management, Chattanooga has positioned itself well to weather economic downturns, and create an environment that fosters economic development.

General Fund Undesignated Fund Balance

One measure of a city's financial strength is the level of its fund balances. The City's general fund unaudited undesignated fund balance at June 30, 2008 is \$40.8 million or 27.05% of undesignated general fund revenues and transfers in, or 24.7% of total unaudited general fund revenues and transfers in. The City strives to maintain an undesignated general fund balance of 20% of operating revenues and transfers in. Reserves in excess of the 20% level may be used to fund capital projects.

Financial Reserves of Other Operating Funds

In other operating funds, the City strives to maintain a positive fund balance position to provide sufficient reserves for emergencies and revenue shortfalls. Specifically the debt service fund has \$8.9 million in reserves at June 30, 2008.

Bond Ratings

The City has maintained a "AA" rating from Standard & Poor's and Fitch Investor's Service. Both agencies cite sound financial management, fund balance reserves, the debt retirement policy and a history of pay-as-you-go capital financing as justification for the favorable rating.

Conclusion

With final budget adoption, I want to thank the Mayor and City Council, Citizens and City staff for their time and effort throughout this budget process.

Respectfully submitted,

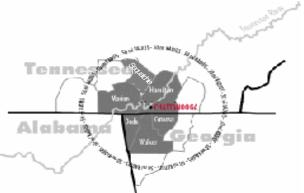

Daisy W. Madison, CPA, CGFM City Finance Officer

Dusy W. Madison

History & Development

ounded in 1816, by the leader of the Cherokee Indians, Chief John Ross, the City of Chattanooga was created on the site of Ross's Landing trading post. Chattanooga, a Cherokee word for "Rock coming to a point" was incorporated under State of Tennessee Private Acts of 1839. Today the City serves as the County seat of Hamilton County, is commercially and industrially developed and is the center of a six-county

Metropolitan Statistical Area (the "MSA"), which includes Hamilton County and the counties of Marion and Sequatchie, Tennessee and the counties of Catoosa, Dade and Walker, Georgia. Located near the southeastern corner of the State on the Tennessee-Georgia border, the City encompasses an area of 144.1 square miles. The Tennessee River flows through the center of the City, which has a diversified terrain. The MSA is centrally located in relation to other major population centers of the Southeast, being within a 150-mile radius of Knoxville and Nashville, Tennessee; Birmingham, Alabama and Atlanta, Georgia.

Form of Government

Date of Organization: 1839

Form of Government: Mayor/Council

The City operates under a Mayor/Council form of government. The Mayor is elected at-large and is not a member of the City Council. The Council is composed of nine members, with each member being elected from one of nine districts within the geographic boundaries of the City. The Mayor and Council are elected for four-year terms. The Mayor is the City's chief executive officer and oversees the operation of all City departments. The seven principal departments are Finance & Administration; Fire; Police; Parks & Recreation; Human

Services; Public Works; and Education, Arts, & Culture. The City employs approximately 2,294 full-time equivalent employees. The City's Electric Power Board has an additional 400 employees.

Industrial and Economic Development

The area's central location makes it a perfect distribution center for the eastern United States. Supplies and products for industry flow easily to and from the Chattanooga area by way of an extensive network of highway, water, air and rail transportation systems. Beyond its advantages as a business location, Chattanooga is blessed with beautiful natural surroundings. A gracious life-style results from the community's commitment to preserving its culture and supporting the arts. Chattanooga offers excellence in education and quality health care as well as a virtually unlimited range of recreational activities – all at one of the lowest costs of living in the nation.

Chattanooga, known in the 1930's as the "Dynamo of Dixie", is one of the nation's oldest manufacturing cities with 14 percent of its employment in that sector. However, there is no single dominating industry. Economic advantages such as ample utilities, an efficient transportation system, abundant natural resources, a trained labor force and centralized location make Chattanooga a diversified and profitable business location. This largely accounts for the City's low unemployment rate, which stands at 4.0 percent as of 2007. This is comparable to the nation's unemployment rate of 4.6 percent and the state rate of 4.7 percent.

In 1982 the City began a rebirth with the establishment of the Moccasin Bend Task Force. The Master Plan which grew out of this task force has resulted in the development of the Tennessee Aquarium, the Riverpark, the Walnut Street Bridge and Coolidge Park.

Over the past decade, hundreds of millions of dollars have been invested in these and other projects in the riverfront and downtown gaining the City international recognition. Within the last several years, over \$293 million in new developments have been either completed or under construction. The 21st Century Waterfront Plan was another step in this Master Plan

to focus on the City's riverfront. The 21st Century plan grew out of a public process led by Hargreaves & Associates. The \$120 million plan combined public and private financing to transform the downtown riverfront with a careful combination of development, preservation and enhancement that honors the history and beauty of the area.

The 21st Century Waterfront Plan comprises 129 acres on both sides of the river stretching from the Veteran's Bridge on the east to Moccasin Bend and M. L. King Boulevard on the west. The plan area is divided into six districts based on their natural features and development characteristics. Half of the districts- the First Street Steps, Ross' Landing Park, and Manufacturer's East- offer immediate development potential. Three others-Manufacturers West, Cameron Harbor, and the Moccasin Bend Gateway will develop over a longer period. A brief description of the projects follows:

The First Street Steps connect Market Street and the Bluff View Art District and the Hunter Museum of American Art, which has undergone a \$19.5 million expansion. A new public plaza was created between Cherry and Walnut Streets. First Street itself is transformed into a mixed-use neighborhood of residences, shops, cafes, and galleries. Pedestrian connections at Second Street and a bridge from the Walnut Street Circle across Riverfront Parkway connects the Hunter Museum to the City.

The Ross's Landing Park is a cornerstone of the plan. Here at the birthplace of the city, the vision includes a reconfigured Riverfront Parkway allowing for an enlarged and enhanced riverside park. This expansive area encompasses the Chattanooga Green and the Tennessee River Terraces and will be a fabulous and functional setting for riverside festivals. An expanded marina, water taxis, riverfront cafes, residential units and commercial development bring a fitting vitality to the area known as the "front porch" of the city. The expansion of the Tennessee Aquarium solidifies its position as the finest freshwater aquarium in the world.

Manufacturers East comprises the area near the intersection of Manufacturers Road, Cherokee Boulevard, and Market Street. The plan calls for a new mixed-use neighborhood of residential and commercial development that mark the beginning of a connection between downtown and Moccasin Bend. The highlight of this district is the Tennessee Wetland Park, preserving

the wetlands west of the Market Street Bridge as a nature reserve with an interpretive riverside boardwalk. The Adventure Playground and a segment of the Trail of Tears bring recreation and history to the district, and the collective components of the district provide a perfect complement to Coolidge Park.

The City's share of the cost of the Plan was funded by the levied Hotel Motel Tax. In June 2002, the Tennessee Legislature enacted law (TCA 67-4-1401,et seq.) which removed constraints on municipalities giving them the freedom to enact a tax on the occupancy of hotel/motel rooms, in addition to the County Tax. In August 2002, the City levied such a tax to be phased in over a 30-month period beginning October 1, 2002 at 2%; increasing to 3% on October 1, 2003 and 4% effective May 1, 2005 and thereafter.

On the Southside, the CDRC funded, in part through revenue from the State designated Tourism Development Zone (TDZ), construction of The Chattanoogan, a 208,210 sq. ft. residential meeting facility, a new 1,029space Parking Facility, the Development Resource Center, which is an 85,000 sq. ft. facility that serves as a model for better ways to develop a sustainable community, and the 226,000 sq. ft. expansion of the Chattanooga-Hamilton County Convention and Trade Center, which was completed in the spring of 2003. Together, these developments have made the downtown Chattanooga area a gathering place for night, family, and recreational activity. The implementation of the 21st Century Waterfront Plan will further highlight Chattanooga's ability to forge bold visions through aggressive implementation.

Along with its partners in the private sector and in County, State, and Federal government, the City has systematically and strategically invested in infrastructure, recruitment, and retention initiatives and technology. It has continued the process of reinventing the economy of the City in a way to meet the challenges of the 21st Century. As a result, 11,721 new jobs have been added since July 2003 which include 1,401 in fiscal 07-08.

Enterprise South, a top tier industrial park, was developed by the City and Hamilton County at the old Volunteer Army Ammunition Plant site. The City and County have funded this site which provides 1,200 acres for development surrounded by a 2,800-acre passive recreation area. The site is located within 2 miles of Interstate 75 interstate interchange. This is the largest block of land available within the city limits in several decades. Enterprise South, one of Tennessee's premier Mega sites, has infrastructure in place to support a wide range of manufacturing and industrial uses and boasts dual main line rail capacity. The entire site exceeds 6,000 acres, and efforts continue to acquire the remaining portions for industrial and recreational uses. To add momentum to this venture, strong partnerships have been forged with our state economic development team, the Chamber of Commerce, TVA, and other economic development entities.

In July 2008 Volkswagen Group of America, Inc. announced it will build a U.S. automotive production facility at a 1,350-acre site in Enterprise South, where it will produce a car designed specifically for the North American consumer and invest \$1 billion in the economy. The announcement is an important element of the company's overall U.S. strategy of connecting with its customers, increasing its competitiveness and tripling its U.S. customer base in the next decade. Initial production capacity for the facility is anticipated to be 150,000 vehicles, including a new midsize sedan designed specifically for the North American market. Production is scheduled to begin in early 2011. The new facility will bring about 2,000 direct jobs to the area, and will add a significant number of jobs in related sectors. It is expected that these jobs will come from the tri-state area, pulling from the labor force of Tennessee as well as Georgia and Alabama.

In order to take full advantage of the City's location and establish Chattanooga as a hub of the technology corridor, the City, County, and Congressman Wamp have caused the "Enterprise Center" to become an umbrella organization for oversight and accountability to 12 innovative, federally funded initiatives in order to enhance Chattanooga's placement in the technology corridor and the community's relationship with the world class research institutions throughout the region. They include initiatives such as: Advanced Transportation and Technology Institute; the Alliance for Secure Energy and Transportation; CARTA ITS Project; Connect the Valley; the Fuel Cell Project; the High Speed Rail Maglev initiative; the SimCenter; the Center for Entrepreneurial Growth; the Riverbend Technology Institute; and the New Economy Institute. The United States Department of Commerce announced that The Tennessee Valley Corridor was one of two regional alliances in the country to win the national award for Excellence in Regional Competitiveness in Economic Development. We share this award with the Research Triangle—great company for us to be in. The staff of the Enterprise Center is governed by a

nine member board and works closely with our Chamber of Commerce.

Other initiatives such as the Public Art, Outdoor Chattanooga and Homeless are designed to create public/private partnerships that improve the quality of life in Chattanooga making it truly a great 21st Century American City.

Public Art - Art in Public Places is a natural fit with the Chattanooga Parks and Recreation Department. Art in public places has strong civic support to grow and maintain its burgeoning collection. Chattanooga's art collection primarily resides on city property with many of the works in public parks and buildings. Chattanooga's Public Art initiative, encourages artistic expression, serves to educate the public, and promotes art apprectiation. The public art program was launched in 2001 as part of the 21st Century Waterfront Project. An unprecedented 1% of the waterfront budget (\$1.2 million) went towards public art. Additionally, the Mayor appointed a public art committee; and with partner Allied Arts of Greater Chattanooga, conducted a number of public forums. The forums resulted in the adoption by Chattanooga of a Public Art Plan, a plan that reflects a community vision for public art throughout the city. This vision and commitment continues today through an ordinance that allocates up to 1% of the City's capital improvement projects to public art.

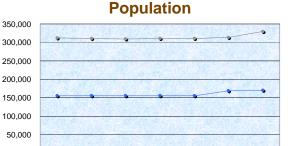

Finally, Hamilton Place Mall, Tennessee's largest, now in its nineteenth year of operation, remains a magnet for millions of people. The 1.1 million-square-foot mall has brought in many tourist and locals with a savvy mix of new and familiar stores, theme restaurants, and movie theaters. The success of the mall has quickly spilled across Gunbarrel Road and Interstate 75. The number of businesses and amount of traffic in the mall area has greatly increased over the past decade. CBL and Associates, the mall's owner and developer of major retail space nation wide, has completed development of a multi-acre site on the south perimeter of the mall. The site includes a new national headquarters office building and additional retail space.

The City's two biggest local revenue sources are sales and property taxes. The local option sales tax rate is 2.25 percent and the property tax rate is \$2.202 per \$100 assessed valuation.

Awards of Achievement

We are honored with the distinction of receiving, for the past sixteen years, the Certificate of Achievement for Excellence in Financial Reporting for Comprehensive Annual Financial Report (CAFR). The Fiscal Year 2008 CAFR is currently being submitted for review.

Also, for thirteen years we were honored with the distinction of receiving the Distinguished Budget Presentation Award.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device. The award is valid for a period of one year only. We believe our 2009 budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The New York Times (September 13, 2006) says, "NOT too small and not too big, Chattanooga is really the undiscovered gem of Tennessee, where old-school Southern manners and grand Victorian mansions meet

a thoroughly modern, eco-friendly Tennessee riverfront."

The City of Chattanooga has also been recognized by:

- U.S. News & World Report as one of the "Cities that Work."
- Family Fun Magazine as one of America's 10 most family-friendly cities to visit.
- Parade magazine as one of the "Reborn Cities".
- Utne Reader magazine as one of the 10 "Most Enlightened Cities".
- Walking Magazine as one of "America's Best Walking Cities".
- New York Times article entitled "Smaller U. S. Airports Are Increasingly Popular".
- Foreign Direct Investment in the April 2003 issue as an ideal environment for foreign companies looking to relocate or expand.
- Forbes Magazine says "technology makes Chattanooga great place for business"
- September 2008 issue of National Geographic's Adventure magazine includes Chattanooga among the "50 Next Great Towns" for living and playing.
- MSN Money calls Chattanooga a "New Hot Retirement Spot...where the amenities include hiking and biking trails, an aquarium and a thriving local arts scene".
- August 2008 issue of Outside Magazine calls Chattanooga one of the 20 Best Towns in America and ranks the Scenic City No. 2
- According to a 2008 listing by RelocateAmerica.com, Chattanooga landed thirdplace out of the top 100 places to live. nominated for its rich culture, beautiful landscapes and business opportunities.
- Chattanooga is one of the Top 10 Healthy Places in the Southeast for longevity and enjoying a productive retirement lifestyle, according to Retirement Lifestyles Magazine December2007/ January 2008 edition.
- Travel section of the July 2007 issue of Southern Living features Chattanooga as a traveler's delight. Titled Splashy River Town, the piece begins, "Chattanooga just keeps getting better. Ditch your car, and discover new surprises around every bend".

Policies & Procedures

Budget Procedures

The Charter of the City of Chattanooga designates the City Council as being the party responsible for the preparation and passage of the annual budget. This is found in Title 6, Finance & Taxation, Chapter III, Section. 6.80 and states:

Section. 6.80 Annual budget not to exceed estimated revenue except in cases of extraordinary emergencies. It shall be the duty of the City Council elected under this act to prepare and pass an annual budget each year. The budget for the ordinary and extraordinary expenses of said city for any one year shall not exceed the estimated amount of revenue to be collected for said year; and in no event shall there be appropriated by the Council any sum or sums in excess of the estimated revenues of said city, for the fiscal year in which said appropriation is made. Provided, however, said members of the Council may, in extraordinary emergencies such as floods, epidemics, or destructive fires, make appropriations in excess of the estimated revenue when the public health, safety, and welfare demand same.

The Management & Budget Analysis Section, a subsection of the Department of Finance, is the catalyst for the budget process for the City Council.

A brief description of the form of government the City of Chattanooga utilizes will be useful in more fully understanding the budget process. The City of Chattanooga operates under a Council/Mayor form of government, having changed from the Mayor/Commission form in 1990. The current organizational plan places legislative responsibility for municipal government in the City Council and gives administrative or executive authority to the Mayor. The Council levies taxes, enacts ordinances, adopts the annual budgets as well as performs other legislative functions. The Mayor, who is elected by the citizens of Chattanooga in an at-large vote, carries out the programs and policies approved by the City Council. In addition to advising the Council on policy and legislative matters, the Mayor also recommends the annual budgets and work programs.

The operating budget of the City is the single most important decision making document passed by the Council each year. This budget document passed each year must effectively accomplish several criteria as well as meet certain governmental budgeting standards. The Government Finance Officers Association has established

four (4) criteria that governmental budgets should meet:

A governmental budget should:

- (1) Be a policy document
- (2) Be an operating guide
- (3) Be a financial plan, and
- (4) Be a communications device

To insure these criteria are met, the Management & Budget Analysis Section of the City Finance Department prepares a budget calendar and budget policies to facilitate the decision-making process by providing overall direction to City departments. The budget calendar and the budget policies form the nucleus of the budget-making process for the City of Chattanooga. Following these two tools City Departments and Agencies develop their budget requests as well as their performance data to reflect the goals and objectives for the upcoming fiscal year.

The first budget procedure to be put into place is planning of the budget calendar and the budget policies by the City Finance Officer. In early February, the Budget Section, working under the direction of the Finance Officer, compiles draft copies of the proposed budget calendar as well as the proposed budget policies. When the Finance Officer is satisfied the proposals meet the needs of the Departments/ Agencies, they are presented to the Mayor for review. The Mayor can at this time add to or delete from either document. When his review is finished the Mayor then presents the finished products to the City Council for review and approval. The City Council can then change either document. This provides the guidelines needed by the Departments/Agencies to begin budget preparation for the upcoming fiscal year. After the City Council has adopted the budget calendar and the budget policies, the Mayor meets with his Department Administrators and Department Budget Personnel to distribute them. While the budget calendar and budget policies are being discussed, the Management & Budget Analysis Section is preparing the budget forms and supplementary data for distribution to the various Departments and Agencies. A budget request form is prepared for each activity within each department of city government. This budget request form, along with the supplementary data, provides the detailed expenditures of the prior fiscal year and the detailed expenditures for the current fiscal year-to-date. Each department/Agency is responsible for projecting its expenditures through the end of the fiscal year. Each increase requested in appropriations by a department or agency must be accompanied by a detailed justification. Once the departments receive these budget request forms, they are given a set time to return them to the City Finance Office, per the budget calendar. Detailed estimates are prepared of all anticipated revenues to the City from all sources. The Management & Budget Analysis Section prepares these revenue estimates working in conjunction with the various departments and outside agencies or governmental units who contribute funds to the City. The Revenue Budget Form contains data on the prior fiscal year, current year-to-date, a projection through the end of the fiscal year, and the amount estimated to be collected in the next fiscal year. These estimates are monitored throughout the budget-making process and changed as required, using updated data. When the Revenue Budget Form is completed, it is discussed in detail with the Mayor by the Finance Officer.

The departments and agencies are given a deadline to turn in their budget requests to the City Finance Office. During this time, their budgets are finalized by their budget personnel working closely with the Management & Budget Analyst assigned to their department. The goals and objectives of each activity are formalized, and the financial means to accomplish them are incorporated into their budgets. When presented to the City Finance Office, a department's budget consists of Budget Forms for each activity within the department, overlaid with a departmental summary form. The department's overall goals and objectives are stated here on the summary forms.

Once all Budget Forms for all departments and agencies are collected by the City Finance Office, the Management & Budget Analysts begin a review process. Budget documentation turned in by the departments should include a statement of proposed departmental goals and objectives, performance measures, an estimate on the status of performance at the end of the current year as well as traditional account line item expenditure requests and justification for maintaining current and expanded expenditure requests. The Budget Section reviews each budget request to insure compliance with the budget policies.

Then, budget sessions are held with department Administrators and budget personnel to discuss various issues and gain a thorough understanding of the budget requests. After meetings with the departments, the Budget Section is ready to balance the budget request to the estimated revenues. When this is accomplished, the balanced budget is presented to the Mayor for review. At this point the Mayor can add or delete items to the budget. When the Mayor is satisfied that the budget presented represents the goals and objectives of the City and the financial means of reaching those goals and objectives, he will present the balanced budget to the City Council at a

Budget and Finance Committee meeting.

The City Council begins a budget review of its own once it receives the balanced budget proposal. This is done through the Budget Committee, where numerous work sessions are held to examine all aspects of the proposal. Department Administrators are called in to explain differences in their current year budget and the proposed budget. Changes are made by the Council at their discretion. Finally, when the budget is agreed upon, a Budget Ordinance is written up by the Budget Section for passage by the City Council at a regularly scheduled meeting. In this Budget Ordinance, the City Council sets the Tax Rate for the next year to support the budget being submitted. The City Council holds public hearings on the budget proposal during the time the budget is first presented and when it is finally passed. The Budget Ordinance, like all City Ordinances, must pass three readings of the Council to become law.

The City of Chattanooga's budget process has evolved into a comprehensive system. The process is being constantly upgraded to provide the best tool possible for the departments and agencies to work with and to produce a budget document that is easy to read and follow and at the same time complex enough to allow for the many changes confronted by the City each year.

During May and June, the City Council hears budget requests from agencies and departments at its regularly scheduled meetings. Prior to July 1, the City adopts an interim budget appropriating funds for the usual and ordinary expenses of the City government in an amount not to exceed one-twelfth of the preceding fiscal year operating budget for each month that the interim budget is in effect. Subsequently, the budget is legally enacted through passage of an ordinance with an operative date of July 1. Upon adoption of the annual budget ordinance by the Council, it becomes the formal budget for City operations. After the budget ordinance is adopted, the council can increase the budget only if actual receipts exceed the estimated, or from accumulated surplus in the amount of an unexpended appropriation from the previous year. Budget control is maintained by recording encumbrances as purchase orders are written. Financial reports, which compare actual performance with the budget, are prepared monthly and presented to the Mayor. Open encumbrances are reported as reservations of fund balance at June 30. All unencumbered and unexpended appropriations lapse at year-end.

The City Finance Officer is authorized to transfer budgeted amounts within divisions within the General Fund, but the authorization does not apply to funds other than the General Fund.

Formal budgets are adopted for the General Fund, Debt Service Fund, all enterprise funds and for a majority of the Special Revenue Funds, including the State Street Aid Fund. These formal budgets are adopted on a departmental basis. Line item amounts from the budget preparation phase are booked on the appropriation ledger.

Budget Policies

Providing basic public services and facilities necessary to meet the current and future needs of its citizens are the City's highest priorities. Current basic public services are those services that would not be provided without public action, and future basic public services could not be provided without the proper planning necessary to provide them. Within this framework, the City prepares its Operating Budget each year.

The overall goal of the City's financial plan is to establish and maintain effective top quality management of the City's financial resources. By effectively managing these financial resources through sound budget policies and the monitoring of the results of these policies throughout the fiscal year, the City builds a framework for subsequent years. Because the City involves each Department/Division so heavily in the budget process, the policies serve as an excellent training guide, even for the budget novice. And because the City involves each Department/Division Administrator so heavily in the budget process, the finished product, i.e. the Budget Ordinance, serves as an excellent management tool for use in day to day decision making in the operation of a department. The Budget Ordinance also provides the basis of financial control to ensure compliance and prevent any overspending. Monthly reports comparing budgeted amounts to actual amounts are furnished to each department for review. These reports are also used to search for funding sources, or unexpended appropriations, needed if a departmental mission is adjusted in midyear.

The City's budget policies are written up each year by the Budget Section of the City Finance Administrator's Office. These proposed policies are reviewed by the Finance Officer and Deputy Officer to insure they contain all information known at that time to provide the desired results of the current year budget process. Working together, the Finance Officer, Deputy Finance Officer, Budget Officer and the budget staff insure that the budget policies to be presented for consideration by the Mayor and City Council do contain the means to provide the basic public services. Basic public services can be defined as those services that are

- essential to the health and safety of the City's citizens,
- necessary in order to avoid irreparable damage to City resources, and
- a service that the absence of which would make the City's quality of life generally unacceptable to its citizens.

After the budget policies have met the satisfaction of the Finance Officer and staff, the Finance Officer presents them to the Mayor. They undergo further review, additions, deletions, and changes by the Mayor based upon his personal

knowledge of the direction the City needs to be taking in conjunction with the Administrator's initiative. Once adopted, the budget policies are set in place to serve as the guide for the fiscal year.

The following section outlines the budget policies adopted by the City Council for use in preparation of the City's FY 08/09 Operating Budget:

Budget Requests for FY 09 will be submitted on a line item (Account) basis. All departments should present budget request 0% growth. The adopted FY2008 budget is the baseline. Flexibility is allowed in how this is achieved through a combination of salary and operating costs. Generally, any growth in funding for a particular line item must be fully justified and will be at the expense of some other line item, barring a specific revenue source generated to cover the additional expense.

Total Requests as shown on the budget spreadsheet is divided into two parts – the *Maintain Requests* and the *Additional Requests*. Any additional requests for a particular line item must be offset by a reduction in another line item to affect a zero base in total requests. Additional funding must be accompanied by narrative justification.

Maintain Requests will be based upon the Projected FY 07/08 expenditures less any one-time, non-recurring expenditures.

- Requests for one-time, unavoidable costs that are anticipated for FY 08/09 Budget will be included in the Additional Requests with justification.
- Requests for recurring unavoidable increases, including such items as street lighting, utilities, pension costs, health insurance, etc., will be included in the Maintain Budget Requests.

Personnel Issues:

a. Maintain Requests for Salaries & Wages will include all positions authorized at the current Pay Plan Amount. Any frozen or unfunded positions in current year should remain frozen unless swapped with another position to be frozen. The Finance Office will provide projections. Adjustments should be made for frozen positions.

- b. Maintain Requests will not include any requests for funding of additional personnel.
- c. Do not include funds for pay raises or pending reclassifications. All salary adjustments will be made by the Management & Budget Staff.
- d. Budget Requests for overtime must be from a zero base, consistent with overtime ordinances, and not justified by prior year experience only.
- e. If you plan to hire temporary workers, your budget estimate should include payroll taxes. Any hiring of contract employees must stand up to IRS scrutiny. Personnel has developed guidelines to assist in determining whether a person would be an employee or contract employee
- Temporary staffing should be budgeted under "Salaries & Wages."
- NO INCREASE IN POSITIONS OR POSITION RECLASSIFICATIONS WILL BE CONSIDERED IN THE 2008-2009 **BUDGET WITHOUT A CORRESPONDING** REDUCTION/RECLASSIFICATION IN EXISTING POSITIONS RESULTING IN THE SAME OR REDUCED COSTS TO THE CITY.
- h. Request for new and/or additional positions (including reclassifications) must be submitted to Personnel for review no later than Friday, February 15, 2008. The most up to date forms (JAQ, Classification Action Request) are available on the City's internet, intranet websites and by contacting Jean Smith at 757-4862.

Renewal & Replacement:

Budget Requests will include capital operating requirements to be funded from the amount appropriated for Renewal & Replacement of Equipment. Generally, a capital operating requirement has a useful life of less than 15 years and involves a cost less than \$25,000. Items with a longer useful life and greater cost will be included in the Capital Budget. We anticipate that the FY 08/09 budget will include funding for Renewal & Replacement in the amount of \$1,500,000.

All departments will include in each activity funds for vehicle repairs at City Garage. Parts will be billed by the Garage at a 25% mark-up. Vehicle maintenance cost expenses should take into consideration any additional leased vehicles. The current labor rate is \$65.00. The current price factor for fuel is \$2.90 per

gallon for unleaded gasoline and \$3.25 per gallon for diesel. During FY09, the fuel costs will fluctuate as the market rate changes.

Fringe Benefit costs are to be included in each Activity Request which has Personnel costs. These Fringe Benefit costs are:

> General Pension: 6.36% Fire & Police Pension: 23.56%

Blue Cross Healthcare premium net of employee contribution:

| | Gross Premium | Employee Cost | Net Employer Cost |

Please return updated Descriptions and Goals & Objectives information with the budget submission on March 13, 2008. Performance Measures are due back June 30, 2008

- 2. Use of the city's garage services is mandatory for applicable procedures/services unless specific approval of the Mayor is obtained in advance.
- 3. The budget submission will not be complete or considered if Descriptions, Goals & Objectives are not submitted timely as they will become part of the decision making process for budget approval in FY09.
- 4. Total Budget request information for FY09 is due back to the Budget Office by Monday, March 3, 2008.

Revenue Policies

The City of Chattanooga's revenue programs are administered by the Management & Budget Section of the Department of Finance & Administration. The Budget Section adheres to long-standing principles which insure stability and financial health. The cornerstone of these principles followed by the City is an air of conservatism. The City never has, and never will, intentionally overestimate a revenue source merely to fund a project or additional personnel. The revenue policies of the City remain fairly constant from year to year, changing to include new revenue sources and an extension of the tax base when appropriate. These revenue policies give a good insight into the reasoning being considered by the City at budget time. The policies themselves reflect the conservative approach used by the City.

Revenue policies of the City include, but are not limited to the following:

The City will maintain effective collection systems and implement aggressive enforcement strategies to maximize revenues from all sources.

The City will attempt to maintain a diversified revenue base, which will not emphasize any one revenue source.

The City will attempt to maintain a revenue system which will encourage development of alternative revenue sources.

The City will continually monitor the local tax effort, such as Property Tax and Sales Tax, and compare it with other cities of comparable size.

The City will maintain a broad revenue base; that is, a

large number of widely diversified revenue sources will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will follow a conservative approach in the projection of revenues so that actual revenues at year end will consistently equal or exceed budgeted amounts.

The City will actively seek Federal and State grants and insure a fair proportion is received.

The City will review all user fees and licenses annually, adjust these fees and licenses when appropriate, and establish new fees and licenses when necessary.

The City will establish all user charges and fees at a level related to the full cost of providing the operating, direct, indirect, and capital services.

The City will limit the designation of General Fund revenues for specified purposes in order to maximize flexibility and utilize revenues more efficiently.

The City will continue to maintain its low Debt Ratio in providing funding through general obligation bond sales.

Cash Management & Investment Policy

- **1.0 Policy** It is the policy of the City of Chattanooga to invest public funds in a manner which will maximize investment return with maximum security while meeting the daily cash flow demands of the City and conforming to all state and local statutes governing the investment of public funds. The City Treasurer is authorized to manage the investments described herein.
- **2.0 Scope** This investment policy applies to all financial resources of the City of Chattanooga, other than funds of The City of Chattanooga General Pension Plan and The City of Chattanooga Fire and Police Pension Plan, managed by a board of trustees or contractual managers; Deferred Compensation Plan funds managed externally; and such funds excluded by law, bond indenture or other Council-approved covenant.

These funds are accounted for by the City's Finance Division, as represented in the City of Chattanooga Comprehensive Annual Financial Report and include:

2.1 Funds

- (1) General Funds
- (2) Special Revenue Funds
- (3) Debt Service Fund (unless prohibited by bond indentures)
- (4) Capital Project Funds
- (5) Enterprise Funds
- (6) Any new fund created by the City Council, unless specifically exempted.

Funds held by the Hamilton County Finance Department during tax collection period shall be governed by the County's investment policies, and are not subject to the provisions of this policy.

- **3.0 Prudence** The standard of prudence to be used by investment personnel shall be the "Prudent Investor Rule" and will be in the context of managing an overall portfolio: "Investments shall be made with judgment and care-under circumstances then prevailing-which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived." Investment officials meeting this standard will be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.
- 4.0 Investment Objectives. The primary objectives, in priority order, of the City of Chattanooga's investment activities shall be as follows:
 - **4.1 Safety**. Safety of principal is the foremost objective of the investment program. Investments of the City of Chattanooga shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversity is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
 - **4.2 Liquidity**. The City of Chattanooga's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be reasonably anticipated.
 - 4.3 Return on Investment. The City of Chattanooga's investment portfolio shall be designed with the objective of attaining a

market rate of return throughout budgetary and economic cycles, commensurate with the City's investment risk constraints and cash flow characteristics of the portfolio.

- **4.4 Local Institutions**. Local institutions shall be given preference when they are, in the judgment of the Treasurer, competitive with other institutions.
- 5.0 Delegation of Authority. Chattanooga City Charter 6.1 Empowers the Mayor, Finance Officer, and Treasurer with the investment responsibility for the City. There is created within the Department of Finance, a Treasury Division. The Treasurer is responsible for day-to-day investment decisions and activities and the development and maintenance of written procedures for the operation of the investment program, consistent with these policies.

Procedures should include reference to: safekeeping, SPA repurchase agreements, wire transfer agreements, banking service contracts and collateral/depository agreements. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Finance Officer. The Treasurer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials.

The Treasurer shall report on investment activities to the Mayor and Finance Officer at agreed-upon intervals. The Treasurer will train other investment personnel to assist and provide relief in the day-to-day placement of investments.

6.0 Ethics and Conflicts of Interest.

Any person involved in the investment process shall refrain from personal business activities which could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Investment personnel shall disclose to the Mayor any material financial interests in financial institutions that conduct business within this jurisdiction, and they shall further disclose any large personal financial/investment position that could be related to the performance of the City of Chattanooga, particularly with regard to the time of purchases and sales.

Bonding of all staff involved in the investment process shall be required, and such bonding requirements shall apply to those individuals authorized to place orders to purchase or sell investment instruments.

7.0 Authorized Financial Dealers and Institutions.

The Treasurer will maintain a list of financial institutions authorized to provide investment services. In addition, a list will also be maintained of approved security broker/dealers selected by credit worthiness who are authorized to provide investment services in the State of Tennessee. These may include "primary dealers" or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1 (uniform net capital rule). No public deposit shall be made except in a qualified public depository as established by the laws of the State of Tennessee.

All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the Treasurer with the following:

- (1) Audited financial statements
- (2) Proof of National Association of Security Dealers certification.
- (3) Trading resolution
- (4) Proof of State of Tennessee registration
- (5) Completed broker/dealer questionnaire
- (6) Certification of having read the City of Chattanooga's investment policy and depository contracts.

An annual review of the financial condition and registrations of qualified bidders will be conducted by the Treasurer.

A current audited financial statement is required to be on file for each financial institution and broker/dealer in which the city of Chattanooga invests.

8.0 Authorized and Suitable Investments.

Except for pension trust funds, the City of Chattanooga shall limit its investments to those allowed by the Tennessee Code Annotated 6-56-106, which states:

"In order to provide a safe temporary medium for investment of idle funds, municipalities are authorized to invest in the following:

- (1) Bonds, Notes or Treasury Bills of the United States;
- (2) Non-convertible debt securities of the following issues:
 - (A) The Federal Home Loan Bank;
 - (B) The National Mortgage Association;
 - (C) The Federal Farm Credit Bank; and
 - (D) The Student Loan Marketing Association;
- (3) Any other obligations not listed above which are guaranteed as to principal and interest by the United States or any of its agencies;
- (4) Certificates of deposit and other evidences of deposit at state and federal chartered banks and savings and loan associations.
- (5) Obligations of the United States or its agencies.
- (6) The Tennessee Local Government Investment Pool
- (7) Repurchase Agreements (provided a Master repurchase agreement has been executed and approved by the state director of local finance, such investments are made in accordance with procedures established by the state

funding board)"

8.1 Securities Not Eligible As Investments For Public Funds In The State Of Tennessee:

- (1) Corporate Bonds
- (2) Corporate Stocks
- (3) Foreign Government Obligations
- (4) Futures Contracts
- (5) Investments in Commodities
- (6) Real Estate
- (7) Limited Partnerships
- (8) Negotiable Certificates of Deposit

8.2 Reverse Repurchase Agreements.

The City of Chattanooga will not engage in using Reverse Repurchase Agreements. "Leveraging" is not an acceptable strategy for the City.

- **8.3 Risk.** The City's investing maxim is that public funds should never be put at market risk.
- **9.0 Investment Pool.** A thorough investigation of the pool/fund is required prior to investing, and on a continual basis. There shall be a questionnaire developed which will answer the following questions:
- (1) A description of eligible investment securities, and a written statement of investment policy.
- (2) A description of interest calculations and how it is distributed and how gains and losses are treated.
- (3) A description of how the securities are safeguarded (including the settlement processes), and how often the securities are priced and the program audited.
- (4) A description of who may invest in the program, how often, what size deposit and withdrawal.
- (5) A schedule for receiving statements and portfolio listings.
- (6) Are reserves, retained earnings, etc. utilized by the pool/fund?
- (7) A fee schedule, and when and how it is assessed.
- (8) Is the pool/fund eligible for bond proceeds and/or will it accept such proceeds?
- **10.0 Collateralization.** All certificates of deposit and repurchase agreements will be collateralized. The collateral pledge level to be used by each Collateral Pool participant to arrive at their pledge target may be determined on a percentage basis using the following factors:
- (1) If the Total Collateral Pool participants hold an aggregate of less than thirty percent (30%) of the total sum of deposits held in the State of

- Tennessee by financial institutions, the collateral pledging level shall equal two hundred percent (200%).
- (2) If the Total Collateral Pool participants hold an aggregate of thirty percent (30%) or more of the total sum of deposits held in the State of Tennessee by financial institutions, the collateral pledging level shall equal one hundred fifteen percent (115%).
- (3) However, the collateral pledging level will be one hundred percent (100%) for any participant whose bank rating is equal to or greater than twenty-five (25) as determined from the most recent quarterly report published by Sheshunoff Information Services, Inc. (bank president's national peer group weighted rating). The collateral pledge level will be ninety percent (90%) if the participant meets the requirement in Rule 1700-4-1-.04(1)(b).

Each pool participant is required to maintain, at a minimum, pledged collateral with a minimum market value of one hundred thousand dollars (\$100,000).

Custodial Agreement: Collateral will always be held by an independent third party with whom the city has a current custodial agreement. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained. All financial institutions doing business with the City are required to sign a Bond and Deposit Agreement with the City and it will be updated annually. The right of collateral substitution is granted.

- 11.0 Safekeeping and Custody. All security transactions, including collateral for repurchase agreements, entered into by the City shall be conducted on a Delivery-Versus-Payment (DVP) basis. Securities will be held by a third party custodian designated by the Treasurer and evidenced by safekeeping receipts.
- 12.0 Diversification. The City will diversify its investments by security type and institution. With the exception of U.S. Treasury securities and the Tennessee State Local Government Investment Pool, to the extent reasonably practical, given the City's policy (section 1.0) and investment objectives (sections 4.0 through 4.4), no more than 50% of the City's total investment portfolio will be invested in a single security type or with a single financial institution.

13.0 Maximum Securities. To the extent possible, the City will attempt to match its investments with anticipated cash flow requirements. Under current City policy, unless matched to a specific cash flow, the City will not directly invest in securities maturing more than two (2) years from date of purchase. However, the City may collateralize its repurchase agreements using longer dated investments not to exceed five (5) years to maturity.

Reserve funds may be invested in securities exceeding two (2) years if the maturity of such investments are made to coincide as nearly as practicable with the expected use of the funds.

14.0 Internal Control

The Treasurer shall establish an annual process of independent review by an external auditor. The review will provide internal controls by assuring compliance with policies and procedures.

- 15.0 Performance Standards. The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.
 - 15.1 Market Yield (Benchmark): The City's investment strategy is passive. Basically, the passive approach to investing involves buyingand holding purchases until maturity. Given this strategy, the basis used by the Treasurer to determine how the portfolio's market average rate of return compares to market yields shall be the six-month U.S. Treasury Bill and the average Federal Funds Rate.
- **16.0 Reporting**. The Treasurer is responsible for preparing a quarterly investment report to the Mayor and Finance Officer which will provide a clear picture of the status of the current investment portfolio. The management report should include comments on the fixed income markets and economic conditions, discussions regarding restrictions on percentage of investment by categories, possible changes in the portfolio structure going forward and thoughts on investment strategies.

Schedules in the quarterly report should include the

- (1) A listing of individual securities held at the end of the reporting period by authorized investment category, and financial institutions
- (2) Average life and final maturity of all investments listed
- (3) Coupon, discount or earnings rate
- (4) Par value, Amortized Book Value and Market Value
- (5) Percentage of the Portfolio represented by each investment category

17.0 Investment Policy Adoption: The City of Chattanooga's Investment policy shall be adopted by resolution of the City Council. The policy shall be reviewed on an annual basis by the Finance Officer and Treasurer and any modifications made thereto must be approved by the City Council.

Debt Policies

The City will maintain a bond retirement fund reserve which is equivalent to the amount of debt service due on tax-supported General Obligation Bonds in the next fiscal year.

The City will not issue notes to finance operating deficits.

The City will issue bonds for capital improvements and moral obligations.

The City will publish and distribute an official statement for each bond and note issue.

The City has formally adopted a new policy effective October 31, 2006.

Reserve Policies

The City will maintain a minimum revenue reserve in the General Operating Fund which represents between 18-20% of the fund's expenditures.

Accounting, Auditing, and Financial Reporting Policies

An independent audit will be performed annually.

The City will produce annual financial reports in accordance with Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board.

The City will maintain a strong internal audit capability.

Capital Budget Policies

The City shall invest a percentage of its general operating funds to finance ongoing infrastructure maintenance, repair and replacement programs, and to implement approved plans that foster economic and neighborhood development each year.

The City will develop a multi-year plan for ongoing capital improvements, update it annually, and make all capital improvements in accordance with the plan. Funding of repair and replacement schedule projects will have funding priority before discretionary capital projects.

Capital improvement projects which violate the principles and concepts of an adopted City plan or which duplicate other public and/ or private services will not be considered.

The City Council will use the following criteria to evaluate the relative merit of each capital project:

Projects which will increase property values in a neighborhood, residential or business district; Projects identified by a priority board or a department as important; Projects which will directly benefit a community development area of the City; Projects which are part of a multi-year funding commitment; Projects which are an element of an approved master plan adopted by City Council; Projects which result in the creation of permanent jobs and/or generate additional net revenue to the city; Projects specifically included in an approved replacement schedule.

Legal Requirements

In 1982 the Tennessee General Assembly passed what has become known as the "Municipal Budget Law of 1982." This law was incorporated into the Tennessee Code Annotated under Section 6-56. The following excerpts are from Tennessee Code Annotated 1992 Replacement and provide the state requirements for municipal budgets.

6-56-203. Annual Budget Ordinance. The governing body of each municipality shall adopt and operate under an annual budget ordinance. The budget ordinance shall present a financial plan for the ensuing fiscal year, including at least the following information:

(1) Estimates of proposed expenditures for each department, board, office or other agency of the municipality, showing in addition, the expenditures for corresponding items for the last preceding fiscal year, projected expenditures for the current fiscal year and reasons for recommended departures from the current appropriation pattern in such detail as may be prescribed by the governing body. It is the intent of this subdivision that except for moneys expended pursuant to a project ordinance or accounted for in a proprietary type fund

or a fiduciary type fund which are excluded from the budget ordinance, all moneys received and expended by a municipality shall be included in a budget ordinance. Therefore, notwithstanding any other provision of law, no municipality may expend any moneys regardless of their source (including moneys derived from bond and long-term note proceeds, federal, state or private grants or loans, or special assessments), except in accordance with a budget ordinance adopted under this section or through a proprietary type fund or a fiduciary type fund properly excluded from the budget ordinance;

- (2) statements of the bonded and other indebtedness of the municipality, including the debt redemption and interest requirements, the debt authorized and unissued, and the condition of the sinking fund;
- (3) estimates of anticipated revenues of the municipality from all sources including current and delinquent taxes, nontax revenues and proceeds from the sale of any bonds or longterm notes with a comparative statement of the amounts received by the municipality from each of such source for the last preceding fiscal year, the current fiscal year, and the coming fiscal year in such detail as may be prescribed by the governing body;
- (4) a statement of the estimated fund balance or deficit, as of the end of the current fiscal year;
- (5) a statement of pending capital projects and proposed new capital projects, relating to respective amounts proposed to be raised therefore by appropriations in the budget and the respective amounts, if any, proposed to be raised therefore by the issuance of bonds during the fiscal year; and
- (6) such other supporting schedules as the governing body deems necessary, or otherwise required by law.

The City Code of the City of Chattanooga also provides requirements for a budget. Following is an excerpt from Chapter III, Chattanooga City Code:

Sect. 6.80. Annual Budget not to exceed estimated revenue except in cases of extraordinary emergencies. It shall be the duty of the City Council elected under this act to prepare and pass an annual budget each year. The budget for the ordinary and extraordinary expenses of said city for any one year shall not exceed the estimated amount of revenue to be collected for said year; and in no event shall there be appropriated by the City Council any sum or sums in excess of the estimated revenues of said City, for the fiscal year in which said appropriation is made. Provided, however, said City Council may, in extraordinary emergencies such as floods, epidemics, or destructive fires, make appropriations in excess of the estimated revenue when the public health, safety, and welfare demand same.

ORDINANCE NO. 12139

AN ORDINANCE, HEREINAFTER ALSO KNOWN AS "THE FISCAL YEAR 2008-2009 BUDGET ORDINANCE", TO PROVIDE REVENUE FOR THE FISCAL YEAR BEGINNING JULY 1, 2008, AND ENDING JUNE 30, 2009, AND APPROPRIATING SAME TO THE PAYMENT OF EXPENSES OF THE MUNICIPAL GOVERNMENT; FIXING THE RATE OF TAXATION ON ALL TAXABLE PROPERTY IN THE CITY, AND THE TIME TAXES AND PRIVILEGES ARE DUE, HOW THEY SHALL BE PAID, WHEN THEY SHALL BECOME DELINQUENT; PROVIDING FOR INTEREST AND PENALTY ON DELINQUENT TAXES AND PRIVILEGES.

WHEREAS, it is necessary to base the appropriations to the various departments of the Municipal Government on the above estimated revenues:

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHATTANOOGA, TENNESSEE:

SECTION 1. That for the purpose of raising revenue to operate the various departments, agencies, boards, commissions, offices, divisions or branches of the Municipal Government, and to pay the interest on and retire bonds of said City as they mature, there be and is hereby levied upon all taxable property within the City of Chattanooga, Tennessee, a tax for the year 2008 at a rate of \$2.202 upon every \$100.00 in assessed value of such taxable property; and to the extent applicable there is also levied a tax at the same rate upon every \$100.00 of Merchant and other Ad Valorem within the corporate limits of the City of Chattanooga, Tennessee.

<u>SECTION 2</u>. That the assessment made by the Assessor of Property of Hamilton County, Tennessee, and by the Tennessee Regulatory Agency for 2008 on all property located within the Corporate limits of the City of Chattanooga, Tennessee, be and is hereby adopted as the assessments of the City of Chattanooga.

SECTION 3. That the taxes herein levied on all taxable property within the corporate limits of the City of Chattanooga shall be due and payable at the office of the City Treasurer and Tax Collector OCTOBER 1, 2008, and shall become delinquent MARCH 1, 2009, after which date unpaid taxes shall bear interest at twelve percent (12%) per annum, and a penalty of six percent (6%) per annum, plus other penalties as provided by law, which shall be paid by the taxpayer; provided, that except for taxpayers receiving tax relief under T.C.A. Sections 67-5-702 through 67-5-705.

SECTION 4. That the provisions of the Business Tax Act, Tennessee Code Annotated section 67-4-701, et seq., relative to the authorization of local taxes upon the privilege of engaging in certain types of business activities be and are hereby adopted by reference, and there is hereby levied a Business Tax on all businesses taxable by municipalities under Chapter 387, Public Acts of 1971, as amended, at the maximum rates specified therein. The City Treasurer is authorized and directed to collect such taxes as are authorized by said Act to be collected by the City of Chattanooga, a municipality, together with such interest and penalties as may become due thereon, at the maximum rate provided by law. In addition to said taxes, the City Treasurer is hereby authorized and directed to collect a fee of Five and 00/100 Dollars (\$5.00) upon the issuance of any privilege license under said Business Tax Act and also upon receipt of each payment of the Gross Receipts tax authorized by said Act, except that this fee may not be charged persons paying the annual minimum tax under the provisions of Part 7, Chapter 4, Title

67, of the Tennessee Code Annotated, if paid on the same date as the respective and related return is filed.

SECTION 5. That the budgets of the various departments, agencies, boards, commissions, offices, divisions, or branches of Municipal Government for the fiscal year beginning July 1, 2008, are fixed as hereafter set out; and the amount so fixed for each is hereby appropriated out of the estimated revenue for said year for the use of that department, agency, board, commission, office, division, branch of government, to-wit:

SECTION 5(a). GENERAL GOVERNMENT & SUPPORTED AGENCIES. The initials "A.O." as they appear in this Section, or elsewhere in the Ordinance, shall mean "Appropriation Only" which is hereby defined to mean that the amount as is shown being appropriated is only the appropriation of the City toward the total budget of such department, agency, board, commission, office or division or branch of government and is not to be construed to mean that such amount is its total budget or appropriation. The initials "A.S.F." as they appear in this Section, or elsewhere in this Ordinance, shall mean "Appropriation to Special Fund" which is hereby defined to mean that the amount as is shown being appropriated is to a Special Fund that will not revert to the General Fund at the end of the fiscal year. The amounts shown as appropriations to the Chattanooga Hamilton County Bicentennial Library and the Regional Planning Agency shall be contingent upon an equal amount being appropriated by Hamilton County.

SECTION 6(b). That there be and is hereby authorized the appropriation of all collections and fund balances to the respective funds, other than the General Fund, to be expended for the general public purposes as indicated.

SECTION 6(c). The City, or its designee, shall have the authority to impose and collect reasonable fees related to the administration of the Chattanooga Renewal Community Initiative including, but not limited to, a fee for applications for the Commercial Revitalization Deduction program as established under the Community Renewal Tax Relief Act of 2000 and the Tennessee Department of Economic and Community Development Qualified Allocation Plan.

SECTION 7(a). That all persons under the "City of Chattanooga Classification and Pay System" and covered by the "Pay Plans" on the effective date of this Ordinance shall receive pay within the appropriate range as designed in the City's Pay Plan. The Mayor shall authorize pay for all persons not within the "City of Chattanooga Classification System" and not covered by the "Pay Plan".

SECTION 7(a)(1). In addition to the minimum rate of pay established in the Classification Plan, a rate of pay less than the minimum of the designated pay range may be assigned to the newly employed or promoted incumbent for a specified period of time. This pay shall be identified as "probation pay". Provided, however, that no full time City employee shall be paid less than the prevailing poverty rate, except for those employees whose pay is governed by federal formula.

SECTION 7(a)(2). Any person employed on a temporary basis in positions authorized within the Classification Plan shall be paid at a rate not more than the minimum of the position's pay range. As provided in the Chattanooga City Code, Part II, temporary employment shall not exceed a period of six (6) months on any occasion.

SECTION 7(a)(3). In addition to positions provided for hereinafter, known as positions within the "City of Chattanooga Classification System", which includes only permanent full time positions, the City recognizes and authorizes the following types of designation of positions as exempt from the Classification System: Permanent Part-Time, Temporary Part-Time, Permanent Daily, Permanent Full-Time Elected Officials, and Temporary Full-Time.

SECTION 7(b). That except as otherwise provided, the positions specified hereinafter are hereby authorized at the pay ranges or maximum amounts and upon the terms hereinafter specified.

<u>SECTION 7(b)(1)</u>. In order to achieve the efficiencies in personnel assignments, the Mayor is hereby authorized to realign, reclassify or otherwise change positions within the total number of funded positions provided for.

SECTION 7(c). This ordinance further provides longevity bonus pay for permanent, full time classified service employees who have five (5) or more years of continuous service as of November 30, 2008. The longevity pay shall be fifty dollars (\$50.00) for each full year of continuous service up to a maximum of thirty (30) years or fifteen hundred dollars (\$1,500). Employees terminated prior to November 30, 2008 shall not qualify for the longevity bonus pay.

SECTION 8. That all salaries and wages and other expenditures shall be paid only upon the authorization of the official who has the responsibility of expending the appropriation against which the salaries or wages or other expenditures are charged, pursuant to Private Acts of 1953, Chapter 105, Section 2 (4). That all funds appropriated in this Ordinance for payment of salaries and/or wages shall be spent for salaries and wages only unless proper authorization is given to do otherwise.

SECTION 9. That the City Finance Officer is authorized to pay the payroll and/or costs of personal services, whether on the payroll, voucher or otherwise, of the Air Pollution Control Bureau, Chattanooga-Hamilton County Bicentennial Library, Chattanooga-Hamilton County Regional Planning Agency, Special Counsels and personnel of the Office of the City Attorney, Human Services Department, Scenic Cities Beautiful, Golf Courses, and any other department, agency, board, commission, office, division, or branch of Municipal Government heretofore or hereafter established, notwithstanding that same is not specified hereinbefore, as certified to him by the respective administrative official.

SECTION 9(a). That the City Finance Officer is authorized to pay a uniform and equipment maintenance allowance of five hundred dollars (\$500.00) for all sworn police officers and firefighters as of July 1, 2008, except for those new employees who have received from the city a new uniform since July 1, 2007. Further, the City Finance Officer is authorized to pay a supplemental tool allowance of two hundred dollars (\$200.00) for certain employees as set forth in Resolution No. 18381, dated December 5, 1989, as amended; and is authorized to pay a supplemental uniform allowance of two hundred fifty dollars

(\$250.00) for City Court Officers. It shall be the duty of employees receiving these supplements to use the funds for the specified purpose and retain receipts to that effect.

<u>SECTION 9(b)</u>. That the City Finance Officer is authorized to match the total salaries of all participants in the Fire and Police Pension Fund with a contribution from the General Fund not to exceed twenty three and thirteen one hundredth percent (23.13%).

<u>SECTION 9(c)</u>. That the City Finance Officer is authorized to contribute to the General Pension Plan an amount equal to six and thirty-one one hundredth percent (6.31%) of all participants' salaries as specified in the most recent actuarial study.

<u>SECTION 9(d)</u>. That the City Finance Officer is authorized to pay the following Union Pension Plan the specified amounts per participation agreements

Central Pension Fund

\$1.30 per hour

<u>SECTION 10</u>. That the City Finance Officer is authorized to reimburse officials and employees for use of personal vehicles on official business at the current rate per mile recognized and established by the Internal Revenue Service.

<u>SECTION 11</u>. That for employees currently receiving a monthly allowance of four hundred dollars (\$400.00) per person in-lieu of a take-home government vehicle shall continue to receive same for as long as such employee holds his or her current position. Additional employees may receive this allowance only with approval of the Mayor and passage of an ordinance by the City Council.

SECTION 12. That for employees called to active duty during a National Emergency such as, but not limited to, the War on Terrorism or an Iraq Conflict, shall be paid the difference that their City pay exceeds their total military base pay, up to \$850.00 per month, from the time called to active duty until relieved from active duty status or until June 30, 2009, whichever occurs first. Payments beyond the current fiscal year shall be subject to future appropriations by City Council. The City Finance Officer be and is authorized to appropriate the necessary money from other available funds. The difference in pay shall be calculated without regard to any payment of combat pay.

Further, with the concurrence of the General Pension Fund and the Fire and Police Pension Fund, or any union fund participation agreement, the City shall pay such contributions necessary, both the employee's and the employer's share, based on their pension-eligible salary at the time of call-up (not counting over-time pay) to ensure the continued enrollment and pension-eligibility of employees while called-up for this National Emergency for the same period as referenced above. In this manner, the affected employees shall not be penalized nor incur financial hardship as relates to their pension eligibility.

If the City's medical insurance provider will extend medical coverage to families affected by the call-up of reservists in response to the current National Emergency beyond the customary six (6) month period, the

City shall pay the employers share of the premium for any employee called-up to active duty. The employee's share of the coverage shall remain the responsibility of the employee and may be paid in the most convenient method by the employee. During the time of active duty, the employee may request the City to make such payments on his/her behalf and reconcile the amounts paid upon his/her return to City employment.

SECTION 13. Copying Fees. Whenever a request is made, by a member of the public, for copies of City records, a fee of One Dollar (\$1.00) per page is hereby levied and shall be paid by the requesting party in order to defray the City's costs.

SECTION 14. That pursuant to the Charter, it shall be unlawful for any department, agency, or branch of the Government to expend any money other than the purpose for which it was appropriated, nor shall the expenditures for a purpose exceed the appropriation for said purpose.

SECTION 15. If at any time the actual receipt of revenues is projected to be less than the estimated revenues, it shall be the duty of the Mayor to forthwith initiate an ordinance amending this budget ordinance so as to appropriately reduce or otherwise change the various appropriations made herein which, in the judgment of the City Council, should be made.

<u>SECTION 16.</u> That the City Finance Officer be and is hereby authorized to transfer credits from one account to another account within or between the accounts of the various agencies and divisions of government and the various departments of the City as may be necessary to meet expenditures for the fiscal year 2008-2009, but this authorization shall not apply to Special Funds.

SECTION 17. In addition to FY09 appropriations for current year expenditures, funds shall be appropriated to meet obligations carried forward from prior year open purchase order balances in each fund. Such appropriation shall be from the fund balance of each respective fund.

SECTION 18. That this Ordinance shall be operative, as distinguished from its effective date, on and after July 1, 2008.

SECTION 19. That if any section, sentence, word or figures contained in this Ordinance should be declared invalid by a final decree of a Court of competent jurisdiction, such holding shall not affect the remaining sentences, sections, words or figures contained in this Ordinance, but the same shall remain in full force and effect.

SECTION 20. That this Ordinance shall take effect two (2) weeks from and after its passage.

Fund Balance/Net Asset Summary

During the past five years the City of Chattanooga has seen a total net decrease in its Governmental Fund Balances of \$18.1 million. This is due to the reduction in the fund balance for the Capital Funds. Fund Balances for the General, Special Revenues, Debt Service, Fiduciary, Enterprise, and Internal Service Funds have increased during this period.

Fund Balance/Net Asset Summary

The General Fund Balance was \$47,450,200 in 2005. This has grown to a current unaudited balance of \$51,810,330 for FY08. This has been accomplished through sound fiscal management, increasing tax revenues and investment income.

The Special Revenue Fund Balance increased from a balance of \$10,123,928 in 2005 to a 2009 unaudited beginning balance of \$11,031,403. Fund balance has remained relatively constant since fiscal year 2004 with a slight uptick over the last two years. When Hamilton County residents voted for the half-cent sales tax, no City portion was required to be collected and remitted to the County School System. The remaining funds are dedicated to economic development supported capital and the payments for the retirement of the Lease Rental Revenue Bonds.

Debt Service Fund Balance was \$6,471,929 in FY05, increasing to \$8,925,004 (unaudited) at the beginning of FY09. During FY07, debt service fund balance increased due to budgeting for the anticipated new debt to cover the FY06 and FY07 Capital Budgets. This bond transaction was delayed until December 2006, thus requiring only one interest payment during FY07. Also in early 2007 the City refunded \$17.7M of the outstanding General Obligation Series 2001.

The Capital Fund Balance has fluctuated most during the past few years. This is primarily due to the City's 21st Century Waterfront capital plan, which was substantially completed in FY07. Since FY05, the balance has increased only 2.2% from \$16,559,134 to an unaudited \$16,927,956 at the beginning of FY09.

The growth of the Net Assets within the Enterprise Funds (excluding the Electric Power Board) has been most dramatic. Net Assets of \$245,445,654 in 2005 have increased to a 2008 unaudited balance of \$261,841,079. For more than ten years, the City was subject to federal mandates relative to water quality and landfill operations which necessitated the imposition of a water quality fee and increased landfill rates to fund such mandates. In FY06 there was no change in rate, but prior to that, there were increases in sewer rates from FY03 to FY05 ranging from 2.54% to 7.29%. In FY07 an increase of 15.5% was applied, and for FY08 and FY09 a 6% increase will be phased in at 3% in October and 3% in April of each respective year.

The Internal Service Fund Balance was \$35,076 in 2005. At the beginning of 2009, these funds are projected to have an unaudited Fund Balance of \$15,546,564. This change reflects the capital recovery portion of the Fleet Leasing Program, with the capital requirements for vehicle replacement factored into the current lease rate. This fund is not intended to generate profits.

The chart on the previous page plots the year-to-year changes in Fund Balances for the governmental fund types in the City of Chattanooga. The subsequent Fund Balance schedules are inclusive of all reported funds found in and outside of the budget ordinance, while the departmental sections present only funds which are accounted for in the budget ordinance.

Undesignated General Fund

Revenues 2009 \$170,070,000

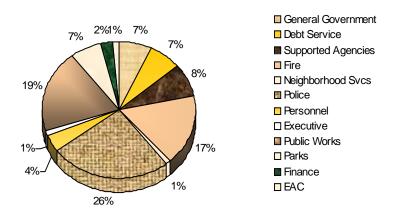

Fund Structure

The Undesignated General Fund accounts for all financial resources applicable to the general operations of city government which are not accounted for in another fund. This fund is the only unrestricted fund of a government unit. The basis of budgeting is modified accrual. Undesignated general fund operations budget is \$170,070,000. The charts on this page relate to the undesignated general fund operations. In FY 2009, the budgeted revenue and expenses are \$199,970,138. Included are designated general government operations totaling \$29,900,138, the largest of which is the Economic Development Fund with a budget of \$11,465,273.

The major revenues of the general fund include: property taxes; other local taxes; licenses and permits; fines, forfeitures, and penalties; investment income; revenue from other agencies; and services charges. Departments of the General Fund include:

Revenues

The proposed Budget for FY 2009 shows a decrease of \$8,430,840 or 4.7%. The decrease is due to the exclusion of the FY09 proposed capital amendment. When compared to FY 08, excluding \$12,058,840 revenue from Fund Balance for capital, there is an increase in Estimated Revenues of \$3,628,000 or 2.2%. This increase in Estimated Revenues for FY 2009 can be largely attributed to increased property tax revenues. Current property tax is estimated to increase \$2,000,000 or 2.68%, Gross Receipts are expected to increase by \$152,607 or 4.03%, and Franchise Taxes are expected to increase \$196,450 or 11.3% for the City in FY 2009.

The chart shows the General Fund Revenues by Source for the fiscal years 2005 thru 2009.

General Fund Revenues by Source

Property Taxes

FY 2009 Estimate: \$93,827,522 % of General Fund: 55.17% Growth From FY 08: 2,451,163 % Change: 2.7%

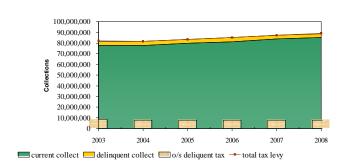

Current Real Property Taxes remain the primary source of funds for the City of Chattanooga, with the FY 2009 estimate of \$87,100,000 representing 51.21% of the total undesignated General Fund Budget. All property tax estimates inclusive of delinquencies and in lieu of tax payments total \$93,827,522 or 55.17% of the total undesignated General Fund budget. The current tax rate is \$2.202 per \$100.00 of the assessed valuation. This is considerably less than the 1995 rate of \$2.98, and is the lowest tax rate in nearly 50 years. Revenues generated in 1996 with a \$2.98 tax rate amounted to \$65,915,783 while the estimate for FY 2009 is \$87,100,000, an increase of \$21,184,217, or 32.1%. Assessments for 1995 were \$2,198,869,948. This figure has risen to \$4,048,760,875 in 2008, an increase of \$1,849,890,927 or 84.13% in the last 13 years. Based on the City's economic climate, this trend is expected to continue.

Commercial and industrial property is assessed at 40%, while residential property and farms are assessed at 25% of the appraised value. Personal property is assessed at 30% of the appraised value. The Public Utilities assessments are made by the State of Tennessee for all counties and cities in the state.

The property taxes levied on taxable assessed valuation in the City are billed by the City on October 1st of each year and are due without penalty by the last day of February of the following year. Effective August 1, 2003 taxes not paid by the due date shall bear interest at twelve percent (12%) per annum, and a penalty of six percent (6%) per annum, plus other penalties as provided by law, which shall be paid by the taxpayer except for taxpayers receiving tax relief under T.C.A. Sections 67-5-702 through 67-5-705. If a tax bill continues to be unpaid through June of such following year, it is turned over to a Delinquent Tax Attorney to be filed in the Clerk and Master's office of Chancery Court on July 1 of such year for collection. An additional fee of 10% is charged representing a 5% attorney's collection fee and a 5% City General Fund fee. Property is subject to a tax sale once taxes are delinquent for three years.

Below is a graphical outlook of Property Tax Levies and Collections for the last five years. Not included in the totals are payment in lieu of taxes (PILOT) received from the EPB and certain other entities within the City.

Property Tax Levies & Collections

Pursuant to Tennessee Code Annotated 5-52-301 to 7-52-310, known as the Municipal Electric System Tax Equivalent Law of 1987, the minimum levy for the EPB is \$2,296,692, according to a new formula specified in the 1987 Law based on a revenue floor of \$5,635,434. This revenue floor was exceeded in fiscal year 1994, resulting in a calculation which generated less PILOT collection for the City. The estimate to be received from Electric Power Board for FY 2009 is \$3,131,950 or 4.90% over FY08. The Telecommunication in lieu of tax due from the EPB is \$334,653, a 3.0% increase over FY08. The EPB PILOT was reclassified in FY06 to a transfer in to properly reflect EPB's status as a city owned entity.

Tax rates per \$100 of assessed valuation during this period were as follows:

| Fiscal Year | |
|-------------|----------------------------|
| 93/1994 | 2.62 |
| 94/1995 | 2.98 City Tax Increase |
| 95/1996 | 2.98 |
| 96/1997 | 2.70 Property Reappraisal |
| 97/1998 | 2.31 City Tax Decrease |
| 98/1999 | 2.31 |
| 99/2000 | 2.31 |
| 00/2001 | 2.31 |
| 01/2002 | 2.516 City Tax Increase |
| 02/2003 | 2.516 |
| 03/2004 | 2.516 |
| 04/2005 | 2.516 |
| 05/2006 | 2.202 Property Reappraisal |
| 06/2007 | 2.202 |
| 07/2008 | 2.202 |
| 08/2009 | 2.202 |

The 1995 increase in tax rates from \$2.62 to \$2.98 was the first tax increase imposed by the City since 1987 and was imposed primarily to provide funds for capital purposes. In FY02, a reappraisal year, the new certified tax rate was \$2.036. A property tax increase of \$0.48 was approved increasing the rate to \$2.516. After the reappraisal in FY06, the tax rate was decreased to \$2.202. A one penny increase produces additional income of \$421,287. Current City policy for budgeting is to estimate collections at 95% of the property tax levy.

Payments In Lieu of Taxes. Through a series of tax incentives and agreements the City receives sizeable in lieu of tax payments each year. Companies paying in lieu of taxes include Tennessee Valley Authority, Regis Corporation, American Plastics Inc, Signal Mountain Cement, Kenco Group and Custom Baking Co. The collection of in lieu of taxes accounts for \$2,154,522, or 1.27% of the operating budget in FY09.

Other Local Taxes:

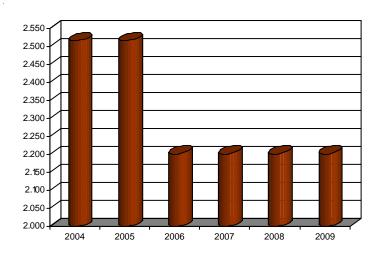

| FY 2009 Estimate: | \$13,210,207 |
|--------------------|--------------|
| % of General Fund: | 7.77% |
| Growth From FY 08: | 691,157 |
| % Change: | 5.5% |

Gross Receipts Taxes

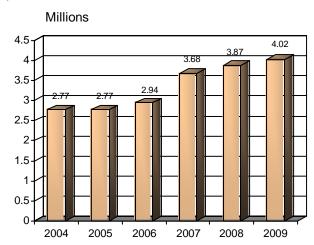

| FY 2009 Estimate: | \$4,020,607 |
|--------------------|-------------|
| % of General Fund: | 2.36% |
| Growth From FY 08: | 148,607 |
| % Change: | 3.8% |

Even though Gross Receipts Taxes are a steady source in the General Fund, they represent only 2.3% of total collections each year. The trend over the past six years shows the annual growth of this collection has varied considerably, as shown in the chart. The economic impact on retail sales in FY02 required a downward adjustment in the FY03 estimate, which resulted in relatively stagnant growth through FY05. In FY 07and FY08, collections were on the rise, a trend expected to continue in FY09.

Property Tax Rates (per \$100 of Assessed Valuation)

Gross Receipts Taxes

Licenses & Permits:

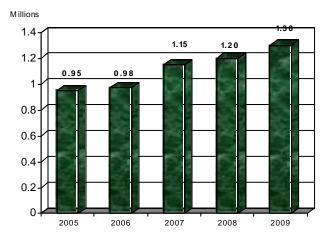

FY 2009 Estimate: \$3,443,800 % of General Fund: 2.02% Growth From FY 08: 179,100 % Change: 5.5%

Building Permits

FY 2009 Estimate : \$1,300,000
% of General Fund: 0.76%
Growth from FY 08: 100,000
% Change: 8.3%

Building Permits are the single greatest revenue generator in the category of Licenses & Permits. As shown in the chart below, revenue budgets for Building Permits have increased over 30% since 2004, reflecting the strength of the housing market over that period of time.

Building Permits

One major decrease in FY08 compared to prior years is the City has contracted with the Chattanooga Area Regional Transit Authority to manage and maintain the parking meters located in the city. With the agreement the city will lose about \$450,000 in operating revenue while also decreasing operating costs such as meter parts and vehicle cost. The employees previously assigned parking meter tasks will be reassigned to other duties within the Public Works department.

Revenue from Other Agencies:

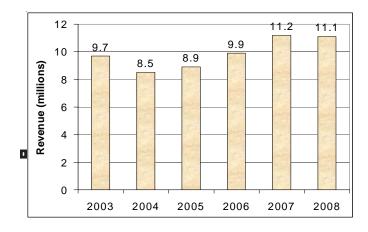

FY 2009 Estimate: \$45,742,304 % of General Fund: 26.90% Growth From FY 08: 223,466 % Change: 0.5%

City Allocation State Sales Tax

FY 2009 Estimate: \$11,437,590 % of General Fund : 6.73% Decline From FY 08: (62,410) % Change: -0.5%

The State of Tennessee imposes a 7% tax on sales. Under TCA 67-6-103(3)(A), 5.5% to 5.75% is returned to all municipalities. This distribution is based on a population figure from the latest certified census. The City of Chattanooga has a certified population of 169,884 and its per capita allocation from state sales tax for Fiscal Year 2009 is \$72.22. Allocations decreased in FY04 due to a 9% cut to local governments to balance the state budget. This cut was returned to local governments: 50% in each of fiscal years 2006 and 2007. The State Sales Tax is expected to decrease by 0.5% or \$62.410 in FY 2009. This suggests that the economy has weakened and that more consumers are cutting back on their purchases of goods and services.

State Sales Tax

Revenues from Other Agencies

County-Wide Sales Taxes

FY 2009 Estimate: \$27,249,319 % of General Fund: 16.02% **Decline From FY 08:** (182,681)-0.7% % Change:

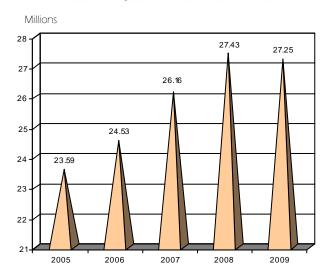

The County Wide Sales Tax, or Local Option Sales Tax, is another principal source of revenue for the City. In accordance with the 1993 Local Option Revenue Act Title 67, Chapter 6, Part 7 of the Tennessee Code Annotated, as amended, the City and County have adopted a Local Option Sales Tax. The citizens of Hamilton County have adopted, by referendum, a county-wide sales tax of 2.25%.

The revenues from the county-wide sales tax are distributed pursuant to the provisions of the Act and other provisions of the Tennessee Code Annotated. Fifty percent of the revenues raised through a county wide sales tax are directed to education based upon the average daily attendance of each school system therein. The Economic Development Fund accounts for 1/2 cent of the sales tax collected.

Since FY05 growth in County-Wide sales tax revenues has increased by more than 15%. This is a reflection of the economic growth that has taken place in Hamilton County in the last few years. In FY2009 there is an expected decline of 0.7% due to the current economic climate.

The County-wide sales tax represents 16.02% of the total General Fund revenues for FY 2009.

Expenses

General Government

FY 2009 Appropriation: \$36,758,592
% of General Fund: 21.61%
Decline From FY 08: (13,004,889)
% Change: -26.13%

General Government is the area where all appropriations to other funds, joint-funded and outside agencies are accounted for. These appropriations can vary from year to year based on outside agency requests or decisions reached during the joint budget hearings with the County Commission. The reason for the decline is that the FY09 excludes the amendment for capital appropriation. Major appropriations in the General Government area year-to-year are:

CARTA Subsidy

FY 2009 Appropriation: \$3,851,000 % of General Fund: 2.26% Growth From FY 08: 112,394 % Change: 3.01%

The City finances part of the Chattanooga Area Regional Transportation Authority's operating cost. The CARTA appropriation of \$3,851,000 enables CARTA to provide additional services to those citizens using bus service as their only means of transportation to work, school, shopping and other activities.

Chattanooga-Hamilton County Bicentennial Library

FY 2009 Appropriation: \$2,640,000 % of General Fund: 1.55% Growth From FY 08: 152,340 % Change: 6.12%

The City, along with the County, funds the cost of the public library system.

Chattanooga Neighborhood Enterprises

 FY 2009 Appropriation:
 \$1,000,000

 % of General Fund
 0.59%

 Growth From FY 08:
 -0

 % Change:
 0%

This is an ongoing appropriation for efforts to upgrade housing in Chattanooga.

Debt Service Fund

FY 2009 Appropriation \$12,166,456 % of General Fund: 7.15% Growth From FY 08: 2,774,282 % Change: 29.54%

Funds are provided for appropriation to the Debt Service Fund for payment of current interest and principal on the City's outstanding General Fund debt. The increase is primarily due to the increase in debt service for the Solid Waste and Water Quality Funds

Renewal & Replacement

FY 2009 Appropriation: \$700,000 % of General Fund: 0.41% Decline From FY 08: (2,000,000) % Change: -74.07%

Funds are provided here to be distributed to various departments for use in replacing equipment and to provide contributed capital for the fleet leasing program. The decrease is a result of not funding the fleet replacement program for FY09.

Tennessee Riverpark

FY 2009 Appropriation: \$1,258,632 % of General Fund: 0.74% Growth From FY 08: 29,311 % Change: 2.38%

These funds are submitted to Hamilton County to cover the City's one half share of the operating costs of the Tennessee Riverpark.

Financial Overview

105

Department of Finance & Administration

FY 2009 Appropriation: \$4,076,750 % of General Fund: 2.40% **Growth From FY 08:** 155.857 % Change: 3.98%

This department oversees all aspects of the City's financial program. The major expenses for this department are personnel costs, and the primary factor behind the growth in FY09 is the increased cost of salaries and benefits.

Department of Police

FY 2009 Appropriation: \$43,283,539 % of General Fund: 25.45% **Growth From FY 08:** 1,047,423 % Change: 2.48%

The majority of the increase in expenditures is attributed to increase in salary and benefits.

Department of Fire

FY 2009 Appropriation: \$28,534,996 % of General Fund: 16.78% **Growth From FY 08:** 930,606 % Change: 3.37%

The FY09 growth is attributed to increase in salary and benefits.

Department of Public Works

FY 2009 Appropriation: \$33,074,616 % of General Fund: 19.45% Growth from FY 08: 2,499,593 % Change: 8.18%

The Department of Public Works General Fund increased appropriations represent personnel pay increases and increased motor vehicle maintenance.

Department of Parks & Recreation

FY 2009 Appropriation : \$11,523,733 % of General Fund: 6.78% **Growth From FY 08:** 127.863 % Change: 1.12%

In FY06, part of Parks & Recreation was reorganized into the new Department of Education, Arts & Culture. The overall increase in the budget from FY09 reflects an increase in salary and benefits.

Department of Personnel

FY 2009 Appropriation: \$6,745,967 % of General Fund: 3.97% **Decline From FY 08:** (87,742)% Change: -1.3%

The decrease in expenditures in FY09 is primarily attributable to decreases in salaries due to frozen positions.

Department of Neighborhood Services

FY 2009 Appropriation: \$2,008,413 % of General Fund: 1.18% **Decline From FY 08:** (8,368)% Change: -0.41%

Since its establishment in FY98, many changes have occurred that significantly increased the functions and visibility of this department. During the previous administration, Better Housing functions were transferred from Public Works, leading to the creation of the Department of Neighborhood Services. In FY06, Animal Services was removed and more neighborhood related divisions moved from the Executive Branch like Grants Administration, Human Rights, and Community Development. Last year, in an effort to better service the Chattanooga area, the department has combined the divisions of Codes & Community Services with Neighborhood Relations to create a new division of Codes, Community Services, & Neighborhood Relations. The FY09 decrease is due a reduction in neighborhood grants.

Executive Branch

FY 2009 Appropriation: \$1,715,512 % of General Fund: 1.01% **Decline From FY 08:** (71,619)-4.01% % Change:

The Executive Branch consists of functions under direct control of the Mayor. This branch includes the Mayor's Office, Multicultural Affairs, Great Ideas Competition, and the Office of Faith Based Initiatives. The FY09 reduction is primarily due to a decrease in positions.

Education, Arts, & Culture

FY 2009 Appropriation: \$2,347,882 % of General Fund: 1.38% **Decline From FY 08** (19,564)% Change: -0.83%

The FY09 decrease is attributed to a decrease in matching grants and a voluntary decrease in benefits.

Special Revenue Funds

Fund Structure

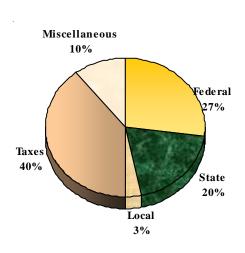

Special Revenue Funds are used to account for revenues from specific taxes or other earmarked revenue sources which by law are designated to finance particular functions or activities of government. The basis of budgeting for these funds is modified accrual. Included funds are State Street Aid, Human Services, Economic Development, Narcotics. Community Development, Hotel/Motel Occupancy Tax Fund, and Municipal Golf Course Fund. For fiscal year ended June 30, 2008 the budgeted revenue and expenses were as follows:

| Fund | FY08 Budgeted Revenue & Expenses | (unaudited) FY08 Actual Revenues | (unaudited) FY08 Actual Expenses |
|------------------------------|---|---|---|
| State Street Aid Fund | \$4,785,000 | \$4,489,228 | \$4,754,545 |
| Human Services Fund | \$13,435,084 | \$11,274,273 | \$11,764,103 |
| Economic Development Fund(1) | \$10,935,000 | \$10,967,866 | \$10,217,702 |
| Narcotics Fund | \$319,650 | \$360,670 | \$905,496 |
| Community Development Fund | \$5,096,941 | \$4,367,583 | \$4,114,312 |
| Hotel/Motel Tax | \$ 3,750,000 | \$ 8,242,039 | \$6,224,493 |
| Municipal Golf Course Fund | \$ 1,749,257 | \$ 1,942,192 | \$ 1,815,145 |

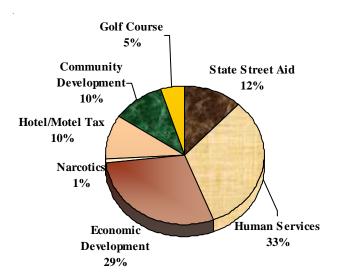

⁽¹⁾ While presented here, the Economic Development Fund is reported as a designated portion of General Fund.

Revenues

State Street Aid

This fund was established to receive and account for the State's distribution of the gasoline tax. Funds received in this fund are restricted to road related projects. To qualify for a portion of this distribution, the City must meet State guidelines which require that a municipality appropriate an amount equal to at least the average appropriations for road work for the previous five years. Collections in this fund have remained fairly constant over the past few years. The FY09 decline in revenue estimate is based on estimated Gas Tax collections by the State.

Human Services Fund

Human Services receives Federal, State, and City appropriations. This fund for FY09 is estimated to decrease by 5% from FY08. The State accounts for most of this decrease in addition to a small increase by Federal.

During the year estimates for Federal and State could increase. The chart below shows how revenue for this fund has varied during a five year period.

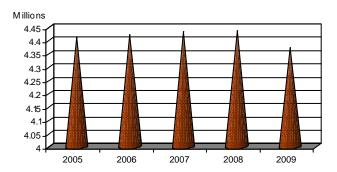

Municipal Golf Course Fund

Revenues comes mainly from green fees and golf cart rentals. Overall estimated revenues are expected to increase by 12% from FY08 budget.

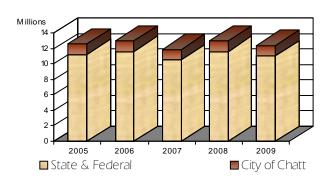

Narcotics Fund

Revenues come mainly from confiscated funds which include forfeited cash and proceeds from the sale of items seized. Funds are also received from Federal and State.

Human Services Collections

Economic Development Fund

In August 1997, the citizens of Chattanooga approved a half-cent tax on retail sales in the city. Revenues from this tax were shared on a 50/50 basis for education and economic development. In a county-wide election in February 2004, the residents of Hamilton County voted to increase the county-wide local option tax rate from 1.75% to 2.25% thereby repealing the city-only 1/2% tax. The additional taxes generated by the 1/2% increase in the county-wide tax will be distributed to the county, city and education in accordance with TCA 67-6-712 which requires that 50% is used for education and the remainder on a situs basis. The City continues to receive comparable amounts for economic development from the county-wide tax as it has in prior years. The education component is distributed directly to the Hamilton County Department of Education. Over the last four years revenue collections have increased an average of 3.8% per year.

Community Development

Annual funding is allocated by the U.S. Department of Housing and Urban Development which accounts for the fluctuation in the revenues received each year.

The total FY09 decrease for this fund is \$963,211 compared to FY08. This decrease in the fund is due to the changes in grant funding during the City's fiscal year and reduction of balance in THDA funds from the State. As with most federal funds, these sources are allocated to the City based on the Federal Government's budget year which is different from the City's fiscal reporting year.

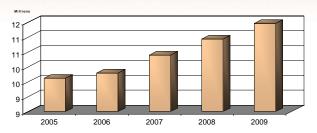

Hotel-Motel Occupancy Privilege Tax Fund

Recently enacted legislation grants the City of Chattanooga the authority to levy a privilege tax on the occupancy of hotel/motel rooms by transients. Pursuant to T.C.A 67-4-1401, et seq. and City Ordinance No 11303, the City has levied such a tax that was phased in over a 30-month period and began on October 1, 2002 at the following rates:

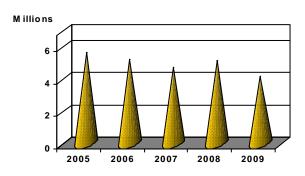

| October 1, 2002 thru September 30, 2003 | 2% |
|---|----|
| October 1, 2003 thru April 30, 2005 | 3% |
| May 1, 2005 and thereafter | 4% |

The FY08 budgeted revenue totaled \$3,750,000. The FY09 estimate is \$4,112,640.

Expenses

State Street Aid

State gasoline tax distribution is collected into this fund and used for major street work in the Chattanooga area, under State guidelines. The primary use of these funds are personnel, vehicle and construction costs.

Human Services

Human Services' expenditures have been flat in the last three years. The primary reason for the decrease in FY09 is the LIHEAP (Low Income Heating Emergency Assistance Program) program funded by the State.

Economic Development Fund

During FY2009, \$9,370,806 will be spent on debt service for the Southside Development. Since Hamilton County residents voted for the half-a-cent sales tax in February 2004, 100% of the school portion is retained by the County. The remaining funds are dedicated to economic development.

Community Development

This fund receives federal grants directly from HUD as well as grants administered through the State of Tennessee. Each year the expenses from one block grant year to the next spans multiple fiscal years because the City's fiscal year is different than the Federal government's fiscal year. The federal funding is on a draw down basis as expended by the entity; therefore due to the spending rate of specific qualified programs the expenses will vary from year to year.

Federal guidelines are followed by the City in expending Community Development and Home Investment Funds. These are subject to federal audit at any time, and are also included in the City's annual audit.

Hotel-Motel Occupancy Privilege Tax Fund

This tax is used to fund improvements in the downtown and riverfront area to encourage tourism and enhance quality of life. This tax was dedicated to the 21st Century Waterfront Plan which involved redevelopment of the city waterfront. The Waterfront Plan, with an estimated cost of \$120 million, was funded jointly by the public and the private sectors. Current funds will be used to pay debt service on the Hotel-Motel Tax Bonds and fund any additional waterfront related capital project.

Municipal Golf Course Fund

Funds are used to cover the operational cost of the City's two golf courses. The primary costs are personnel and purchase services. Increased estimated revenues have allowed expenses to be increased from FY08.

Narcotics Fund

Funds are primarily used for drug enforcement activity which includes purchase of surveillance equipment, drug identifications kits, maintenance on narcotics officer's vehicles and pay to informants. Funds can also be used for local drug treatment and education programs.

Enterprise Funds

Fund Structure

Enterprise Funds are established for operations that the City chooses to account for as though they were private enterprises. An Enterprise Fund might be established because an operation is expected to cover its costs (including depreciation expense) through user charges or because the City believes it is necessary to account for income and capital maintenance. The budgetary basis of accounting for these funds is the accrual method where measurement focus is their economic resources, much like that of a private-sector business. Revenues are recognized as soon as they are earned and expenses are recognized as soon as a liability is incurred, regardless of the timing of related cash inflows and outflows. The CAFR shows the status of the funds finances on the basis of GAAP. The City of Chattanooga has three (3) budgeted Enterprise Funds: Interceptor Sewer Fund, Water Quality Management Fund and Solid Waste and Sanitation Fund. As of June 30, 2008 the budgeted revenue and expenses were as follows:

Revenues

Interceptor Sewer Fund

Sewer Service Charges. Revenues to operate, maintain, and finance the system are derived primarily from sewer service charges collected from residential, commercial, and industrial customers using the System. Sewer service charges for the City are collected either through the Tennessee-American Water Company or the Hixson Utility District. The sewer service rates are based upon the quantity of water used and are expressed as cents per thousand gallons.

Regional users such as Walker County, Georgia, and the City of Collegedale and the Town of Lookout Mountain, Tennessee are billed on the basis of metered water consumption. This method of billing does not allow for the recovery of costs incurred to treat flows beyond the amount of water purchased, such as inflow and infiltration into the System. However, the wheelage and treatment rate is approximately two times the total metered flow rate, therefore, some inflow and infiltration is paid for. The City of Chattanooga has installed flow metering stations on the discharge lines connecting regional users so that they may be billed on the basis of total measured wastewater flows, under the EPA approved user charge system. Contract negotiations with each respective government are underway and must be completed before this method of billing can begin.

The sewer service charges for the regional users --Rossville, Northwest Georgia, Dade County, Ringgold, Collegedale, Lookout Mountain, TN, Lookout Mountain, GA, Hamilton County, East Ridge, Soddy Daisy, Red Bank and Walker County -- are based on a regional service charge rate schedule (wheelage and treatment). The regional service charge rate schedule currently in effect provides rate schedules for billing the regional users on either a metered water consumption basis (billable flow method) or a total measured wastewater flow basis (total flow method). This allows the City to begin billing the regional users on a total flow method immediately upon completion of successful contract negotiation for total flow method billing. Other System revenues come from an industrial user sewer surcharge, truck discharge operation permit fees, septic tank discharge fees, holding tank discharge fees, service line connection fees and garbage grinder usage fees.

The City operates the System on a self-supporting basis from sewer service charges and fees. The July 1, 2008 proposed rate schedule, is as follows:

Enumeration Of Charges - Quantity of Water Used

Sewer service charges are based upon the quantity of water registered by water meters. The dollar amount is derived by applying the total charge in dollars per one thousand gallons for the following quantities of water:

| User Class | FY09-1 Total Charges (\$/1,000 gal) | FY09-2 Total Charges (\$/1,000 gal) |
|-----------------|---|---|
| First 100,000 | \$ 4.98 | \$ 5.12 |
| Next 650,000 | 3.69 | 3.80 |
| Next 1,250,000 | 2.99 | 3.08 |
| Next 30,000,000 | 2.40 | 2.55 |
| Over 32,000,000 | 2.30 | 2.45 |

Regional Service Charge Rate (Wheelage and Treatment)

The regional sewer service user charge (wheelage and treatment) shall be collected from regional users of the system including Rossville, Northwest Georgia, Dade County, Ringgold, Collegedale, Lookout Mountain, TN, Lookout Mountain, GA, Hamilton County, East Ridge, Soddy Daisy, Red Bank and Walker County and shall be determined either under the "billable flow" method based upon quantity of water used as shown by applicable water company meter readings or the "total flow" method based upon flow meter measured flow accordingly to the applicable contract with the regional user.

Billable Flow

The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below per one thousand (1,000) gallons of water sold.

| | Regional Operation & | Regional | Regional Total Charge |
|----------------------|--------------------------------------|-------------------------------|-------------------------------------|
| User Class | Maintenance Charge (\$/1,000 gal) | Debt Charge (\$/1,000 gal) | Wheelage & Treatment (\$/1,000 gal) |
| Wheelage & Treatment | \$ 1.5317 | \$ 0.6738 | \$ 2.2055 |

If regional customers are billed directly through the water company, the rate shall be two dollars and twenty-one cents (\$2.21) per one thousand (1,000) gallons.

Total Flow

The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below applied to the quantity of wastewater measured by a flow meter installed and maintained at or near the point of connection between the system of the regional user and the Chattanooga System. In the event of any malfunction of said meters, flow shall be estimated, interpolated and/or projected in the most equitable manner possible. Such estimates along with available readings for periods where there was no malfunction shall be the basis for billing.

| | Regional Operation & | Regional | Regional Total Charge |

Industrial User Sewer Surcharge

An industrial user surcharge is levied upon industrial users which discharge wastewater in concentrations in excess of "normal wastewater" at the following rates:

- \$0.096 per pound of 5-day biochemical oxygen demand (BOD₅) for concentrations in excess of 300 milligrams per liter, and,
- 2. \$0.065 per pound of total suspended solids for concentrations in excess of 400 milligrams per liter.

The City has also established the following fees and charges:

- 1. A Sewer Service Line Connection Fee of \$800;
- A Truck Discharge Operation Permit Fee of \$100 per truck per year;
- A Septic Tank Discharge Fee of \$57.00 per 1,000 gallons of waste;
- Holding Tank Waste Fee of \$4.98 per 1,000 gallons of waste; the fee for FY08/09-2 of \$5.12 and
- 5. Garbage Grinders Fee of \$155.00 per month per unit.

In 1985, the City, in conjunction with consulting engineers and financial advisors, developed a five year financial analysis which examined the System's capital improvement program at different yearly funding commitments of the City. As a result of this analysis, the City established its annual funding commitment of the System at \$10,000,000 per year. Simultaneously, the City committed itself to enacting annual rate increases of at least 6.14% for each of the five consecutive years starting in July 1985 in order to support the \$10,000,000 per year funding program. The 6.14% rate increase schedule through fiscal year ending June 30, 1990 was

formulated by the consulting engineers pursuant to the five year financial analysis. Enactment of the rate increases requires adoption of the city ordinance by the City Council each year. The five year program and the related future rate increases were announced publicly in the City proceedings in 1985 and they received widespread community support.

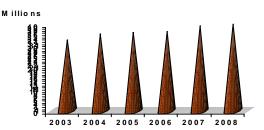

The City has followed through with its commitment to raise rates to support the program since 1985. As of April 1990, the City had adopted five consecutive annual sewer rate increases of 6.14%. The first 6.14% rate increase took place July 1985, followed by four more 6.14% rate increases in July 1986, July 1987, July 1988, and July 1989, respectively. Annually, the consulting engineers review the financial operations of the System and its revenue requirements for the upcoming fiscal year to determine the size of the rate increase needed for the next fiscal year, and this year it was decided that a rate increase of roughly 6% was necessary.

Since the City successfully accomplished its goal of enacting 6.14% sewer rate increases for the five consecutive fiscal years, the City planned to enact future annual rate increases at a lower level than 5%. The City had increased sewer rates for nine consecutive years in support of its program. However, in fiscal year 94/95 through 98/99 the rate increase was 0% due to improved efficiency of the system and implementation of management policies. In FY00, after close analysis of the financial state and operations of the system, the City enacted a 10% rate decrease. There was no rate increase for FY01 and FY02. In FY03, the City Council approved rate increases for the next three years of 7.29%, 7.07%, and 2.54% respectively. In FY07 the rate increased by 15.5% then by 6% in FY08. As evidenced by its program since 1985, the City remains committed to keeping the System self-supported from sewer revenues including adoption of any necessary sewer rate increases to ensure that it remains self supporting. Following is a history of rate increases since 1988:

| FY 87/88 6.14% | FY 95/96 0.00% | FY 03/04 7.07% |
|----------------|-------------------|-----------------|
| FY 88/89 6.14% | FY 96/97 0.00% | FY 04/05 2.54% |

Below is the sewer systems historical trend of collections. Revenue increases can be attributed to the completion of several construction projects bringing more taps on line and rate increases to address the CMOM project proactively.

Interceptor Sewer Collections 2003 thru 2008

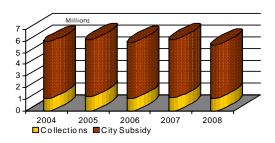

Solid Waste and Sanitation Fund

This fund accounts for the costs associated with the disposal of solid waste and recyclable materials. Prior to FY2002, the fund accounted for both collection and disposal of these materials. Due to reorganization, the collection portion of garbage and brush and trash were transferred to Public Works General Fund. Section 68-31-874 (a) of the Tennessee Code Annotated sets forth the accounting requirements for financial activities related to the management of solid waste. Effective July 1, 1992, each municipality which collected solid waste and/or operated a landfill was required to account for them separately in individual funds. Effective July 1, 1993, it became a requirement to account for the operation of a landfill as an enterprise fund.

Landfill Tipping Fees. Revenues to operate, maintain and finance the Solid Waste Disposal System are derived primarily from tipping fees charged at the disposal sites. Municipalities may impose such a fee upon each ton of waste or its volume equivalent received at such a disposal facility. During FY 98/99, the disposal operation was relocated to a new site in Birchwood as the available space at the old facility had been depleted. The new location is farther away from the center of the city, which has led some disposal companies to reroute their disposal traffic to other regional disposal facilities more conveniently located. The new sanitary landfill also stopped accepting construction waste. The construction debris site is operated by a private company. These changes have led to a reduction in the projected revenue for the fund.

Solid Waste Disposal Fee. Since the revenue from the landfill tipping fees does not totally fund the expenditures of the fund, it is necessary for the General Fund to support the Solid Waste & Disposal Fund through a General Fund Waste Disposal Fee. This FY08/09 fee of \$6,275,560 accounts for 86.4% of the total budget.

The chart below shows the historical trend of collections and subsidy. The primary sources of revenues for this fund are landfill tipping fees and a City of Chattanooga waste disposal fee.

Water Quality Management Fund

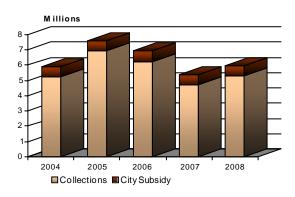

The Water Quality Management Fund was established in 1993 to comply with a Federal mandate for the City to control storm water runoff. The City is required to impose controls to reduce the discharge of pollutants in storm water to the maximum extent practicable using management practices, control techniques and system design and engineering methods for the control of such pollutants. This fund accounts for the construction and operation of the storm water system of the City.

For the purpose of operating the water quality program of the City and the payment of the cost and expenses appurtenant, incident or necessary thereto for the construction, extension, enlargement or acquisition of necessary storm water facilities or flood control improvement, including replacement thereof, and for the operation and maintenance thereof, there

is imposed a storm water user's fee upon the owner of property served directly or indirectly by the City's storm water system.

The revenue for this fund is derived from water quality fees, \$5,508,723 (88.9%), and a City of Chattanooga General Fund subsidy of \$683,952 (11.0%).

Below is a chart showing the historical trend of fees collected.

Expenses

Interceptor Sewer Fund

Expenses for the Interceptor Sewer System reflect major cost areas: personnel costs, chemical costs for liquid and solid handling, maintenance costs, electricity costs, and depreciation. Major capital expenses needed for the Moccasin Bend Wastewater Treatment Plant, such as vehicle replacement, pump replacement, and major system repairs occur here. In FY 08/09, the operations and maintenance budget increased \$2,223,917, or 5.4%, due to increases related to the CMOM program, the addition of three positions, and increases in the cost of liquid chemicals and plant maintenance. The largest single change in the ISS budget for FY08/09 is the \$813,036 appropriation for solids handling operations at MBWWTP.

The debt service portion of the proposed budget for FY 08/09 decreased \$110,617 from FY 07/08. This change is due to the varying interest and principal payments on bonded debt and/or capital outlay notes required from one fiscal year to the next.

Solid Waste and Sanitation Fund

Expenses in the Solidwaste & Sanitation Fund include:

- ■Recycle Center
- ■Waste Disposal Landfill
- **■**Compost Waste Center
- ■Debt Service
- ■Capital Projects

and vehicle related costs. The Solid Waste Fund budget for FY 08/09 decreased \$199,073 This is due to a decrease in capital improvements.

In February 1995, the City issued \$13,291,500 General Obligation Bonds for Solid Waste facilities improvements and equipment purchases. This issue provided financing for the capital improvements necessary for the landfill.

In March 1998 and March 2001, the City issued general obligation bonds totaling \$17.9 million and \$6.7 million respectively, to fund capital improvements at the Summit landfill and the new landfill located in Birchwood.

Water Quality Management Fund

As this is an Enterprise Fund, its major revenue is derived from the Water Quality Fee. Expenses in the Water Quality Management Fund include:

- **■**Personnel
- **■**Operations
- ■Capital Projects
- ■Debt Service

The City has maintained the same level of General Fund support for water quality maintenance and repairs as prior to the implementation of the water quality fee.

Major expenditures of this fund are personnel costs

Internal Service Funds

Fund Structure

Internal Service Funds are used to provide goods or services to other governmental operating units such as departments, bureaus, and agencies. The cost associated with providing these goods or services is usually recovered from those governmental units that receive benefits. The budgetary basis of accounting for these funds is the accrual method with economic resources measurement focus, much like that of a private-sector business. Revenues are recognized as soon as they are earned and expenses are recognized as soon as a liability is incurred, regardless of the timing of related cash inflows and outflows. Funds are reported on GAAP basis in CAFR.

Municipal Fleet Services Fund accounts for revenues and expenditures associated with the operation of the City's garage, gasoline, and fleet leasing services. The cost for these services are

paid by the departments and agencies of City government and charges to external agencies.

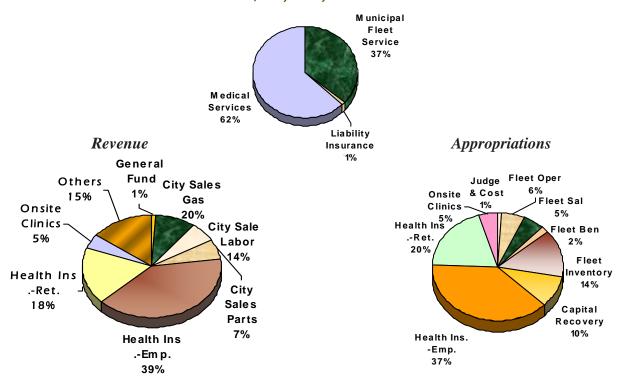

Liability Insurance Fund accounts for the City selfinsurance programs for claims and losses due to liabilities arising under the laws of State and Federal governments. The costs for these programs are funded through premiums paid by the departments and agencies of City government.

Medical Services Fund accounts for the health insurance, onsite clinic, and wellness program benefits for current employees and retirees. The costs are funded by employee and department/agency premiums.

Revenues

Municipal Fleet Services Fund

Service Stations and Garages. Revenues to operate, maintain, and finance the Fleet Service areas are derived primarily from sales of fuel, parts, labor, and leased vehicles to City Departments and other municipalities and agencies.

The garages collections and rates have not increased for FY09. Users will continue to pay a \$65.00 per hour charge for garage services for vehicles that are not part of the lease program. For budgeting or planning purposes during FY09, a 25% premium is applied to parts billed to departments. Gasoline and diesel fuel will be billed to departments with an approximate 10% premium applied to cost.

Continuing in FY09 is the Fleet Leasing Program, in which new vehicles will be purchased, owned and maintained by Fleet Services and leased back to the various departments and agencies at a fixed rate. Started in FY07 and designed to replace the entire fleet over a period of six years, the program is expected to both provide the capital for vehicle replacement going forward and reduce maintenance costs with the progressive replacement of the oldest vehicles in the city fleet with new vehicles.

Liability Insurance Fund

Revenues to operate this fund are primarily transfers from the General Fund. Revenue and expenditures have fluctuated over the past four years. The premium requirement from General Fund fluctuates from fiscal year to fiscal year depending on the outstanding liabilities and potential outcomes based on the opinion and advice of the City Attorney.

Medical Services Fund

Revenues are generated from health insurance premiums charged to employees, retirees, departments, and agencies, and from charges to departments and agencies for the onsite medical clinics and wellness initiative. The city currently operates two clinics and one employee fitness facility, and is planning to add an onsite pharmacy in FY08/09.

Expenses

Municipal Fleet Services Fund

Expenses for these funds are primarily for personnel, inventory supplies, and vehicle purchases.

The number of positions within the Division of Fleet Services decreased from 77 to 61 from FY 02 to FY 07 and have remained constant since then. As equipment replacements were made with more up to date equipment, it was decided the positions would not be filled. However, the cost for salaries has not decreased at the same rate during this time period due to yearly 3% cost of living adjustments. Also, numerous positions have been upgraded to accommodate additional demands.

Liability Insurance Fund

Expenses fluctuate from year to year depending on advice of Counsel as a result of claims made against the City.

Medical Services Fund

Expenses are primarily for employee and retiree health insurance claims and the cost of operating the onsite clinics and wellness initiative program. The city also invests in stop loss insurance so as to mitigate the financial impact of unusually large medical claims.

General Government

www.chattanooga.gov

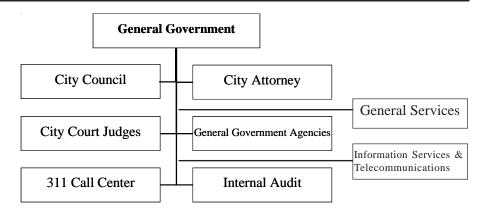

Mission:

To administer the executive, legislative, legal and judicial affairs for the City of Chattanooga.

Description:

The General Government budget provides for legal and legislative functions of government that pertain to the general day to day operations of the City of Chattanooga, as well as appropriations for most agencies and nonprofit organizations or other special funds to which the City contributes funding. The City Council Office and City Court Judges represent the elected officials of the City and their respective operations. The City Attorney's Office represents the City in all legal matters, litigating on behalf of the City, as well as providing legal advice to the governing body and other departments where appropriate. The audit department enhances government efficiency and accountability by conducting performance and financial reviews of City departments and City-funded agencies. 311 Call Center simplifies citizen access to government by providing a single point of contact for all City services. In addition, 311 provides City departments with data needed to identify service needs, trends, and outcomes.

Other functions in General Government include funding for memberships in organizations such as the Tennessee Municipal League. Funds are also provided for promotion of the city through various means as determined by the Mayor or the City Council. Administrative expenses for the annual audit, various general studies and surveys which the City deems necessary are administered through this department. Due to reorganization, General Services and Information Systems are now under General Government. These areas include purchasing, building maintenance, real property management, fleet services, radio/electronics, information service and telecommunications.

Goals and Objectives

Develop prudent and applicable laws to further economic development, enhance educational opportunities and to respond to citizens requests as deemed prudent and necessary.

- **1**100% consideration of all citizens requests and concerns which pertain to legislative matters.
- **2** Council minutes to be made available to any concerned party within 2 workdays after completion of a Council meeting.
- **3** Adopt a budget to operate within budget guidelines and parameters set forth within the budget ordinance.

Enforce all laws pertaining to City ordinances and to support the city in legal disputes in which the city is involved.

- Hear 100% of cases reported to be in violation of any city ordinance and applicable traffic violations.
- **2** *Reduce the number of legal claims against the City.*

Make recommendations that will enhance the efficiency and effectiveness of service delivery, reduce costs where appropriate, and ensure compliance with applicable standards and guidelines

- *Identify high risk areas for audit.*
- **2** *Plan and conduct audits in an independent and objective manner.*
- **S***Ensure staff are sufficiently trained to perform duties at a professional level.*

Deliver a quality customer experience to 311 customers

- Answer 85 percent of calls within two minutes or less and 95 percent of emails within 24 business hours.
- Meet or exceed target service levels of 135 calls per day per customer service representative.
- **3** *Maintain satisfaction ratings of "good" or "excellent" for 90 percent of 311 contacts.*

To provide timely, efficient and quality telecommunications and information services, as well as fleet, real estate and facilities management and support services for all City departments and agencies.

- **1** *Increase efficiency of service delivery.*
- **2** Achieve 100% on-time job performance.
- Strive for an excellent quality response to every support service request.

Supported Agencies

Supported agencies are a portion of General Government and are primarily in two different categories. The first category is appropriations to special funds that are either jointly supported with Hamilton County and / or some other agency which are accounted for in another fund on the City's books. These include CARTA, Library, Regional Planning Agency and the Air Pollution Control Bureau. The second category is appropriations to other organizations which the City Government determines meet the definition of serving a public purpose that are not accounted for on the City books. These include agencies such as Urban League, Allied Arts, and Chattanooga Neighborhood Enterprise (CNE). The following descriptions give a short explanation of each general government agency. Some of the appropriations are for closed-ended programs, but most are for ongoing programs or agencies which the City Government supports on a continual basis. In addition, the Liability Insurance Fund accounts for liability claims and losses. Amounts are provided for Fiscal Year 2008/2009.

Air Pollution Control Bureau

The overall mission is to achieve and maintain levels of air quality which will protect human health and safety and prevent injury to plant and animal life and property. The Chattanooga Area has progressed from being listed as one of the nation's most polluted cities in the late 1960's to being held out as a model of improvement. The City currently meets all federal air quality standards.

The bureau provides a program of air pollution prevention, abatement, and control to foster the health, comfort and convenience of all citizens of Hamilton County.

City's Contribution.....\$270,820

Allied Arts Council

The overall mission is to provide a united voice for all cultural organizations and activities, further the significance of their roles in the life of the community, provide financial assistance and such other measures necessary to strengthen the area's cultural resources, and work with other agencies in the public and private sectors to make quality of life a priority issue for the community.

Through its annual fund drive, Allied Arts provides essential operating funds to eight cultural institutions:

The Hunter Museum of Art Chattanooga Symphony & Opera Assoc. Chattanooga Boys Choir Houston Museum of Decorative Arts Arts & Education Council Chattanooga Regional History Museum Association for Visual Artists Choral Arts Society Chattanooga Girls Choir City's Contribution.....\$255,000

Bessie Smith Hall, Inc.

The mission of the Bessie Smith Hall (BSH) is to celebrate the performance of blues, jazz, its antecedents and derivatives, by embracing the style and charisma of Bessie Smith in a setting reminiscent of her career surroundings, with emphasis on the multicultural and educational aspects of her contributions. Over the past three years, the BSH organization has focused its efforts on developing and implementing a successful assembly of programs and services designed to provide instruction, interpretation, exposure to and advocacy of African-American music traditions and practices. The activities sponsored by the organization have attracted some of the largest culturally diverse audiences and participants of any other organization or venture. The annual Bessie Smith Strut is part of a community-wide festival which takes place each year and includes participants from all walks of life.

City's Contribution.....\$70,000

Chattanooga Area Regional Transportation **Authority (CARTA)**

The overall mission is the provision of public transit services. The Authority operates the regional bus service, the Lookout Mountain Incline Railway, and the free Downtown Electric Shuttle. Specialized transportation services are offered for the disabled in Hamilton County. CARTA is the sole provider in the Chattanooga-Hamilton County area of public transportation.

City's Contribution.....\$3,851,000

Chattanooga African-American Museum/ **Building Maintenance**

The museum's mission is to develop, coordinate, and provide a facility to house research materials and artifacts of the African-American culture, as well as documenting the contributions of African-Americans to the development of Chattanooga and this nation.

The programs promote ethnic pride, self-esteem, cultural enrichment, cross-cultural awareness, improved human relations within the community and sensitivity to the African-American experience. The museum helps one to understand the culture and heritage of African-Americans. In addition, the museum is responsible for the overall management and maintenance of the Heritage Center in which the Center houses the Bessie Smith Hall and the African-American Museum.

City's Contribution.....\$57,019

Chattanooga Area Urban League

The overall mission is the elimination of discriminatory behavior by empowering African-Americans and other minorities through educational and vocational training which will increase economic power. The tools of social work, economic law and business are utilized to secure equal opportunities throughout all sectors of society. The essence of this program is to assist the Hamilton County and City of Chattanooga governments in improving minority representation on construction sites which are funded with public funds. It will also provide technical assistance and make available to contractors a pool of applicants for employment consideration. This will create avenues for employment opportunities and also ensure that the county is in compliance with local, state, and federal regulations governing minority representation in the construction industry and have an impact on affirmative action goals throughout the local governments.

City's Contribution.....\$50,000

Chattanooga Downtown Partnership

The mission of the organization is development in the downtown area of Chattanooga. The Partnership directory of available office and retail space provides a comprehensive inventory for investors and new growth. Representatives attend regional and national leasing and retail recruiting expositions. Seasonal promotions are conducted throughout the year. The Partnership Windows Program fills vacant storefronts with banners and exhibits installed by businesses and civic organizations. Through efforts of the organization, Chattanooga is one of thirty U.S. cities

selected to establish a benchmark of leading indicators to be used to measure downtown progress for the International Downtown Association.

City's Contribution.....\$100,000

Chattanooga - Hamilton County Bicentennial Library

The library serves the community by making materials and services available to all residents. To meet patrons' educational, professional, and personal needs, the library provides current information, promotes learning, and preserves the community's history.

The library provides access to information through books, periodicals, newspapers, pamphlets, government documents, phonograph records, audiocassettes, videocassettes, films, internet, and brochures. Through state, regional, national and international networks, the library can provide access to resources. The library encourages the love of reading in children and adults and provides information for both leisure and professional use. City's Contribution.....\$2,640,000

Chattanooga Neighborhood Enterprise

The mission of the organization is to rid the Chattanooga area of all substandard housing. The City government joined in this effort in 1989.

City's Contribution.....\$1,000,000

Chattanooga History Center

The overall mission is to collect, preserve, research, interpret and display the written, spoken, pictorial and artifactual record of the Chattanooga and Tri-State region from the earliest times to the present. This is accomplished by operating a museum and providing appropriate publications, exhibits and educational programs for all segments of the community in the context of the museum's permanent theme, "Chattanooga Country: Its Land, Rivers, and People".

The museum has a working board and staff, and a proven track record of helping to improve the quality of life for current and future Hamilton County residents. Education is the primary purpose, which the education department fulfills with a full schedule of school tours, adult programs and outreach programs. The "Traveling Trunks" outreach program includes hands-on activities that bring to life specific historical periods in our area.

City's Contribution.....\$24,000

Chattanooga Area Regional Council of Governments / Southeast Tennessee **Development District**

The mission is to provide area-wide planning and coordination on a regional basis and to assist local governments in project and program development within the thirteen counties of Southeast Tennessee and the bi-state metropolitan Chattanooga region.

This agency's program represents local governments in their relationships to State and Federal programs and seeks to maximize the amount of external funding that can be brought to bear on the area's development needs. Examples of funding secured in past years include funding for CARTA, the regional sewage treatment facility, industrial parks, water and sewer projects and a number of social service agencies for the elderly.

City's Contribution.....\$31,111

Children's Advocacy Center

Mission is to provide a safe environment where a child's voice is heard and respected. This includes the coordination and facilities for the state-mandated team responsible for the investigation, intervention and treatment for the child and family, and prosecution of the abuser. Extended assessments, crisis counseling, therapeutic groups and support groups for children and their families are also provided.

City's Contribution.....\$30,000

Community Foundation Scholarships

This is a partnership of public and private funds to provide for scholarships to qualified and deserving students who would not otherwise be able to further their education beyond the public school system. The Foundation is committed to raising, on a two-to-one basis, funds from the community to match the City's contribution. Scholarships are awarded annually to students who meet the established criteria.

Economic Development

Ron Littlefield, Mayor www.chattanooga.gov

Description:

In August 1997, the citizens of Chattanooga approved a half-cent tax on retail sales in the city. Revenues from this tax were shared on a 50/50 basis for education and economic development. In a county-wide election in February 2004, the residents of Hamilton county voted to increase the county-wide local option tax rate from 1.75% to 2.25% thereby repealing the city-only 1/2% tax. The additional taxes generated by the 1/2% increase in the county-wide tax are distributed to the county, city and education in accordance with TCA 67-6-712 which requires that 50% is used for education and the remainder on situs basis. The City should continue to receive a comparable amount for economic development from the county-wide tax as it has in prior years. With the passage of the county-wide tax increase the education component is distributed directly to the Hamilton County Department of Education.

Beverly P. Johnson, Administrator

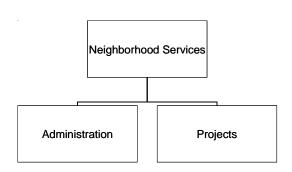

www.chattanooga.gov/communitydev

Mission:

To improve housing and employment opportunities for all low-to-moderate income Chattanooga residents and to provide the support needed to stabilize and revitalize low income communities.

Description:

Community Development, using grants from the U. S. Department of Housing and Urban Development, is dedicated to the revitalization of low-to-moderate income neighborhoods and the economic improvement of its residents. The department funds affordable housing initiatives, employment and business assistance, public facility and infrastructure improvements, and social services to assist the community as a whole.

Goals & Objectives:

To increase availability and access to affordable, quality housing in the City's low-to-moderate income communities.

- Increase neighborhood understanding of fair housing regulations to make sure good quality housing is accessible for lower income residents.
- **②***Increase the stock of available, quality housing by the creation of new homes and rental units or providing financing to enable residents to build a new home.*
- **3** Help homeowners preserve existing housing and restore structures that have become uninhabitable.
- **1** Encourage home ownership as a means of further stabilizing the community.

To drive the revitalization of Community Development Block Grant (CDBG) eligible neighborhoods.

- Strengthen the foundation of neighborhoods through infrastructure repairs and streetscape improvements.
- **2** Create or renew public facilities to be used as community centers in targeted neighborhoods.

To increase employment in lower income areas.

- Use available resources and training to make sure that lower income residents have needed skills to get and retain good jobs.
- **❷** Bolster the existing business base and encourage the creation of new enterprises through access to capital funds.

Department of Public Works

Steve Leach, Administrator Lee Norris, Deputy Administrator

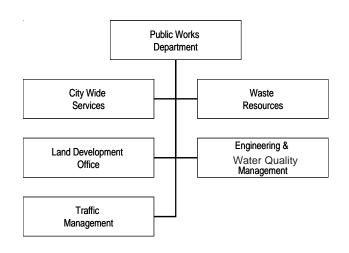

www.chattanooga.gov/pubworks/

Mission:

To preserve and enhance the quality of the physical environment through prompt, cost effective and courteous delivery of services that protect the health, safety and welfare of citizens, and to maintain and improve the city's infrastructure.

Description:

Public Works is responsible for the City's infrastructure: its design, construction and maintenance; the interceptor sewer system; the City's storm water system; the collection and disposal of garbage and brush, recycling and household hazardous waste; building inspections and code enforcement; and traffic management, signs and markings.

Goals & Objectives:

To preserve and enhance the city's physical environment, provide clean streets and clean water, and enforce zoning regulations as a foundation for a healthy and pleasing community.

- To achieve 100% compliance with applicable Federal and State clean water laws and regulations
- **2** Increase the number of clean communities by striving for 100% maintenance of rights-of-way, and dependable scheduled curbside garbage collection.
- To insure full compliance with zoning laws to preserve and protect communities and their citizens.

To provide prompt, courteous and cost-effective service delivery for solid waste collection, building inspection, permitting, and response to citizen inquiries and requests.

- Strive to consistently provide "on time" response to citizen service requests and inquiries.
- **2** Maintain and increase the percentage of residents satisfied with the city's response to service requests, including those whose requests fall outside the departments's authority.
- **3** Reduce the number of citizen complaints, especially those involving repeated storm water grievances.

Maintain and improve the infrastructure of the city, including streets, bridges, traffic lights, signals and parking meters; sewers, treatment plant and storm water facilities; and the landfill and recycling center

- **1** *Maintain and increase the quality of paved streets.*
- **②** *Maintain treatment plant, landfill and sewers in compliance with federal and state regulations.*
- **3** *Maintain and improve the condition and flow of the storm water infrastructure to address any existing or anticipated problem areas.*
- Ensure that the city has sufficient streets to handle substantive changes in the traffic load.

Department of Public Works

Steve Leach, Administrator Lee Norris, Deputy Administrator

www.chattanooga.gov/pubworks/

To protect the health, safety and welfare of the City's residents through the enforcement of building codes, flood protection and mitigation, traffic safety, and by providing for recycling and solid waste disposal, all within compliance of applicable state and federal regulations.

- To reduce the threat of personal or property damage or loss due to non-compliant construction.
- **2** *To prevent or mitigate property damage or loss due to flooding.*
- **3** To reduce the number of traffic accidents, injuries and fatalities in the City.
- **1** To anticipate and provide adequate capacity for disposal of the City's solid waste.

Department of Human Services

Bernadine Turner, Administrator Tommie L. Pruitt, Deputy Administrator

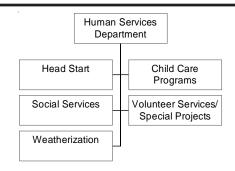

www.chattanooga.gov

Mission:

To improve quality of life by providing a safety net of services for very low income and/or disadvantaged citizens in Hamilton County.

Description:

The Department of Human Services seeks to improve the lives of the lower income or disadvantaged citizens in Hamilton County through a number of programs funded by the federal, state or local governments. These include Social Services, Head Start, Foster Grandparents, and child care. The department also offers emergency assistance to help individuals or families in dire circumstances maintain independent living.

Goals & Objectives:

To promote independent living, offering support and assistance to help the greatest number of residents maintain their autonomy.

- Maintain the Foster Grandparents program to enable eligible older adults to help special needs children within their community, while strengthening their bond to the neighborhood.
- **2** Offer emergency assistance including food vouchers, clothing, and rent or utility funds to prevent eviction or service interruption.
- Within the reach of Hamilton County, make certain that no one perishes because they lacked the resources to provide for the most basic human needs.
- ●Increase the availability of decent and affordable shelter through the Low Income Home Energy Assistance Program (LIHEAP), Weatherization, Mortgage Assistance, Rental Assistance and Reverse Mortgage counseling.
- **S** Reduce foreclosures, evictions and utility cutoffs within the very low income population.
- **6** Offer numerous channels to reduce hunger and improve nutrition.

Provide early education for low income children through Head Start and Early Head Start.

- Seek constant improvement in each child's skill attainment level, tracked in a Child Portfolio, as a gauge of school readiness.
- 2 Increase the numbers of children in Early Head Start.
- 3 *Increase childhood immunizations*.

Department of Personnel

Donna Kelley, Administrator Susan Dubose, Deputy Administrator

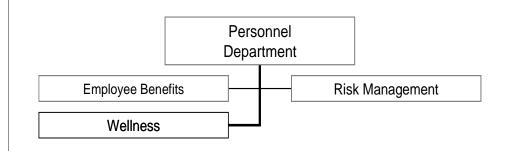

www.chattanooga.gov

Mission:

Recruit and retain a qualified and diverse workforce to serve our citizens in compliance with federal, state, and local laws.

Description:

Personnel works with each department to develop specific standards for the recruitment and hiring of a qualified, diverse workforce, and to help identify those employees who should be considered for promotion. The department also assesses job classifications, compensation and benefits, and offers employee training and skill development. In addition, Personnel maintains a competitive and quality medical program as well as two on-site medical clinics dedicated to employee wellness. The department also offers an Employee Assistance Program for confidential counseling service. All safety issues and on-the-job injuries are addressed through Risk Management.

Goals & Objectives:

Recruit a highly qualified workforce

- Determine the percentage of applicants that are qualified/well qualified.
- **2** Reduce to zero the number of positions posted for which no qualified candidates apply.
- **3** Determine and reduce the number of declined job offers.

Recruit and retain a diversified workforce that reflects a representation of the local workforce.

- Recruit individuals that are representative of local demographics.
- **2** *Seek diversity across all strata of pay and position.*
- **3** *Retain a well qualified, diverse workforce.*

Retain a well-qualified and experienced workforce.

- Reduce turnover of the most successful employees, and make a concerted effort to retain those that have been highly qualified and productive.
- **2** Use strategic initiatives to implement a wellness program that promotes and increases the good health of City employees as a means of maintaining a productive and effective workforce at reduced cost.

Ensure compliance with all federal, state, and City regulations and practices in all personnel circumstances.

www.chattanooga.gov

Mission:

To provide executive leadership for City government and enhance the City's capability to meet the needs of citizens by facilitating the effective, efficient and innovative application of information and resources.

Description:

The Executive Branch is comprised of the Mayor's Office, Office of Multicultural Affairs, and Office of Faith Based Initiatives. The Mayor is elected-at-large for a four year term. He serves as the chief executive officer and oversees the operations of all city departments. The Mayor sets administrative procedures and provides direction and leadership in carrying out the wishes of the citizens in matters of government operations.

The Office of Multicultural Affairs (OMA) is responsible for reviewing, implementing, and monitoring public policy that affects the disadvantaged cultural communities in Chattanooga. The Office of Faith Based Initiatives is designed to develop partnerships and resources that would empower efficient models of government with business and faith-based cooperation. The Great Ideas Competition is a scholarship based program initiated by Mayor Littlefield to reward high school juniors and seniors for their innovative ideas.

Goals & Objectives: Office of Multicultural Affairs

Eliminate discrimination in all its forms.

- Track hotline complains of discrimination and report to board.
- **2**Work with other agencies (i.e., UD, THRC, EEOC) to ensure City compliance.
- **3** Act as resource to City of Chattanooga Departments to ensure compliance with non-discrimination policies at the Federal, State and Local level.

Create a climate for equity and equal opportunity.

• Organize committees and task forces to educate the community.

Promote cross cultural communication

- **1** Create collaborative community projects.
- **2** *Identify and network with culturally diverse organizations and communities.*

Open communication between conflicting groups

- Conduct research and studies.
- **2** Liaison with appropriate advocacy groups to promote diversity principles.

Office of Faith Based Initiatives

Improve social services and their accessibility to all of our citizens

- Identify and assist in developing programs to address social isssues in our neighborhoods and communities.
- **2** Develop or enhance outreach programs that educate and enrich the lives of our youth and senior citizens.

Develop partnerships between government, business and faith-based organizations

- Assist social service programs that employ the resources of the faith community.
- 2 Provide open communications between government agencies in the area of faith-based concerns.

Prevent and end chronic poverty and homelessness

Education, Arts & Culture

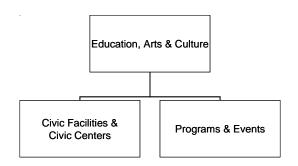

Missy Crutchfield, Administrator David Johnson, Jr., Deputy Administrator

Mission:

To expand, enhance and increase awareness and opportunities related to education, arts and culture; to provide safe, attractive and accessible public venues that invite both active participation and passive enjoyment of entertainment, cultural, and educational programs; and to take a leadership role in coordinating Chattanooga's public, private and non-profit agencies to advance public art, foster the visual and performing arts, and educational support enrichment for all citizens.

Description:

Education, Arts and Culture provides a wide variety of activities throughout the city through its civic facilities. The department consists of two major Civic Facilities and three Civic Centers. Civic Facilities manage, maintain and promote the use of the Memorial Auditorium and Tivoli Theatre. These facilities offer a gathering place for all citizens to enjoy the arts, special events, as well as regular programming for the public. They also host a wide variety of programming for school groups and young children. The Civic Centers promote the arts with programs that include art, craft, and music classes at Eastgate Senior Activity Center, Heritage House, and North River Civic Center. In addition to programs and information, publications are released to further enhance the awareness of the arts.

Goals & Objectives:

To maximize usage of all City of Chattanooga venues and facilities, and identify new sources of funding.

- Provide safe and secure venues with quality programs and productions for all Chattanoogans to enjoy.
- **2** *Identify and maintain opportunities for education, arts and cultural programs by actively seeking and sustaining sponsorships, partnerships and grants.*
- **❸** Launch a capital campaign for renovation of the Soldiers and Sailors Memorial Auditorium, the Tivoli Theatre, and the Community Theatre.
- **4** Promote film production through the Chattanooga SE/TN Film Commission.
- Cultivate new partnerships with public and private educational institutions and organizations.
- **6** Strengthen and develop effective community programming through collaboration with all City departments, as well as public and educational organizations.

To expand education, arts and cultural opportunities for underserved segments of the community.

- Increase and develop networking and programming opportunities between education, arts and cultural groups, schools, recreation centers, and area churches.
- **2** Expand programming that addresses diversity issues, social issues and community concerns.
- **3** Continue to work with area social services, art, and educational agencies to expand access to education, arts and cultural programs within the community.

To enhance the visibility of the arts in Chattanooga.

- Maintain the integrity and historic preservation of the City of Chattanooga civic facilities
- Collaborate with local education, arts and cultural groups to promote growth of special events and on-going programs at City of Chattanooga public sites.
- **9** Use City of Chattanooga civic facilities, civic centers, recreation facilities, and outdoor sites for Education, Arts & Culture events and programs.
- Identify opportunities for partnerships with all print, broadcast and on-line media to create new outlets for education, arts and cultural information.

Debt Service Fund

The Debt Service Fund was established to account for all principal and interest payments on the City's long-term debt. This fund is accounted for using the modified accrual method of accounting. The long-term debt is composed of City of Chattanooga General Obligation Bonds, Notes Payable, and Capital Leases. A majority of the outstanding debt is general obligation bonds. The debt can be either Direct Indebtedness, in which case an operating transfer is made from the General Fund for the maturity payments, or it can be an Indirect Indebtedness, with the supporting fund transferring funds for the maturities. The following chart shows the history of the City's debt over the past six years and the relationship between Direct and Indirect Indebtedness.

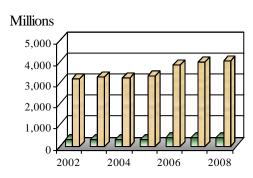

Gross outstanding indebtedness as of June 30, 2008 is \$415,375,442. This amount includes a 30-year capital lease of \$111,411,938 with final payment due on October 1, 2030 and 5-year capital lease of \$3,800,000 (balance on June 30, 2008 is \$1,191,838) with final payment due on July 1, 2009. Total authorized unissued debt at June 30, 2008 related to the 2004 TMBF Loan is \$1,603,620.

The City government is authorized by the City Charter to issue bonds. Title 6, Chapter V, Article I, Section 6.107 of the Charter creates this authority and at the same time creates a debt limit.

Sec.6.107. General Debt Limit. Hereafter no bonds shall be issued by the City of Chattanooga in such an aggregate amount as will create or increase the total bonded indebtedness of said City more than ten percent (10%) of the assessed valuation for the preceding year of all taxable property in said City.

The chart to your right shows the debt limit for the past six years, based upon the assessed property valuation for the same period of time. After viewing the debt limits imposed by the City Charter when considering the assessed property valuation, the next chart presented compares the Net Direct Indebtedness with the 10% Debt Limit.

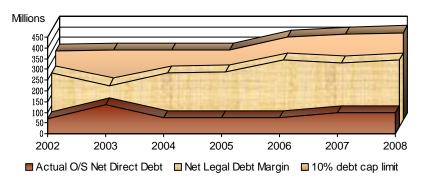

General Obligation Debt Limit Fiscal Year 2002 thru 2008

■ 10% debt limit ■ Assessed value

The Net Direct Indebtedness is the Gross Indebtedness less the Self-Supporting Indebtedness and the Debt Service Fund Balance for each year. As is evidenced by the following chart, the City's Net Legal Debt Margin is very favorable.

Actual Outstanding Debt vs Debt Limit Fiscal Year 2002 thru 2008

In October 2000, the City entered into a 30-year noncancelable capital lease agreement with the Chattanooga Downtown Redevelopment Corporation (CDRC), formerly the Southside Redevelopment Corporation, for the purpose of financing the cost of designing, acquiring, constructing and equipping four (4) facilities in the Tourist Development Zone comprising of more than 631,210 sq. ft. at a cost of over \$120M. The lease provides for semi-annual payments in amounts sufficient to meet the annual debt service requirements on \$129M in revenue bonds issued by the Industrial Development Board (IDB) of the City of Chattanooga on behalf of the CDRC, a non-profit corporation. IDB bonds are secured by payments to be made by the CDRC. The lease payments are funded by the city's share from the 1/2% increase in the county-wide sales tax passed by the county-wide referendum (see page 151 for more details), income from The Chattanoogan, state incremental sales tax generated in the Tourist Development Zone and interest income from a debt service fund in excess of \$9M included as part of the bond issue. The City's obligation under the capital lease is estimated at \$111,411,938 at June 30, 2008. The debt service reserve fund held by the fiscal agent at June 30, 2008 amounts to \$9,783,266. The fiscal agent is required by the agreement to apply any interest on the debt service reserve fund toward the lease payments. The debt service reserve fund will be used to retire debt near the end of the lease. Beginning in FY2003, this long-term lease agreement is reported as an obligation from the City resulting in a high increase in the gross outstanding debt.

In order to take advantage of declining interest rates in 2002, the City issued \$58,130,000 General Obligation Refunding Bonds and \$38,290,000 Series A Refunding Bonds. These bonds refunded certain outstanding issues in FY02. That same year, the City also issued \$54,990,000 Hotel-Motel Tax Revenue Pledge Bonds for the 21st Century Waterfront Plan which is for the improvement in the downtown and riverfront area to encourage tourism and enhance the quality of life in Chattanooga.

In FY03, the City issued \$12,190,000 General Obligation Bonds and \$13,175,000 Sewer Refunding Bonds. The City also entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$37,321,000 from the State Revolving Loan Fund. This loan is for sewer projects related to upgrades & expansion of the Moccasin Bend Waste Water Treatment Plant. Loan funds are drawn as needed. The loan has an interest rate of 2.98% with repayment over 20 years.

In FY04, the City entered into an agreement with the Tennessee Municipal Bond Fund for a variable rate loan not to exceed \$6,000,000. This debt is to partially fund certain projects in the FY02 Capital Budget. The City also increased the State Revolving Loan Fund debt by \$3.4M increasing the total loan amount from \$37,321,000 up to \$40,721,000. Pursuant to a loan agreement with Fannie Mae American Communities Fund, the City is authorized to incur indebtedness up to \$5,000,000 to finance the cost of infrastructure relative to the Alton Park Hope VI grant as part of the City's match. The source of funds for repaying the loan shall be program income generated by Chattanooga Neighborhood Enterprise (CNE) from the use of funds obtained through

Community Development Block Grant (CDBG) activities. In the event program income is insufficient to pay the loan, the City pledges to pay the same from available appropriations or reserves. The loan is structured on a ten-year amortization schedule with the possibility of an earlier lump-sum payment. Funds will be drawn as needed and as of June 30, 2008 the City had drawn down \$4,576,000. A five year Capital Lease Agreement for \$3.8M was entered into by the city for the 800 MHz Communication System. Lease payments will be funded by the Hamilton County Emergency Communication District (911) subject to availability of funds, pursuant to an interlocal agreement between the City, Hamilton County and 911.

In 2004 the CDRC entered into a swaption contract to provide an upfront payment of \$3,088,000 based on a notional amount of \$59,655,000. As a synthetic refunding of its 2000 bonds, this payment represents the risk-adjusted, present-value savings of a refunding in October 2010 without issuing refunding bonds currently. The counterparty has the option to exercise the agreement on October 1, 2010. The fixed rate swap (5.45%) was set at a rate that, when added to an assumption for remarketing and liquidity costs, will approximate the coupons of the "refunded" bonds. The swap's variable payment would be based on the Bond Market Association Municipal Swap Index. At June 30, 2008, the swap had a negative fair value of \$6,542,797.

In FY05, the City issued \$51,375,000 General Obligation Refunding Bonds Series 2005A. These bonds refunded portions of outstanding issues of 2001 General Obligation, 2002 Hotel-Motel Tax, 1998 Sewer, Storm Water and Solid Waste General Obligation and 2001 Storm Water and Solid Waste General Obligation bonds. In December 2004, the City received approval to enter into an agreement with the Public Building Authority of Clarksville, Tennessee (PBACC) from the Tennessee Municipal Bond Fund Series 2004 for an amount not to exceed \$25,000,000 including originating cost of the loan used to fund the Fiscal Year 2004 and 2005 Capital Projects. As of June 30, 2008, \$20,534,058 had been issued out of the total \$24,838,671 estimated projects cost.

In FY07, the City issued \$26,400,000 General Obligation Bonds, Series 2006A. These bonds were issued to support the FY06 & FY07 capital improvement budgets of which \$5.7M for SolidWaste or landfill improvements and \$20.4M general government capital improvement including \$2M as a portion of the costs of a public building housing an animal shelter to be owned by the City and operated by the Animal Care Trust, a Tennessee not-for profit institution operating under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. The City also issued \$56,110,000 Lease Rental Revenue Refunding Bonds, Series 2007. The proceeds of the Series 2007 Bonds are to be used to (i) advance refund \$55,340,000 in aggreagate principal amount outstanding of certain of the Prior Bonds (Series 2000), and (ii) pay the costs of issuing the Series 2007 Bonds. The proceeds of the Series 2007A Bonds (\$17,750,000) were issued to provide the funds to advance refund certain outstanding maturities of the General Obligation Bonds, Series 2001 totaling \$17,715,000.

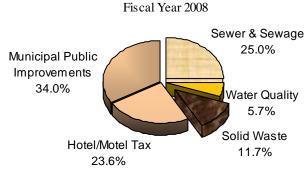

In FY08, The City entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$13,000,000 from the State Revolving Loan Fund. This loan is for sewer

projects related to upgrades & expansion of the Moccasin Bend Waste Water Treatment Plant. Loan funds are drawn as needed. The loan has an interest rate of 2.79% with repayment over 20 years.

The \$415,375,445 Gross Outstanding Indebtedness of the City of Chattanooga as of June 30, 2008 reflects the financing decisions being made by the City to meet its long-term goals.

As this chart point out, the City is concentrating on Sewers and Municipal Public Improvements Bonds to satisfy the needs generated by these goals. All of the

General Obligation Bonds by Purpose

Sewer portion of the debt and 66.4% of the debt for Municipal Public Improvements is self supported debt.

The City is in an excellent position to issue additional debt if required for future projects. The operating transfer from the General Fund to pay the non-supported portion of the debt has remained fairly constant for the past five years, as reflected in the following chart.

In FY 2004, the General Fund appropriated \$7,636,840. This increase from FY03 reflected the new \$12.2 million G.O. Bonds issued that same year.

In FY 2005, the General Fund appropriated \$8,772,293. This increase from FY04 covered additional debt from FY04 that will be paid in FY05.

In FY 2006, the General Fund appropriated \$9,801,307. This increase from FY05 covered additional funds withdrawn from authorized bonds and loans in FY05 and paid in FY06.

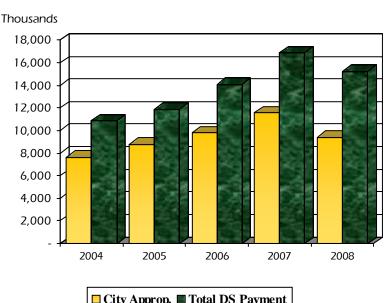

In FY 2007, the General Fund appropriated \$11,567,051. This increase from FY06 reflects an anticipated debt issue of \$30M to cover FY06 and FY07 capital project expenditures.

In FY 2008, the General Fund appropriated \$9,392,174. This decrease from FY07 is due to the effect of 2007A Refunding, debt retirements and the planned use of \$567,100 from the Debt Service fund balance.

In FY 2009, the General Fund will appropriate \$12,166,456. This increase from FY08 is due to the principal retirement structure of existing debt as well as the planned sale of bonds in the fall to cover the FY08 and FY09 capital budgets.

Overlapping Debt

In addition to the City, the County has the power to issue debt and to levy taxes or cause taxes to be levied on taxable property in the City. As of June 30, 2008, the County had gross outstanding general obligation bonded debt of \$188,260,000 and net indebtedness of \$188,020,662. The percentage of County net indebtedness applicable to the City is 60.39% or \$136,287,686. Also included in this section on Debt Service are schedules on Debt Ratios as of June 30, 2008, Historical Debt Ratios, and an analysis of General Obligation Debt as of June 30, 2008.

Note: (1)

- (1) \$170,000 is payable from the hotel-motel tax collected by Hamilton County for such purpose,
- (2) Sewer and Sewage Facilities Bonds have the pledge of unlimited ad valorem taxes on all taxable property in the City for their repayment. However, such bonds have been paid by the City from revenues derived from the operation of the City's Interceptor Sewer System.
- (3) This amount represents 100 percent of the outstanding balance on a State revolving loan, which will be paid by the City from revenues derived from the operations of the City's Interceptor Sewer System and from the operations of the Storm Water fund.
- (4) The City of Chattanooga is the lead agent on the State of Georgia Revolving Loan; however, the debt is to be repaid by participating North Georgia municipalities.
- (5) Funding will be paid by revenues from incremental State sales tax, profits from the Chattanoogan center, and the city's Share of the 1/2% increase in the county-wide sales tax passed by county-wide referendum held in February 2004. This increase replaced the 1/2% city-only sales tax effective July 1, 2004.
- (6) \$39,432,896 represents the outstanding balance of 1998 through 2007A Municipal Public Improvement Bonds of which \$12,998,664 is related to Water Quality and \$26,434,233 is related to Solid Waste, which will be paid by the city from the revenue derived from the operations of these funds. \$396,760 & \$514,482 from the 2003 ane 2004 Tennessee Municipal Bond Fund, respectively.

Future Capital Financing

Each year the City develops and formally adopts a long range, five year capital improvement program (CIP). Annually, as part of the CIP process, the City departments are asked to review and prioritize their capital needs for the next five years. The capital projects for the first fiscal year of the five year CIP form the basis of the capital budget for that fiscal year. When the capital budget projects are finalized for the fiscal year, those projects are formally adopted by the City Council. The capital budget is funded each year from a variety of sources including debt proceeds, City appropriations, and Federal and State aid. Since departmental needs often change over time, the CIP is considered preliminary and subject to change until a capital budget is formally adopted by the City Council for a given fiscal year.

Capital Projects

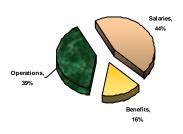

Personnel Administration

hattanooga's number one priority is to provide the most effective and efficient services to the citizens. Our program is designed to provide one with challenging and rewarding opportunities and a chance to build a career and future.

The City's compensation package includes: salaries, major medical health insurance, life insurance, social security, retirement plans, deferred compensation plans, worker's compensation, leave, unused leave pay and leave buyback.

Salaries. Salaried and hourly employees are paid on a weekly or biweekly basis, dependent upon position. Employee salaries and fringe benefits represent 60.25% of the total FY 2009 operating budget.

On January 31, 1995 there was an ordinance passed (Ordinance 10163) that provided for overtime pay and compensatory leave. All non-exempt employees who work more than 40 hours during a work week or more than his or her normally scheduled work day or exceeds the maximum work hours in his/her normal work period are to receive their choice of overtime pay or compensation leave at the rate of 1.5 times the number of excess hours worked.

A provision has been established for exempt employees in pay grades 15 through 18 who work in excess of the maximum allowable hours worked to be credited with compensatory leave equal to the number of excess hours so worked.

Employees in pay grade 19 and above shall be ineligible to receive overtime pay or compensatory leave unless expressly authorized by the mayor and/or City Council.

In FY 2007, a pay-behind system was instituted where employees are paid one full pay period after the time is worked. This allows the city better use of computerized controls and brings the city into better compliance with the federal Fair Labor Standards Act.

Health Insurance. Chattanooga offers major medical health and hospitalization group plans to all full-time employees. Coverage begins on the first day of the first month coincident with or immediately following completion of 90 days of active employment. Currently, the City of Chattanooga contracts with Blue Cross Blue Shield for employee medical coverage. The average monthly contribution by City employees with an individual policy will be \$75.96 per month, employee + child \$129.08 per month, employee + spouse \$149.00 per month and family \$208.80 per month. Health Savings Accounts are now available to city employees at no cost to the employee, and the City also contributes 10% of the total HSA premium cost into the employees account.

In FY 2009, employee's Major Medical Health and Hospitalization group plan cost will amount to \$16,900,000, with another \$1,809,025 projected to be spent on job injuries. In FY 2007 the City instituted a new benefit to city employees with the establishment of Onsite Medical Clinics. Any employee enrolled in a health insurance plan is eligible for free care and selected prescription drugs at either of the two city clinic locations. This is expected to reduce the amount the city pays in medical claims, as well as reducing/ eliminating costs for job injuries, physical exams, and drug testing by bringing them in-house.

Life Insurance. On July 1, 1986 the death benefits of the group term life insurance program sponsored by the city for all eligible employees was upgraded to equal to 100% of an employee's annual salary, with a maximum benefit of \$50,000. For FY 2009, the cost of this life insurance benefit will be \$0.1875 per \$1,000 of salary.

Social Security (FICA). All City employees are enrolled under the Social Security Act, except for sworn Fire & Police personnel. The City contributes the employer's share of 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$90,000. Additionally, the Federal Insurance Program requires that an additional 1.45% be paid on all earnings.

Deferred Compensation. The City offers a voluntary Deferred Compensation Plan for its employees to supplement the City-provided retirement plan. The City does not contribute to this plan. The four companies administering this benefit are Hartford Life Insurance Company, ING, ICMA (International City/County Management Association) and Nationwide Retirement Solutions.

Long-term Disability. In FY 1998, the City instituted a long-term disability plan in conjunction with the general pension board. The city pays one-half of the monthly premium at a rate of \$0.2250 per \$100 up to age 62.

Personal Leave. Personal leave is a combination of annual, sick and holiday leave into one paid leave system.

The City observes nine (9) paid holidays throughout its fiscal year. Holidays included are as followed:

New Year's Day
Martin Luther King's Birthday
Good Friday
Memorial Day
Independence Day
Labor Day
Thanksgiving Day
Day After Thanksgiving
Christmas Day

The City Council may also designate other special holidays.

The accrual period is on a bi-weekly basis. Employees shall earn Personal Leave at the following rates:

Years of Service:

| <u>0 - 10</u> | <u>11-17</u> | <u> 18 +</u> |
|----------------------|--------------|--------------|
| Hours accrued bi-wee | kly | |

| 11.08 | 12.31 |
| lly | |
| 288 | 320 |
| У | |
| 36 | 40 |
| | Lly 288 |

Personal Leave shall be earned before it is taken. New employees shall earn Personal Leave after working one complete two week accrual period. Employees completing ten or seventeen years of employment shall earn Personal Leave at the new rate after working one full two week accrual period after his/her anniversary date. The maximum number of Personal Leave days that can be carried over from one accrual year to the next is 100. Every employee shall be eligible to carry over at the end of February (12 months beginning March 1st) no more than ten days (100 maximum) of personal leave in addition to his/her personal leave days carried over from the previous accumulation year. Any leave that is required to be taken, but not used, shall be deducted at the end of the respective leave year in which such leave was required to be taken.

Special Leaves with pay include: Reservists leave of absence, Court attendance, meetings to attend professional and technical institutions, or conferences, that are job-related and may contribute to the effectiveness of the employee's services, and educational leave less than 14 days (if longer than fourteen days must be approved by the City Council).

Unused Leave Pay. Upon retirement, unused personal leave shall be paid in cash, at the daily rate of pay of the employee, not to exceed the maximum allowed.

Upon retirement because of disability, the employee is required to use their personal leave balance prior to beginning disability benefits.

Upon separation for reasons other than retirement, unused personal leave is paid, in cash, at the employee's daily rate of pay, not to exceed the maximum allowed.

Leave Buyback. Upon application of an employee, the City of Chattanooga may purchase back from its employees personal leave which they have accrued. but only under the following circumstances and conditions which must be agreed to by each employee seeking to sell the leave:

- No more than sixty (60) days of leave will be purchased from any employee during his/her lifetime;
- The City will pay to the employee seventy percent (70%) of the employees daily salary for each day of leave sold back to the City by the employee;
- The employee agrees in writing that the cap on the amount of days that employee is entitled to accumulate over his/her career will be reduced on a dayfor-day basis for the number of days the City is purchasing;
- The city will not purchase any days which would lower the employees total accumulated leave below thirty (30) days;
- The practice of buying back leave will be subject to the availability of funds to do so at the time of the request, the determination of which availability will be at the sole discretion of the city administration; and
- Funds realized by employees from the sale of leave will be excluded from pension-eligible earnings.

Personnel Changes

The Fiscal Year 2009 changes are as follows:

The major personnel change for fiscal year was the implementation of a new pay plan. The plan was a result of an examination of all positions in the City. All City positions were placed in grades based on benchmarks for cities similar to Chattanooga. New positions were created in the 4000 series to better represent classifications citywide.

General Government

In fiscal year 2009, the General Government Department had no changes.

Department of Finance & Administration

In fiscal year 2009, the Department of Finance & Administration had a tranfer on one position from the Public Works Department, Development Planning Manager, this resulted in an increase of one position for the year.

OAM - Office of Asset Management.

OMA - Office of Multicultural Affairs

OPR - Office of Performance Review

Operating Expenses Supplies - The cost for personnel, materials and equipment required for a department to function.

Operating Revenues - Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

Output Indicator - A unit of work accomplished, without reference to the resources required to do the work (e.g., number of permits issued, number of refuse collections made, or number of burglary arrests made). Output indicators do not reflect the effectiveness or efficiency of the work performed.

P.A.L. - Police Athletic League

Pay-as-you-go Basis - A term used to describe a financial policy by which capital outlays are financed from current revenues rather than through borrowing.

Performance Budget - A budget wherein expenditures are based primarily upon measurable performance of activities and work programs.

Performance Indicators - Specific quantitative and qualitative measures of work performed as an objective of specific departments or programs.

Performance Measure - Data collected to determine how effective or efficient a program is in achieving its goals and objectives. There are four types of performance measures: input, output, outcome, and efficiency.

Input measures address the amount of resources used in providing a particular service (ex. dollars,

P - S

employee-hours, etc.).

<u>Output measures</u> describe the activities undertaken in providing a service of carrying out a program (ex. # of emergency calls or the # of cases heard)

<u>Outcome measures</u> are used to evaluate the quality and effectiveness of public programs and services (ex. # of crimes committed per capita or \$ of property lost due to fire).

<u>Efficiency measures</u> relate inputs, or resources used, to units of output or outcome, and provide evidence of trends in productivity (employee hours per crime solved).

Personal Services - Expenditures for salaries, wages, and fringe benefits of a government's employees.

Prior-Year Encumbrances - Obligations from previous fiscal years in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation, and for which a part of the appropriation is reserved. They cease to be encumbrances when the obligations are paid or otherwise terminated.

Program Performance Budget - A method of budgeting whereby the services provided to the residents are broken down in identifiable service programs or performance units. A unit can be a department, a division, or a workgroup. Each program has an identifiable service or output and objectives to effectively provide the service. The effectiveness and efficiency of providing the service by the program is measured by performance indicators.

Program Revenue (Income) Revenues earned by a program, including fees for services, licenses and permits, fees, and fines.

PSC - Public Service Commission

Purpose - A broad statement of the goals, in terms of meeting public service needs, that a department is organized to meet.

Reserve - An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future purpose.

Resolution - A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

Resources - Total amounts available for appropriation including estimated revenues, fund transfers, and beginning balances.

Revenue - Sources of income financing the operations of government.

PILOT- Payment in lieu of taxes

Program - A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the government is responsible.

Program Budget - A budget which allocates money to the functions or activities of a government rather than to specific items of cost or to specific departments.

Revenue Bond - This type of bond is backed only by the revenues from the specific enterprise or project, such as a hospital or toll road.

Service Lease - A lease under which the lessor maintains and services the asset.

Service Level - Services or products which comprise actual or expected output of a given program. Focus is on results, not measures of workload.

Site-based Budgeting - A decentralized budget process whereby budget preparation and development are based on individual school (and department) sites.

Source of Revenue - Revenues are classified according to their source or point of origin.

Special Revenue Fund- These funds are used to account for revenues from specific taxes or other earmarked revenue sources which by law are designated to finance particular functions or activities of government

SRO - School Resource Officer

SSO - Sanitary Sewer Overflow

Supplemental Appropriation - An additional appropriation made by the governing body after the budget year or biennium has started.

Supplemental Requests - Programs and services

which departments would like to have added (in priority order) over their target budget, or if revenue received is greater than anticipated.

Target Budget - Desirable expenditure levels provided to departments in developing the coming year's recommended budget. Based on the prior year's adopted budget, excluding one-time expenditures, projected revenues, and reserve requirements.

Tax Levy - The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

Taxes - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the people. This term does not include specific charges made against particular persons or property for current or permanent benefit, such as special assessments.

TOSHA - Tennessee Occupational Safety and Health Administration

Transfers In/Out - Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

TRPA - Tennessee Recreation and Parks Association

Unencumbered Balance - The amount of an appropriation that is neither expended nor encumbered. It is essentially the amount of money still available for future purposes.

Unreserved Fund Balance - The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

User Charges - The payment of a fee for direct receipt of a public service by the party who benefits from the service.

VAAP - Enterprise South formerly Volunteer Army Ammunition Plant

Variable Cost - A cost that increases/decreases with increases/decreases in the amount of service provided such as the payment of a salary.
