CLASSIFICATION SUMMARY

Incumbents in this classification are responsible for participating in the Fire Training Academy. Duties include attending class, taking exams, and integrating classroom training during hands-on training exercises. Cadets will attend up to a minimum of twenty-two (22) week Fire Training Academy. Successful completion of the academy is required to perform Firefighter duties. Training will take place primarily at 3200 Amnicola Highway.

Workdays and hours will be determined by Fire Training Staff.

SERIES LEVEL: The Fire Cadet is the first level in a ten-level fire series.

ESSENTIAL FUNCTIONS:

(The following duties ARE NOT intended to serve as a comprehensive list of all duties performed by all employees in this classification, only a representative summary of the primary duties and responsibilities. Incumbent(s) may not be required to perform all duties listed and may be required to perform additional, position-specific duties.)

Participates in fire academy training sessions, including academic and theory classes related to fire suppression, emergency medical care, vehicle extrication, and hazardous materials. This training includes weekly exams and integrating classroom training with hands-on application.

Participates in all hands-on training activities in the classroom, on the drill ground, and other venues. This includes labor-intensive work before, during, and after the training exercises.

Participates in frequent, high-intensity physical training, including but not limited to, jogging up to 3 miles, calisthenics, strength exercises, and exercising in turnout gear.

With guidance, may participate in real large-scale fire or emergency scenes in supervised roles outside of IDLH (Immediately Dangerous to Life and Health) environments.

Adheres to all Fire Academy Rules throughout training.

Upon successful completion of the Fire Training Academy, duties will include: Responding to all types of fires and other emergencies, including but not limited to fire suppression, emergency

medical care to the basic life support level and assisting transport agencies with advanced life support level, hazardous materials, vehicle extrications, and rescue.

Participating in on-going training and educational sessions.

Assisting in preparing and ensuring emergency vehicles and apparatus are stocked and ready for immediate response.

Participating in the daily functions of the fire station which may include housekeeping, cooking, maintenance activities, and/or performing other related duties.

Assisting in completing and maintaining records related to personnel, incidents, and/or other related items.

Participating in fire department programs such as pre-fire planning, fire prevention programs, and/or fire hydrant checks.

Participating in and/or facilitating educational sessions and station tours to the public on fire related topics. Working twenty-four (24) hour shifts.

Must meet regular attendance requirements.

Must be able to maintain good interpersonal relationships with staff, co-workers, managers and citizens.

Must accomplish the essential functions of the job, with or without reasonable accommodations, in a timely manner.

Performs other duties as assigned.
