Message from the Mayor

Since the first day of my Administration, I've been focused on one thing: helping Chattanooga live up to its potential and become the best city in America to call home. Our city should be a place where every person and family has access to opportunity, where the things that bring us together get more attention than those that pull us apart, and where the bond of community makes every resident proud to be a Chattanooga. It's why I ran for mayor – to build a stronger, safer, and more unified community, as One Chattanooga.

Last year we formulated a bold, actionable budget to begin making ONE Chattanooga a reality. We made significant progress on our city's toughest issues, from homelessness to public safety. This year we are continuing to fund that work – with a sharpened focus on the things that matter most to Chattanoogaans.

In the year ahead, we will continue to create safer, healthier, and more connected neighborhoods across the city. Through federal funding, we will create and preserve more than 400 new units of affordable housing over the next year, and we'll develop a world-class team under our Chief Housing Officer. We'll also keep an emphasis on public safety by modernizing our fire department and building upon our citywide gun violence prevention plan.

This year's budget also includes significant investments in our local infrastructure, from roads to bridges to parks. We will continue to improve road conditions with another \$10 million per year for paving, and we're allocating more than \$2 million for park creation and revitalization, including major improvements to the Chattanooga Skate Park. And of course, we'll keep filling potholes across the city!

Finally, this budget reinforces my commitment to reform city government – so that every dollar of taxpayer money is being used where it will make the most impact and best meet the needs of Chattanoogaans. We're implementing a city-wide cost-savings incentive program and investing in things that will improve essential city services, like more refuse trucks and new driver positions.

The bottom line is that Chattanoogaans deserve to have their tax dollars put to work for the things that matter most to them – from roads, to public safety, to affordable housing. And that's exactly what this budget does, in the most effective and efficient way possible.

Mayor Tim Kelly
City of Chattanooga

Budget Highlights

This budget is laser focused on implementing the bold, actionable strategy set in place by Mayor Kelly's One Chattanooga and doing so in a sustainable manner.

Early Learning

While most of our early learning budget is grant funded and not included in the General Fund, this budget once again includes supplemental funds for Head Start salaries to ensure our youngest constituents have excellent teachers to provide them a solid foundation. This budget supports a new Community Forward School Coordinator to provide wrap-around services to focus on English as a Second Language students to position them for academic success.

Economic Development

The FY24 budget supports the Economic Development Department in navigating the city's economic development efforts. This includes expanding routes to the Chattanooga Metropolitan Airport; it also provides for apprenticeship programs and workforce development.

Affordable Housing

Last year we allocated an unprecedented \$33 million investment to seed a \$100 million affordable housing initiative designed to preserve or create thousands of units of affordable housing over five years. This budget provides a Director of Housing Finance and a Director of Housing Policy, along with an Executive Assistant, to build out the affordable housing team.

We are working with nationally renowned consultants to determine housing needs across the city and to develop a policy toolbox that incentivizes developers and landlords to build and rent affordable units in the neighborhoods that need it most.

A portion of the housing team works to effectively utilize federal funds. We are deploying \$3 million in federal funds to create or preserve over 400 additional units of affordable housing over the next year.

For fiscal year 2024, the Office of Homeless and Supportive Housing is moving under the umbrella of affordable housing. This office has seen remarkable success with a reduction of nearly 40 percent in the number of unsheltered people experiencing homelessness in Hamilton County during the last calendar year. They will continue to strengthen partnerships with the AIM Center and oversee the conversion of the Airport Inn to assist the chronically homeless to rebuild their lives. Additionally, they will work with the Chattanooga Regional Homeless Coalition to sharpen efforts to rapidly rehouse veterans and households with children experiencing homelessness.

Roads and Critical Infrastructure

This budget includes \$187 million for roads and critical infrastructure.

Of that, \$10 million is included for repaving roads as part of a commitment to invest at least \$40 million over four years for repaving roads throughout the city to reverse years of lagging Pavement Condition Index (PCI) scores. While we have paved 60 lane miles and filled over 40,000 potholes, there is more work to be done.

In addition to repaving roads, this budget includes:

- \$19.9 million for bridges (includes \$13.3 million federal funding)
- \$2 million for traffic signal synchronization and optimization
- \$2.1 million for road projects and sidewalks

This budget also includes significant investment for our environmental infrastructure, including nearly \$142 million for wastewater projects and \$11 million for stormwater projects.

Community Health

Mayor Kelly launched the Office of Community Health. Community health is a broad and vital measure that encompasses physical health, mental health, safety and security, and social connectivity.

Office of Community Health

The office has shifted resources from the pandemic to address racial and socioeconomic disparities in public health outcomes and the prevention of violence in our community. This budget includes resources for the Office of Community Health to partner with the Chattanooga Police Department to continue a city-wide gun violence prevention program.

Community Centers

A key component of community health are our community centers. The restructured Department of Community Development will focus solely on community centers and the services provided by the Office of Family Empowerment. There will be a renewed focus on health screenings in the centers and programming for all ages.

Outdoor Spaces

Another vital component of health is access to outdoor spaces. The Department of Parks & Outdoors is focusing on neglected maintenance in our neighborhood parks while they are finalizing a master parks and outdoor plan in partnership with the Trust for Public Land. The capital budget includes \$1.3 million for Provence Park and restore the city's eligibility for national funding opportunities. It also includes \$1.0 million to begin revitalization of the skatepark and over \$700,000 for community green spaces and neighborhood park improvements.

Safety

Both the police department and the fire department serve our citizens in their most challenging times. This budget continues to support victims through the Family Justice Center and enhances technology resources to support crime prevention. It also includes nine new firefighters and five new fire trucks to help maintain the city's ISO rating.

Effective and Responsive Government

This budget includes multiple investments to streamline city processes. It includes shifting of some services between departments to better align service delivery and addressing the need for a civilian step plan.

Investing in Frontline Workers

In the last two years we have invested in our people — the backbone of this service organization. In FY22 we invested more than \$30 million to implement a new compensation plan for first responders and essential workers, helping us get the City back to par with benchmark cities. In FY23 we included a 3% cost of living adjustment for all

full-time and part-time employees including sworn employees, the first time in eight years. We also developed a separate pay plan to recognize the critical 24/7 support of the employees at the Moccasin Bend Environmental Campus.

This year we intentionally engaged the city-wide workforce to gain an understanding of their perception of the City of Chattanooga as an employer of choice. We consistently heard that it is demoralizing to provide no movement from the minimum of the pay plan and to reward high performers the same as all employees. As a result, this budget includes a new step pay plan for non-sworn, non-wastewater employees with an emphasis on our hourly, frontline employees.

For the initial year, hourly employees will receive credit for years of service then two step increases. Salaried employees will be placed in the plan and receive a 2% cost of living increase consisting of two steps. This budget also provides supplemental funds for Head Start in order to fully implement the \$15.76 minimum wage. In future years, we will layer performance into the determination of individual employee step movement. Sworn employees and wastewater employees will receive their planned step increases.

Improved Service Delivery

This budget provides investment in strategic new positions, equipment and technology. New positions that improve service delivery include four new drivers for garbage pickup, two new short-term vacation rental inspectors and an administrative hearing officer. The capital budget includes seven new refuse trucks as well.

Key technology enhancements include improved user experience with the 311 app, new routing software to improve garbage and recycling routes, and an overhaul of the city's website.

Staffing Optimization

Reforming local government to better serve Chattanooga means streamlining process and eliminating redundancies. These difficult decisions must reach into how the organization is staffed. Each department evaluated personnel to determine positions that had become redundant. As a result, there is a net reduction of 29 positions.

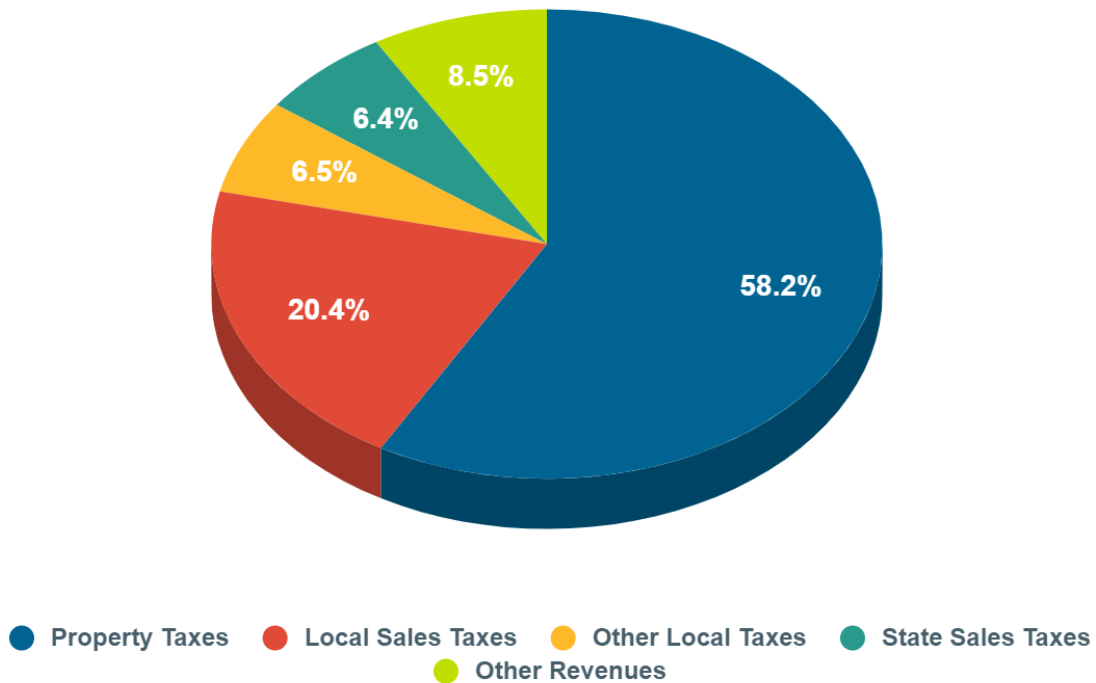

General Fund Revenues Summary

Revenues needed to operate City government are generated primarily through property taxes, state and local sales taxes, and other local taxes. This budget was prepared using a

SECTION 7(e). This ordinance further provides longevity bonus pay for regular full-time classified service employees who have five (5) or more years of continuous service as of October 31, 2023. The longevity pay shall be seventy-five dollars (\$75.00) for each full year of continuous service up to a maximum of thirty (30) years or two thousand two hundred fifty dollars (\$2,250). Employees terminated prior to October 31, 2023 shall not qualify for the longevity bonus pay.

SECTION 8. That the City Finance Officer is authorized to pay a uniform and equipment maintenance allowance of five hundred dollars (\$500.00) for all sworn police officers and firefighters as of July 1, 2023, except for those new employees who have received from the city a new uniform since July 1, 2022. Further, the City Finance Officer is authorized to pay a supplemental tool allowance of one thousand two hundred dollars (\$1,200.00) for certain employees as set forth in Resolution No. 31312, dated September 27, 2022, as amended; and is authorized to pay a supplemental uniform allowance of two hundred fifty dollars (\$250.00) for City Court Officers. It shall be the duty of employees receiving these supplements to use the funds for the specified purpose and retain receipts to that effect.

SECTION 9. That the City Finance Officer is authorized to make contributions to the Pension and Other Post-Employment Benefits (OPEB) Trust funds on behalf of all participants as specified in the most recent actuarial valuation for each plan.

SECTION 9(a). That the City Finance Officer is authorized to match the total salaries of all participants in the Fire and Police Pension Fund with a contribution not to exceed the greater

of fifty and thirty-three hundredths percent (50.33%) or the rate as specified in the most recent actuarial valuation.

SECTION 9(b). That the City Finance Officer is authorized to contribute to the General Pension Plan an amount equal to twenty and ninety-four hundredths percent (20.94%) of all participants' salaries as specified in the most recent actuarial valuation.

SECTION 9(c). That the City Finance Officer is authorized to pay the following Union Pension Plan the specified amounts per participation agreements

Central Pension Fund	2.06 per hour
----------------------	---------------

SECTION 9(d). That the City Finance Officer is authorized to contribute to the Other Post- Employment Benefit Trust Fund a percentage of all participants' salaries as specified in the most recent actuarial study.

SECTION 10. That the City Finance Officer is authorized to reimburse officials and employees for use of personal vehicles on official business at the current rate per mile recognized and established by the Internal Revenue Service.

SECTION 11. That all salaries and wages and other expenditures shall be paid only upon the authorization of the official who has the responsibility of expending the appropriation against which the salaries or wages or other expenditures are charged, pursuant to Private Acts of 1953, Chapter 105, Section 2 (4). That all funds appropriated in this Ordinance for payment of salaries and/or wages shall be spent for salaries and wages only unless proper authorization is given to do otherwise.

SECTION 12. That the City Finance Officer is authorized to pay the payroll and/or costs of personal services, whether on the payroll, voucher or otherwise, of the Air Pollution Control Bureau, Chattanooga Public Library, Regional Planning Agency, Scenic Cities Beautiful, and any other department, agency, board, commission, office, division, or branch of Municipal Government heretofore or hereafter established, notwithstanding that same is not specified hereinbefore, as certified to him by the respective administrative official.

SECTION 13 That employees called to active duty and deployed outside the continental United States (“OCONUS”) to a combat zone or a qualified hazardous duty area, as those terms are defined by federal law, shall be paid the difference that their City pay exceeds their total military base pay, up to \$850.00 per month, from the time called to active duty until relieved from active duty status or until June 30, 2024, whichever occurs first. Payments beyond the current fiscal year shall be subject to future appropriations by City Council. The City Finance Officer is authorized to appropriate the necessary money from other available funds. The difference in pay shall be calculated without regard to any payment of combat pay. Further, with the concurrence of the General Pension Fund and the Fire and Police Pension Fund, or any union fund participation agreement, the City shall pay such contributions necessary, both the employee’s and the employer’s share, based on their pension-eligible salary at the time of call-up (not counting overtime pay) to ensure the continued enrollment and pension-eligibility of employees while called-up for deployment OCONUS for the same period as referenced above. In this manner, the affected employees shall not be penalized nor incur financial hardship as relates to their pension eligibility.

If the City’s medical insurance provider will extend medical coverage to families affected by the call-up of reservists for deployment OCONUS beyond the customary six (6) month period, the City shall pay the employer share of the premium for any employee called-up to active duty. The employee’s share of the coverage shall remain the responsibility of the

employee and may be paid in the most convenient method by the employee. During the time of active duty, the employee may request the City to make such payments on his/her behalf and reconcile the amounts paid upon his/her return to City employment.

SECTION 14. As provided by the Employee Information Guide, Section V, Military Pay:

Employees shall be granted twenty (20) scheduled work days of paid leave each calendar year for active-duty service, inactive duty service, and required annual training. After the twenty (20) days of military pay has been exhausted, the employee activated for military service may elect to use accrued PTO balance (all or in part) or immediately commence leave without pay. Every employee returning from military leave shall submit to his/her Department Head proof of the number of days spent on duty.

SECTION 15. Pursuant to Tenn. Code Ann. § 8-4-604(a)(1), the Office of Open Records Counsel (“OORC”) is required to establish a schedule of reasonable charges a records custodian may use as a guideline to charge citizens requesting copies of public records. Additionally, Tenn. Code Ann. § 10-7-503(g) requires each governmental entity subject to the Tennessee Public Records Act (“TPRA”) to establish a written public records policy that includes a statement of any fees charged for copies of public records and the procedures for billing and payment. Accordingly, the following policy sets forth general guidelines for records custodians when assessing reasonable charges associated with record requests under the TPRA.

POLICY:

I. General Considerations

(A.) Records custodians may not charge for inspection of public records except as provided by law.

(B.) The following schedule of reasonable charges should not be interpreted as requiring records custodians to impose charges for copies of public records. Charges for copies of

public records must be pursuant to a public records policy properly adopted by the governing authority of a governmental entity. See Tenn. Code Ann. § 10-7-503(g) and § 10-7-506(a).

(C.) Application of an adopted schedule of charges shall not be arbitrary. Additionally, excessive fees and other rules shall not be used to hinder access to public records.

(D.) A records custodian may reduce or waive charges, in whole or in part, in accordance with the governmental entity's public records policy.

(E.) A records custodian may require payment for copies before producing copies of the records.

(F.) The TPRA does not distinguish requests for inspection of records based on intended use, be it for research, personal, or commercial purposes. Likewise, this Schedule of Reasonable Charges does not make a distinction in the charges assessed based on the purpose of a record request. However, other statutory provisions, such as Tenn. Code Ann. § 10-7-506(c), enumerate fees that may be assessed when specific documents are requested for a specific use. Any distinctions made, or waiver of charges permitted, based upon the type of records requested should be expressly set forth and permitted in the adopted public records policy.

(G.) Records custodians shall provide a requestor an estimate of reasonable costs to provide copies of requested records.

II. Per Page Copying Charges

(A.) For each standard 8½" x 11" or 8½" x 14" copy produced, a records custodian may assess a per page charge of up to 15 cents (\$0.15) for black and white copies and up to 50 cents (\$0.50) for color copies. If producing duplex (front and back) copies, a charge for two separate pages may be imposed for each single duplex copy.

(B.) If the charge for color copies is higher than for black and white copies, and a public record is maintained in color but can be produced in black and white, the records

custodian shall advise the requestor that the record can be produced in color if the requestor is willing to pay a charge higher than that of a black and white copy.

(C.) If a governmental entity's actual costs are higher than those reflected above, or if the requested records are produced on a medium other than 8½" x 11" or 8½" x 14" paper, the governmental entity may develop its own charges. The governmental entity must establish a schedule of charges documenting "actual cost" and state the calculation and reasoning for its charges in a properly adopted policy. A governmental entity may charge less than those charges reflected above. Charges greater than 15 cents (\$0.15) for black and white copies and 50 cents (\$0.50) for color copies can be assessed or collected only when there is documented analysis of the fact that the higher charges represent the governmental entity's actual cost of producing such material, unless there exists another basis in law for such charges.

III. Additional Charges

(A.) When assessing a fee for items covered under this section, records custodians shall utilize the most economical and efficient method of producing the requested records.

(B.) A records custodian may charge its actual out-of-pocket costs for flash drives or similar storage devices on which electronic copies are provided. When providing electronic records, a records custodian may charge per-page costs only when paper copies that did not already exist are required to be produced in responding to the request, such as when a record must be printed to be redacted.

(C.) It is presumed copies of requested records will be provided in person to a requestor when the requestor returns to the records custodian's office to retrieve the records.

(D.) If a requestor chooses not to personally retrieve records and the actual cost of delivering the copies, in addition to any other permitted charges, have been paid by the requestor or otherwise waived pursuant to the public records policy, then a records custodian is obligated to deliver the copies via USPS First-Class Mail. It is within the

discretion of a records custodian to agree to deliver copies of records through other means, including electronically, and to assess the costs related to such delivery.

(E.) If it is not practicable or feasible for the records custodian to produce copies internally, the records custodian may use an outside vendor and charge the costs to the requester.

(F.) If a records custodian is assessed a charge to retrieve requested records from archives or any other entity having possession of requested records, the records custodian may recover from the requestor the costs assessed for retrieval.

IV. Labor Charges

(A.) A records custodian shall utilize the most cost efficient method of producing requested records. Accordingly, a records custodian should strive to utilize current employees at the lowest practicable hourly wage to fulfill public records requests for copies.

(B.) "Labor" is the time (in hours) reasonably necessary to produce requested records, including the time spent locating, retrieving, reviewing, redacting, and reproducing records.

(C.) "Labor threshold" is the first (1st) hour of labor reasonably necessary to produce requested material(s). A governmental entity may adopt a higher labor threshold than one (1) hour. A records custodian is only permitted to charge for labor exceeding the labor threshold established by the governmental entity.

D. "Hourly wage of an employee" is based upon the base salary of the employee and does not include benefits. If an employee is not paid on an hourly basis, the hourly wage shall be determined by dividing the employee's annual salary by the required hours to be worked per year. For example, an employee who is expected to work a 37.5 hour workweek and receives \$39,000 in salary on an annual basis will be deemed to be paid \$20 per hour.

E. In calculating labor charges, a records custodian should determine the total amount of labor for each employee and subtract the labor threshold from the labor of the highest paid employee(s). The records custodian should then multiply the amount of labor for each employee by each employee's hourly wage to calculate the total amount of labor charges associated with the request.

Example:

The hourly wage of Employee A is \$15.00. The hourly wage of Employee B is \$20.00. Employee A spends two (2) hours on a request. Employee B spends two (2) hours on the same request. The labor threshold is established at one (1) hour. Since Employee B is the highest paid employee, the labor threshold will be applied to the time Employee B spent producing the request. For this request, \$50.00 could be charged for labor. This is calculated by taking the number of hours each employee spent producing the request, subtracting the threshold amount, multiplying that number by the employee's hourly wage, and then adding the amounts together (i.e. Employee A (2 x \$15.00) + Employee B (1 x \$20.00) = \$50.00).

SECTION 16. That, pursuant to the Charter, it shall not be lawful for any department, agency, or branch of the Government to expend any money other than the purpose for which it was appropriated, nor shall the expenditures for a purpose exceed the appropriation for said purpose.

SECTION 17. If at any time the actual receipt of revenues is projected to be less than the estimated revenues, it shall be the duty of the Mayor to forthwith initiate an ordinance amending this budget ordinance so as to appropriately reduce or otherwise change the various appropriations made herein which, in the judgment of the City Council, should be made.

SECTION 18. The City Finance Officer is hereby authorized to transfer money from one appropriation to another within the same fund as may be necessary to meet expenditures for the fiscal year 2024.

SECTION 19. In addition to FY24 appropriations for current year expenditures, funds shall be appropriated to meet obligations carried forward from prior year open purchase order balances in each fund. Such appropriation shall be from the fund balance of each respective fund.

SECTION 20. That Ordinance 11941 dated March 14, 2007 amended the Chattanooga City Code, Part II, Chapter 24 relative to parking, per Section 24-335, the City delegated the Management responsibilities for parking meters within the Special Parking Management Districts to the Chattanooga Area Regional Transportation Authority. By this Budget Ordinance, any revenue in excess of the cost to CARTA for operation of metered parking spaces within the Special Parking Management Districts be appropriated to CARTA to be utilized for CARTA's parking management operations, including the costs of acquiring and maintaining parking equipment and systems and enforcement of these ordinances, as well as the acquisition, construction, and maintenance of off-street parking facilities and the provision of passenger shuttle services in downtown Chattanooga area.

SECTION 21. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36(a), be and the same is hereby deleted and the following substituted in lieu thereof:

- (a) Enumeration of charges; quantity of water used. Sewer service charges shall be based upon the quantity of water used as shown by water meter readings and shall be the dollar amount derived by applying the total charge in dollars per one thousand (1,000) gallons for the quantities of water shown in the following table:

User Class (gallons)	FY24 Total Charges (\$/1,000 gallons)
First 100,000	\$14.28
Next 650,000	10.63
Next 1,250,000	8.64
Next 30,000,000	7.29
Over 32,000,000	7.09

In addition, the total charges derived from the above chart for residential users will be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter. Each residence or apartment unit shall have a maximum monthly sewer service charge for a volume of no more than 12,000 gallons water used; unless the minimum charge due to water meter size exceeds the 12,000 gallon limit, and then the monthly sewer service charge shall be at least the minimum for that particular size water meter.

SECTION 22. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36(c) as relates to sewer service charges and fees be and the same is hereby deleted and the following substituted in lieu thereof:

- (c) Billable flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below per one thousand (1,000) gallons of water sold.

	Regional Operation & Maintenance Charge (\$/1,000 gallons)	Regional Debt Charge (\$/1,000 gallons)	Total Regional Charge (Wheelage and Treatment) (\$/1,000 gallons)
Wheelage and Treatment	\$4.1362	\$ 0.8550	\$ 4.9912

If regional customers are billed directly through the water company, the rate to be charged shall be five dollars and zero cents (\$5.00) per one thousand (1,000) gallons.

SECTION 23. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36 (d), be and the same hereby deleted and the following substituted in lieu thereof:

- (d) Total flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below applied to the quantity of water measured by a flow meter installed and maintained at or near the point of connection between the system of the regional user and the Chattanooga system. In the event of any malfunction of said meters, flow shall be estimated, interpolated and/or projected in the most equitable manner possible. Such estimates, along with available readings for periods where there was no malfunction, shall be the basis for billing.

	Regional Operation & Maintenance Charge (\$/1,000 gallons)	Regional Debt Charge (\$/1,000 gallons)	Total Regional Charge (Wheelage and Treatment) (\$/1,000 gallons)
Wheelage and Treatment	\$ 2.3326	\$ 0.5297	\$ 2.8623

SECTION 24. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-37, be and the same is hereby deleted and the following substituted in lieu thereof:

Minimum sewer service charges based upon water meter connection size shall be as follows:

Monthly Minimum Sewer Service Charges

<u>Meter Size</u> (inches)	FY24 10/1/2023 <u>Charge per Month</u>
5/8	29.34
3/4	104.66
1	182.87
1-1/2	409.28
2	724.67
3	1,698.70

4	3,139.23
6	7,477.14

The minimum sewer service charge for residential users with various meter size shall be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter.

SECTION 25. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-41(c), be and the same is hereby deleted and the following substituted in lieu thereof:

- (c) Rates. Based upon the current cost of treating wastewater containing constituents with concentrations in excess of “normal wastewater,” numerical rates are hereby established for Bc and Sc as follows:

Bc = \$0.1229 per pound of BOD for concentrations in excess of three hundred (300) milligrams per liter.

Sc = \$0.0852 per pound of total suspended solids for concentrations in excess of four hundred (400) milligrams per liter.

SECTION 26. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-43 (b), (f) and (g) be and the same are hereby deleted and the following substituted in lieu thereof:

- (b) *Fees for garbage grinders.* Any user of a garbage grinder, except users in a premise used exclusively for an individual residence, shall be charged at a rate of four hundred forty-one dollars (\$441.00) per month. The superintendent shall bill users on a quarterly basis and the bills shall be due and payable within fifteen (15) days following the last day of the billing period.

- (f) *Fees for septic tank discharge.* All persons discharging concentrated, domestic septic tank sewage waste from a truck under the provisions of Article III of this Chapter shall be charged at the rate of one hundred seventy dollars (\$170.00) per one thousand (1,000) gallons of such waste. The minimum charge for septic tank discharges shall be one half (1/2) of the rate for one thousand (1,000) gallons of the rate in effect at the time of such discharge.

- (g) *Fees for holding tank wastes.* All persons discharging any holding tank waste authorized pursuant to division 6 of this article shall be charged at the rate of fourteen dollars and twenty-eight

cents (\$14.28) per one thousand (1,000) gallons of such discharge, plus any surcharge rate authorized by Article III of this chapter for concentrations of pollutants in excess of normal waste water without regard to the definition of the industrial user or other limitations set forth in such section. The Plant Manager may also require a chemical analysis of such waste and charge therefore.

(h) Late fees of 10% (ten percent) shall be applied to all amounts billed but not received by the due date indicated on the invoice.

(i) An applicable disconnect fee may be assessed for delinquent accounts.

SECTION 27. Notwithstanding any other provision of this Ordinance to the contrary, water providers within the City of Chattanooga shall bill according to the new Chattanooga sewer service charges effective on the 1st day of October 2023 until further notice.

SECTION 28.
