

CITY OF CHATTANOOGA

Classification Specification Title: Deputy Administrator Wastewater

Department: Wastewater

Pay Grade: GS.19

Supervision Received From: Admin Wastewater

FLSA Status: Exempt

Supervisory Responsibility For: Directors

Established: 12/12/22

**Revision Dates: 4/1/25;
10/20/23**

CLASSIFICATION SUMMARY:

Incumbents in this classification are responsible for serving as Chief of Staff for the Department of Wastewater and coordinating actions of the divisions, including Administration, Engineering, Operations and Maintenance. Duties include overseeing daily activities of the divisions to ensure compliance with applicable laws, ordinances, policies and practices; managing and preparing department operational and capital budgets; monitoring expenditures and adjusting budget requirements as needed; managing departmental personnel actions including hiring, dismissals, disciplinary actions and grievances. Work is performed under administrative review, working with the maximum degree of initiative and judgment.

SERIES LEVEL:

The Deputy Administrator, Wastewater is the first level of a two-level executive management series in Wastewater.

ESSENTIAL FUNCTIONS:

(The following duties ARE NOT intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of the primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional, position-specific duties.)

Supervises lower-level department staff to include prioritizing and assigning work; setting and monitoring performance standards; conducting performance evaluations; ensuring staff is trained; ensuring that employees follow policies and procedures; maintaining a healthy and safe working environment and making hiring, termination and disciplinary recommendations.

Provides oversight and directs the implementation of all Wastewater department operations and activities which includes planning, coordinating, administering and evaluating programs, projects, strategic planning, processes, procedures, systems, standards and/or service offerings; ensuring compliance with federal, state and local laws, regulations, codes and/or standards; coordinating activities between multiple service areas and working to integrate and coordinate service areas.

Manages the preparation and execution of the department's operational and capital budgets; authorizes expenditures; monitors expenditures and makes required budget adjustments and approves a variety of payments, including contractual payments.

Establishes project guidelines for divisions and ensures compliance with established deadlines.

Oversees departmental compliance with applicable ordinances, codes, laws, rules, regulations, standards, policies and procedures. Reviews and approves departmental personnel actions.

Formulates and implements training initiatives and programs using internal and external resources for maintaining and improving employee skill sets across all personnel groups to enhance employee development, improve work performance and customer service outcomes.

Develops, implements and evaluates sustainability strategies, plans, programs, cost-effectiveness and technical feasibility; ensures compliance with policies, standards, regulations and laws.

Researches, evaluates and identifies sustainability practices, partnerships; and reviews regulator, technical or market issues related to sustainability; and makes appropriate recommendations to management. Performs special tasks and coordinates the completion of special projects as assigned by the Mayor's Office or the Administrator of Wastewater.

Monitors the timely, appropriate and adequate response to citizen inquiries and complaints by Wastewater personnel.

Collaborates with internal departments, applicable Boards and Commissions, task forces, advisory groups, the general public, external agencies, contractors, attorneys and/or other interested parties to coordinate activities, review work, exchange information and resolve problems.

Prepares, reviews, interprets and analyzes a variety of complex and multi-faceted departmental information, data, contracts, plans, work requests, maps, technical publications, manuals, reference materials, forms, schedules, calendars, surveys and reports; evaluates information to determine compliance with standards, detect or assess problems and recommends the best solutions based on findings.

Cultivates and maintains constructive and cooperative working relationships with community groups and other stakeholders; finds the best way to communicate information.

Explains and interprets the costs and benefits of various Wastewater activities, projects or plans to the affected community groups, stakeholders, media and the public at large.

Responds to requests for information and assistance from employees, outside agencies, the general public and/or other interested parties.

Serves as the Administrator in his/her absence.

Must meet regular attendance requirements.

Must be able to maintain good interpersonal relationships with staff, co-workers, managers and citizens.

Must accomplish the essential functions of the job, with or without reasonable accommodations, in a timely manner.

Performs other duties as assigned.
