2508 E 4th St

On 10/17/2021 at 00:30 hours, Officer Adam Krystaponis (75508) responded to a noise complaint at 2508 E 4th St, for the second time tonight. This time, when I arrived, the party had grown in the last hour, and was significantly louder. I spoke again with Mr.. Riddle, and instructed him to shut the party down and start sending people home. Mr. Riddle walked into the house and instructed people to leave, but after several minutes, only a few people had left. I walked up onto the porch to tell everyone that the party was over, and i was confronted by several people (clearly intoxicated) demanding a warrant before I entered the house. Instead of arguing, I simply yelled for everyone to go home, at which point people actually began leaving.

Several cars had used the parking lot of New City Fellowship (approximately 1 block West) for parking, and after people left the house, they gathered in this parking lot, and, myself and other officers had again give commands to disperse, using voice as well as lights and siren. I spoke with Mr. Riddle, and explained that this was the second time in one night, and at least the second night that police had been called to his house for a nuisance. Mr. Riddle provided the names of Mr. Romeo Wykle and Mr. James Gibson as his only roommates, and stated they were UTC students. Mr. Riddle agreed to keep the household from becoming any further nuisance.
