All individuals currently living within the City are still strongly urged to continue limiting activity following the guidelines of the Governor's Economic Recovery Group (ERG) for all public interactions and general health

guidelines from the CDC and/or the Hamilton County Health Department. Our County has had reduced counts of positive cases of COVID-19 and related deaths within this community within the past week as a result of the continuing business limitations. **As a result of Directive No. 6 and Governor Lee's Executive Order No. 80 all persons in the City are still encouraged to wear a facial covering or mask which covers the mouth and nose at all times when indoors in all public and private buildings.** All individuals are urged to maintain social distancing of at least six feet from any other person when they are outside their residence and to follow CDC and Governor Lee's Health Guidelines as set forth in Executive Order 77. All employers in this City are encouraged to allow remote work/telework if possible. All employers should provide that persons with COVID-19 or COVID-19 symptoms are required to stay at home, and that employers may not require or allow employees with COVID-19 to work.

2. All previous restrictions which were contained in Mayor Berke's Executive Orders issued since March 13, 2020 relative to Travel Restrictions; Mass Gatherings Prohibited; Closure of Non-Essential Services Businesses; Essential Activities; Essential Services Businesses; Non-Essential Services Businesses; Essential Travel; Healthcare Operations; Essential Infrastructure; Essential Governmental Functions; Minimum Basic Operations; and Social Distancing Requirements; are repealed and suspended but all persons are encouraged to maintain at least six (6) feet of separation from persons outside their household in compliance with the provisions of Governor Lee's Executive Order No. 77.
3. Based on the County's report of positive cases and deaths within the past week, social and recreational gatherings should still maintain adequate social distancing in accord with CDC and Governor Lee's Health Guidelines in Executive Order No 77. This Executive Order does not apply to places of worship, for which there are guidelines for safe operation of worship services and gatherings, though places of worship are urged to continue virtual or online services where possible.
